COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 1) The prevention of crime and disorder ◆
- 2) Public safety
- 3) The prevention of public nuisance ◆
- 4) The protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police submit the following representations for the new premises licence at Arches 369+370 Helmsley Place. The venue is one of a number of arches that already benefit from premises licences that allow for the consumption of alcohol on the premises.

These venues already operate under two separate licences and this application seeks to replace these with one single licence whilst reducing the current hours to sit in line with the core hours as laid out in the London Borough of Hackneys statement of Licensing Policy for licensable activity.

It should be noted that although there are already a number of existing premises licences in the immediate vicinity they are in the midst of constructing eight three bedroom flats opposite the venue meaning that in addition to the existing residents in the area there will be the potential for 8 further families with young children

There has been a history of resident complaints at this premises involving Dispersal in the street, Noise complaints and overcrowding in the premises when both arches have been in use

In respect of this application Police would ask the following of the applicant:

- What will the capacities be of each arch and the external courtyard?
- Will the venue be hosting events? Will there be separate events held in each arch simultaneously

Police are concerned that without sufficient measures in place the granting of this licence will undermine the licensing objectives namely crime and disorder and public nuisance.

Police look forward to hearing from the applicant to discuss this application further

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

COMMENTS

I make the following relevant representations in relation to the above application for a premises licence at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance **x**
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

I write in relation to the application submitted for a premises licence. The proposal appears to be seeking to consolidate two existing licences into one. However, the proposal could have a negative impact on the prevention of public nuisance bearing in mind the complaints received when the premises operated as "Brewhouse". It is noted that the proposed hours are significantly reduced from the current licences, but it would also be helpful if the applicant could clarify, amongst other things, the following:

- Overall capacity (currently 500)
- Hours of use of the external areas and if this could be limited to 22:00.
- Whether alcohol sold for consumption on the premises will be ancillary to seated table meals.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, s182 Guidance issued by the Home Office, Statement of Licensing Policy

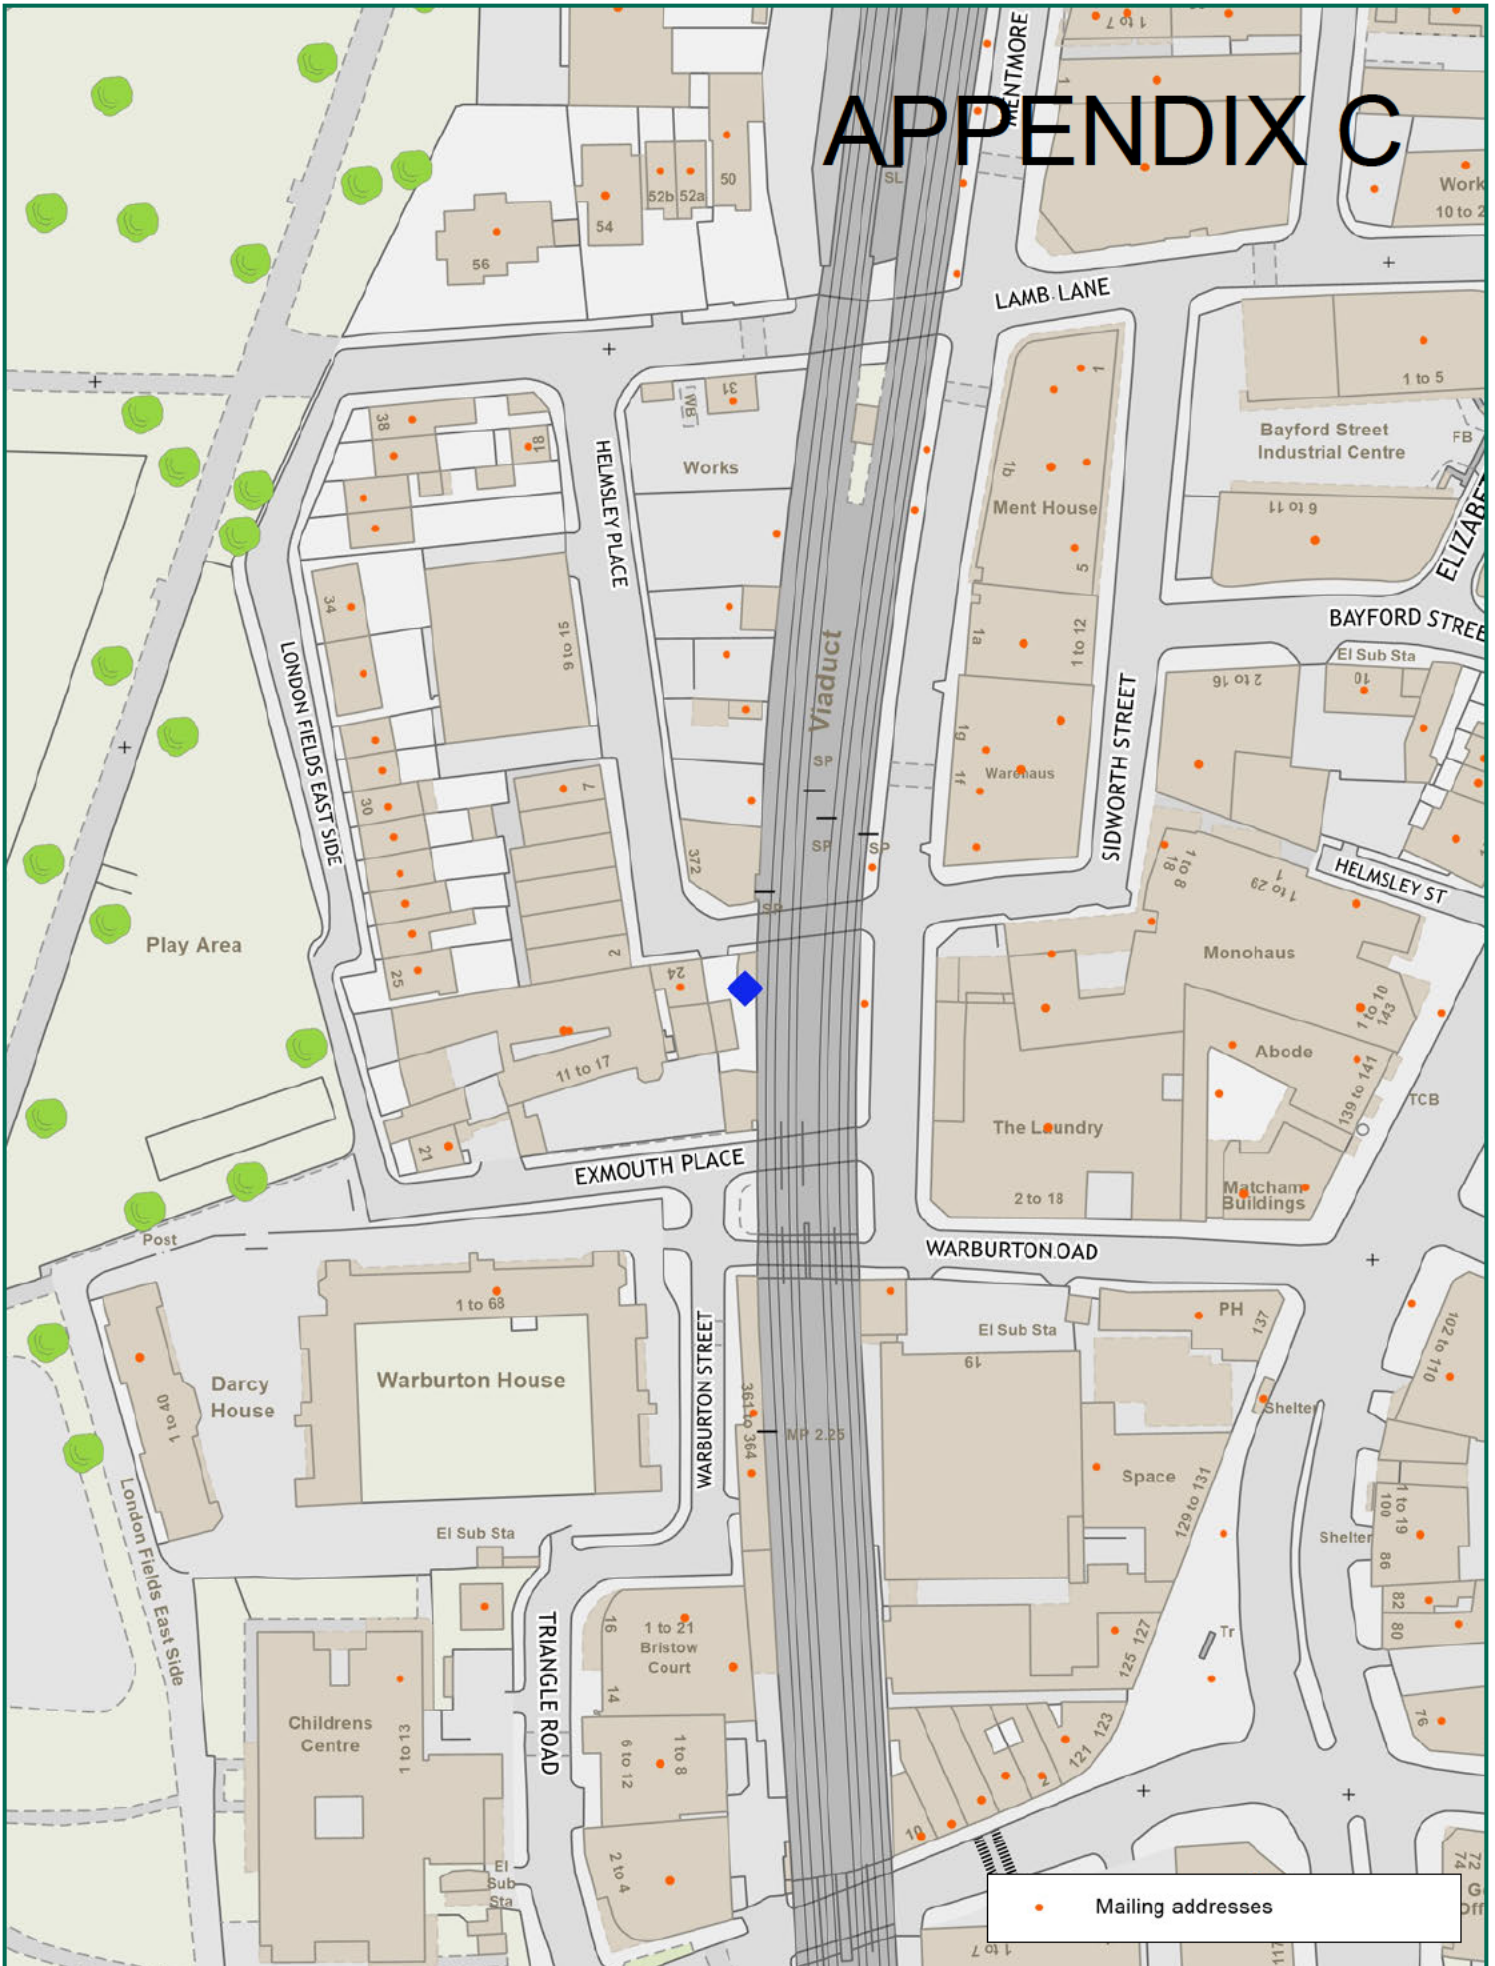

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Discussion with the applicant and clarification in relation to matters highlighted above
