CE PPD 021	Number of Stage 1 complaints received by the Council	2701	2322	639	805	Complaint volumes in 2020/21 are broadly in line with the levels in recent years. The increase in complaints in Q4 is reflected across the higher generating component areas of Public Realm, Housing and Customer Services and appears to reflect a levelling up of cases across the year following reduced reporting in the early months of the year. 						Transformation team has been working with Building Maintenance and ICT on it. There was some delay while we had accounts set up for operatives. Following this, an issue has since occurred with operative logins to their devices which has prevented the solution from being implemented. ICT are now working with the DLO to resolve this which we are hopeful will be quick so that fuller testing and implementation of the app can begin.				
NH H Voids 001	Average time taken to re-let local authority housing (all voids including major & minor voids) - calendar days	59	55	105	96	<p>A total of 31 properties were relet in March 2021, with an average turnaround time of 90.74 days, This is considerably less than previous months, indicating service improvement as a result of below contributing factors:</p> <ul style="list-style-type: none"> • Less impact from leave from officers mainly affecting February 2021 figures • More operative availability for void works • Considerably lower servicing timeframes for 	50			<p>NH H Voids 001 Average time taken to re-let local authority housing (all voids including major & minor voids) - calendar days</p>
