COMMENTS

I make the following relevant representations in relation to the above application for a premises licence at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance x
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

I am writing to make a representation in respect of this application. The proposed sales of alcohol could have a negative impact on the promotion of the licensing objectives, in particular, the prevention of public nuisance given the nature of the surrounding area. The premises is located within Dalston Special Policy Area which is an area highlighted as suffering from the cumulative impact caused by the concentration of licensed premises in the locality. The applicants' attention is drawn to LP10 of the Council Licensing Statement which states:

LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.

The above representations are supported by the following evidence and information.

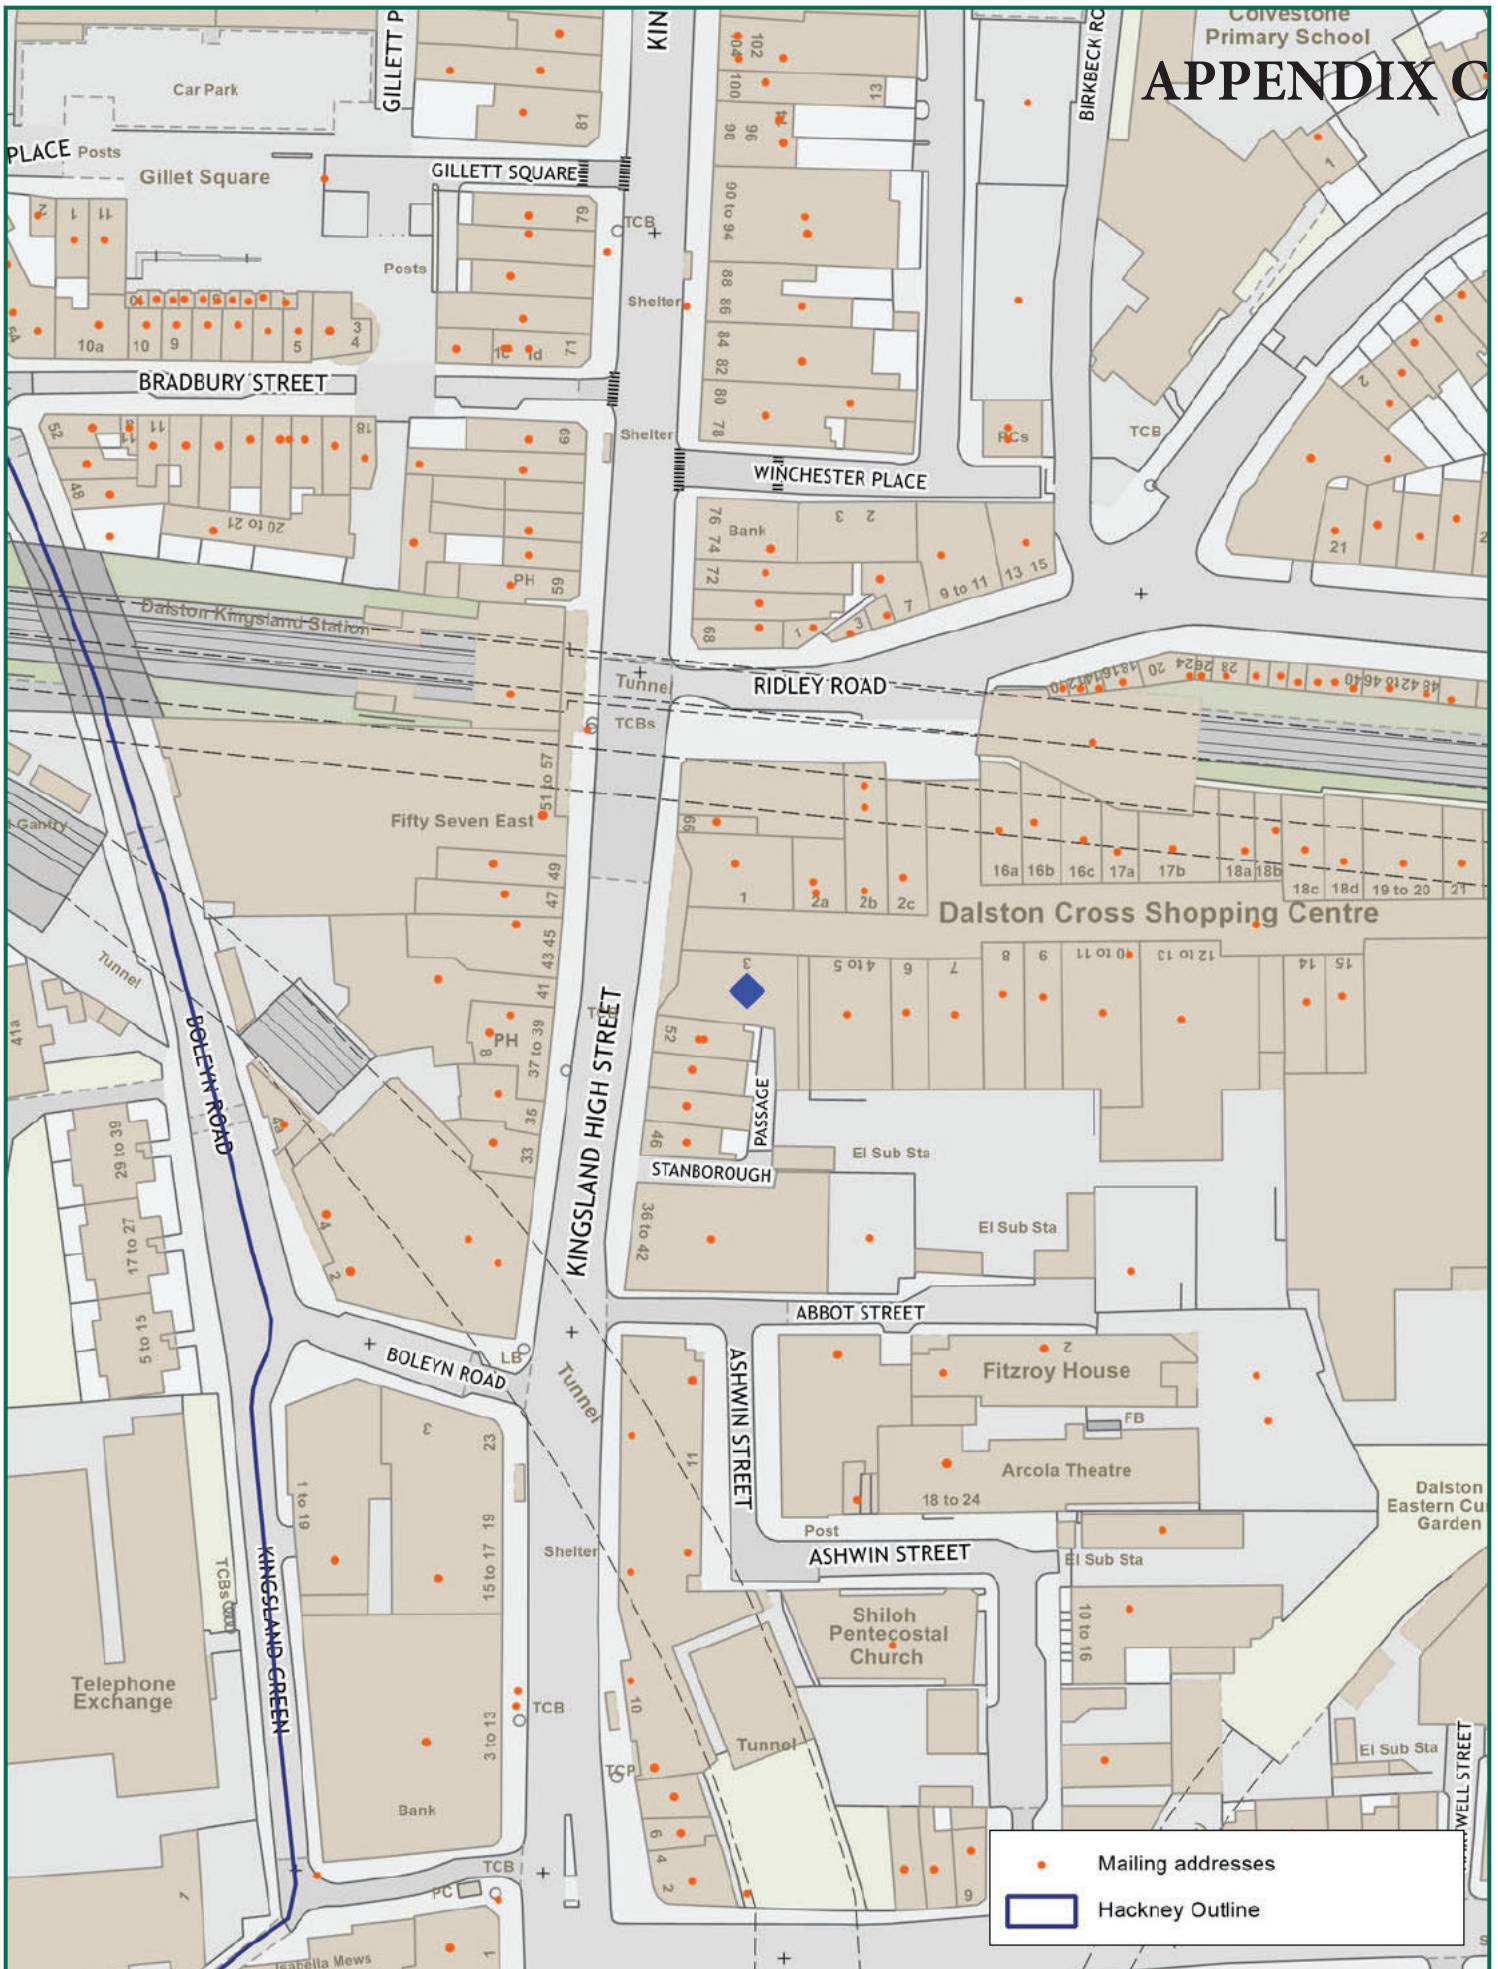

The Licensing Act 2003, s182 Guidance issued by the Home Office, Statement of Licensing Policy

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

The applicant should demonstrate that the additional activity will not add to the cumulative impact if it were to be granted. The applicant is therefore encouraged to make further submissions as to how this will be achieved.
