M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The building will undergo full risk assessments to ensure the safe operation of the site. All events will be pre-booked and have a Council Representative present to oversee activities and manage the safe operation of the site. The Hackney Venues team will ensure that the building is at all times up to date on RA's, PPM and operated in a safe and controlled environment.

Any booking will undergo scrutiny prior and risk assessments & insurance documents need to be provided by the client where appropriate.

b) The prevention of crime and disorder

All our events will be private or commercial events that go through full vetting during the enquiry stages. Any inappropriate or concerning events will be denied at this stage and can also be cancelled if we believe the content not to be suitable. Any events that are above 40 people, involves alcohol consumption or pose a higher risk will require security via our Council contracted supplier CIS and clear terms and conditions are lined out for each event. Any disorder on the day will result in the event being closed early.

c) Public safety

All events will be assessed and measures put in place depending on event on top of the standard operating procedures. Where large numbers or alcohol is provided we will have the Council contracted security guards onsite to control the event. An events related risk assessment and public liability insurance will be provided by the organiser.

No external people are able to enter the building and all activities onsite will be supervised by the onsite events and security team.

d) The prevention of public nuisance

Clear restrictions will be in place with regards to operating the spaces, noise and management of the event. The security team onsite for any larger events will monitor the event and its guests and will intervene immediately where required. Police will be called in case of any escalation which is the worst case scenario.

e) The protection of children from harm

Children will generally have to be accommodated by an adult with most of our events being private weddings or Community bookings this is generally well managed. The venue is enclosed which won't allow public to enter site during an event. All events will be vetted for suitability and risk assessments will be required. Should concerns arise these need to be mitigated or the event will not go ahead.

Supporting Statement - Licence sub committee - The Glass House, Springfield Park

Hackney Venues is a venture run by the London Borough of Hackney to operate venues within the borough offering a service where clients, local business and communities can host a range of different styles of events within the spaces. We currently operate 3 venues within the borough, Clissold House, Stoke Newington Town Hall and Hackney Town Hall. We have recently also taken on The Glass House located within Springfield Park. Hackney Venues has been operating for ten years and holds a high valued reputation internally and externally.

Each venue within the portfolio operates within the same manner, we hire out the spaces externally for events such as community classes, local business away days, wedding ceremonies and receptions, corporate dinners / conferences, product launches & exhibitions.

We do not accept events such as 18th & 21st birthday parties, or any type of club / promoted style of event. Whilst it is permitted to allow this style of event within our spaces, the decision to not do so is because of the higher risk of damage to our buildings (which are grade II listed), along with the potential reputational damage. We have always been conscious of how we manage events in accordance with the premises license and how we will prevent nuisance behaviour. Our team is run by event professionals and are aware of the high level of standards required. We are mindful when confirming an event with a client that we are responsible for ensuring that the event we host is appropriate under our terms and conditions.

Accredited caterers go through a vetting process and have to provide evidence that a personal license holder will be on site at all times. In addition to this we require a signed contract which states that it is strictly forbidden to let clients or guests access any alcohol on site unless it's served to them by a professional bar attendant (either served at the table or behind a bar). The exception to this is wine on the tables with food, but this is limited to a glass and a half per person which is controlled by the caterer on site during the event.

All records of personal licenses and signed venue guidelines are obtained by the Venues Team, and the event manager working onsite is responsible for upholding the licensing objectives, as personal license holders themselves.

We have reduced the operational hours of The Glass House, which differs from the other venues we operate. Operational running times for this space are;

- **Sunday - Thursday - 08:00 - 23:00 (bar closed and music off at 22:30)**
- **Friday - Saturday - 10:00 - 00:00 (bar closed and music off at 23:30)**

The doors to the terrace need to be closed by 21:00 each day and no activity can take place after this time on the terrace.

During all events we have a representative from Hackney Council on site. The Event Manager will oversee the running of the day, working closely with security and suppliers. Security is mandatory for all commercial events where alcohol is consumed on site. Once the event is finished security guards escort guests to and from the space to the entrance of the park when leaving. Security plays a key role in communicating with the event manager

and catering manager throughout the event to ensure no disruption is happening, if this is the case and noise nuisance behaviours arise then this will be addressed accordingly.

We work with a local taxi company based in Stoke Newington who we offer clients to book once the event is finished, this can be pre-booked prior to the event taking place.

We have been in communication with Cllr Stienberger who has acted as a representative of the community within Stamford Hill and have been working with him to ensure the right message is communicated to local residents about how we operate as a service and our vision for the new space.

One of the concerns raised by the local community was that the venue was going to be a pub and open seven days a week serving alcohol. This is not the case and we have communicated this strongly to local residents. In addition we have designed an information flyer highlighting some of the main concerns raised by the community and addressing them individually. This was distributed to 2538 properties within a 400m radius of the venue.

It was highlighted that there could potentially be an opportunity for us to work with a local caterer who was recommended by Cllr Steinbergrrer. This caterer provides a popular catering service within the local community. Our meetings to date have been positive and we are now in the process of including them on our accredited caterers list. The caterer has given positive feedback on the space and hopes to help bring local business, community events and weddings to the space.

Finally we are planning a community open day that is going to be held on Tuesday 10th August. This will be a chance for local residents and park users to come and see the space, meet the team who will be on site and have a tour of the venue. The team will be able to engage with the local community and explain the different options we have available. We will also be demonstrating what an event would look like in the space. The local caterer has agreed to showcase their catering for the event.

To date there has been positive feedback from potential clients who wish to book the venue, with events ranging from community away days to working group meetings, from wedding ceremonies to events. An alcohol and entertainment licence is essential when operating such a commercial hire venue and this space will run identically to all of our other spaces within Hackney. I hope all of the points outlined above have addressed any concerns.

I refer to the licensing application at the above address:

I would like to submit my absolute horror at the idea of making a venue in our most beautiful park where until now we have all felt safe. This will become a major attraction for youth and others who will become drunk there and god only knows what else. I beg you please have our and our children's safety in mind we would love to continue spending many many more happy days in our beautiful Springfield Park!!! We appreciate all the money and effort recently put into upgrading our park and would love it to remain just that - a recreation ground to enjoy to its fullest!!

Dear sirs,

I am writing in reference to the Licensing Application at the above address.

I am writing to submit my objection to the application. As a local resident and mother of young children I see the approval of the application to undermine the safety in our neighbourhood and well beloved park. I think that the grant of a license would result in higher crime and would very much undermine public safety.

I kindly request you to reject this application taking the above into consideration

Many thanks,

To whom this may concern,
I refer to the Licencing application at the above address.

It is with great concern that we read the application for the proposed use of the Glass House. We live in an estate which backs out to the park and have already frequently been disturbed at night by people irresponsibly playing loud music in the park in the late evening hours. Our children had trouble falling asleep and so ourselves too. We can only imagine how much worse it would get with the official use of the building which is so inconveniently located right near so many residential apartments in Fawcett Estate and Yetev Lev Court. We surely appreciate the necessity of such facilities but its location is in a place where so many locals including us will be very much disturbed. The late hours proposed in the application plus the licence for **alcohol** and **music** are very worrying; we can only imagine the noise and unruly behaviour which are so likely going to be happening frequently through the late evenings-during and after the events.

Please can you take the above in consideration and reject the very unsuitable proposed use for these buildings

Thank you very much,

ES 9AX.

Dear Sirs,

I refer to the licensing Application at the above address.

I would like to submit my objection to the application.

As a local resident for the past few ~~few~~ years and a mother of kids passing the park quite frequently, I feel that such a facility would result in unpleasant behaviour such as crime and public nuisance bringing unsafety for my family + local residents.

I do understand the needs for these facilities, however we can all agree that a recreational park is a place where adults and children should feel safe.

I kindly request you to reject this application taking the above into consideration.
Thank-you for your understanding.

To whom this may concern

I would like to approach you with a humanitarian request regarding the application of The Glass House at Springfield Park. [REDACTED] and Mom of six of my own kids i would like to object to the above mentioned application. Springfield park has always been a haven for our school used as incentive and or reward. The children enjoyed the fresh air surrounded by the beauty of nature, as for my own family my husband, myself and the kids used to take family quality strolls in the Springfield park known for its beauty and safety. now that this application is underway i refuse to continue to frequent the park viewing such a setup as unsafe to our community. Please also take into account how depriving it would be for us to thrive without the use of a local park. Please take this request seriously.

dear sirs

as resident from springfield court e5 [REDACTED] i ask you that you should take my letter into account before giving license to alcohol to be sold in my favorite park this will harm the use from the park. as a park is a place

- and to enjoy the nice peaceful walks,

all the above users from the park will get disrupted from alcohol drinkers, antisocial behavior will get increased to children and women.

Dear Sir or Madam,

We have been living and working near Springfield Park for the most of our lifetime, we and our children really enjoy the quiet and relaxing atmosphere in Springfield Park and have been regularly walking and playing as well as allowing our children to do so, for many many years.

We were shocked to learn about the above application. Should this be approved, this would undoubtedly turn this calm and relaxed natural atmosphere into a hub of crime and disorder and we would be forced to stop our children from using the park as their chances of harm or abuse would probably be almost certainly.

Besides the children, we ourselves would not feel safe walking the park surrounded by alcohol drinkers etc. This would ultimately be a real public nuisance and hub for crime and disorder.

We therefore plea for you to refuse this application.

Yours faithfully,

Dear Sir/ Madam

To whom it may concern,

As a resident next to the park on Lingwood road I would like deeply to request that the council shall object the licensing application for late hours of selling alcohol and other activities.

Being a parent of children of all ages, girls and boys I do not think that i need to explain to anyone the concerns of late hours involved with selling alcohol, bringing to the area all types of crime both with regards safety of children and others including women, for all of the general public and wider community.

Therefore Please!! Please!! Reject this application, to keep us and all children safe and without fear walking on our streets and parks safely.

Thanks and much appreciation to take our concerns into consideration and awaiting positive results.

Hi

Please note our strong objection to the planning permission sought for the subject property for a conversion to a pub. As local residents and users of community services nearby, we are very concerned by the added crime and nuisance that may follow from the above.

We fear very much for the safety of our family if such a development were to go forward as it will create an additional flow point of disorder for the whole area.

aWe use this park regular and its a very quiet and safe! but I strongly disagree with the opening of a new bar in the glass house. This will be very harmful and very not safe for young kids to play nearby!
and there will be much more noise in the night hours!
and to have such a bar in a park it will put the whole park (even much lower down) to uncertainty. It will cause the police much more work if anything goes wrong in the bar as they can use the park to escape and the park is a big one etc...

so please do not approve the bar thank you for your understanding a local resident

Dear Sirs,

I am writing regarding the licencing application for " Glass House, Springfield Park, Capital Ring, London E5 9AX".

I, a mother of young children living just apposite the Springfield Park, am very concerned about the prospect of such an entertainment place so close to my home.

I am worried about late-night noise bound to disturb my children and our much needed sleep, thus hindering proper functioning lives.

In addition, my neighbours and myself consider the park a pleasant and serene place to enjoy with our children, however with alcoholics likely to be around I will no longer feel safe in my own area!

I am also very concerned about increased crime in our area, which already has a high crime rate (perhaps due no overlooking windows opposite).

We are sure you will take this matter seriously, and reject this application.

Good afternoon,

I would like to object to the licencing proposal at the glasshouse in Springfield Park, as I am afraid this will bring lots of anti social behaviour to the area, especially as this is placed in very close proximity to on of the largest synagogues in Hackney, and history has been, that pubs etc close to synagogues are not working well together especially on the way home, and this will cause crime and disorder in the area. In addition this synagogue is used by many children who might also be harmed if this proposal does go ahead, by the anti social behaviour this brings.

Please do not grant this license.

Dear sirs

I would like to let you know that I live right near the above address and as it is, there is a lot of crime going on, I don't want to think what's going to go on with a grant for a licence - it will also increase traffic in this area and the safety of the children will be taken away. We see the police daily right here and we do not want to increase that. Thank you for listening and re-considering thus helping us enjoy the serenity of the park.

RE:

Glass House, Springfield Park, Capital Ring,
London E5 9Ax

Dear Sirs

I proudly oppose the licensing Application. I am a mother of young children and a local resident, this will undermine the safety in our neighbour hood and local park.

I appreciate the necessity of these facilities in every area but surely a local park is a place where adults and children alike should feel safe.

I have been personally disturbed countless times by loud music nearby; the grant of a licence means there will be live music possibly EVERY NIGHT which will make it very difficult to get children to sleep and disturb adults too. Public safety will also be undermined and the park will likely be a location of higher crime.

Please can the above application be rejected taking the above into consideration.

Many thanks,

Dear Sirs

I am writing with regard to the licensing application at the above premises.

As a resident close to Springfield Park, I fear that the permission for licensing will severely undermine the safety in the area and especially considering the high volume of young families and children that live in the vicinity and access the Park regularly, this will have a very negative effect on safe and secure access to the Park and recreational facilities.

The grant for licensing would only escalate the already existing crime rate and excessive drug abuse in the Park and further impact public safety.

In light of the above I ask you to reject the application considering the negative effect this will have on the security of the area.

Yours sincerely

Dear Sir or Madam

I refer to the Licensing Application at the above address.

I would like to object to the application. I am a local resident and member of the community and I am concerned that the local park and the whole neighbourhood will become unsafe. I understand these facilities are necessary however the park should be safe for children and adults alike.

The grant of a License will bring higher crime and public nuisance due to the nature of location the application was made to. It will undermine the safety of the whole public.

I kindly request you to reject this application taking the above into consideration.

Many thanks

Dear Sirs,

I refer to the Licensing Application at the above address.

I would like to submit my objection to teh application. As a local resident and comunity member living close by, I see this would undermine of our neighborhood and local park.

The grant of a license to such an establishment will definitely increase the crime rate and public nuisance.

Please take the above into consideration and kindly reject the application.

Thanks you

Dear Sir / Madam

March '21

While taking my daily stroll in the Park I noticed all the beautiful, pleasing renovations done to the Park.

I also noticed that an application has been put forward for the use of the glass house. It caused me great distress that it should be used for music & alcohol (besides that it's for all those long hours into the night.) ~~The safety~~ It's important for residents in Springfield & the many park users and children should feel safe & I feel strongly that this usage will surely undermine the safety & security of children & adults alike, and would be a great nuisance for the area.

I request to please object this application, taking the above and many more obvious reasons into consideration.

Thanks in advance
Have a great day

Yours sincerely,

Re: Glass House, Springfield Park, Capital Ring
London E5 9AX

I write to you in respect of the proposed plans of the licensing application made for above address.

I am a resident of Lea View House and use the park on a constant basis. I am also a woman with young children and the park has been a source of delight to us during the lockdown and a place where we enjoy nature's best.

I understand that the proposed plans are for recreation including drinking until 12am. These hours are a great amount considering noise will be made until late disturbing the neighbours and peaceful environment.

I will be loathe to bring my children to the park considering there may be people with anti-social behaviours and am at risk for being harassed. This proposed plan could make the park an unsafe place to walk through and reduce the quality of area which Springfield Park represents. Our neighbourhood should remain safe, child friendly and accessible for all.

Another point I must mention is that I pay for my car's yearly parking permit. I refuse to have to find parking in another spot due to people attending functions in the glass house taking up precious parking spaces.

I implore you to consider the vital points I have raised in appeal for this application.

Thank you.

Yours Sincerely

To whom it may concern

As a nearby resident, I strongly disagree with the opening of alcohol consumption. It will increase crime in the area as well as public nuisance, it will make women and children scared to go on the road, please take it into consideration and object to the proposal.
Thanks for your understanding

I refer to the Licensing Application at the above address.

I would like to submit my objection to the application. As a local resident, Father of kids who are passing the park daily, I see this would undermine the safety in our neighbourhood and local park. I appreciate the necessity of these facilities in every area, surely we can all agree that a recreational park is a place where children and adults alike should feel safe.

The grant of a license would result in higher crime and public nuisance due to the nature of location this application was made to. It will also undermine public safety.

I kindly request you to reject this application taking the above into consideration.

Dear sirs,

I refer to the Licensing Application at the above address.

I would like to submit my objection to the application. As a local resident, Father of kids who are passing the park daily, I see this would undermine the safety in our neighbourhood and local park. I appreciate the necessity of these facilities in every area, surely we can all agree that a recreational park is a place where children and adults alike should feel safe.

The grant of a license would result in higher crime and public nuisance due to the nature of location this application was made to. It will also undermine public safety.

I kindly request you to reject this application taking the above into consideration.

Dear sirs,

I refer to the Licensing Application at the above address.

I would like to submit my objection to the application. As a local resident, Father of kids who are passing the park daily, I see this would undermine the safety in our neighbourhood and local park. I appreciate the necessity of these facilities in every area, surely we can all agree that a recreational park is a place where children and adults alike should feel safe.

The grant of a license would result in higher crime and public nuisance due to the nature of location this application was made to. It will also undermine public safety.

I kindly request you to reject this application taking the above into consideration.

Dear sirs,

I refer to the Licensing Application at the above address.

I would like to submit my objection to the application. As a local resident, Father of kids who are passing the park daily, I see this would undermine the safety in our neighbourhood and local park. I appreciate the necessity of these facilities in every area, surely we can all agree that a recreational park is a place where children and adults alike should feel safe.

The grant of a license would result in higher crime and public nuisance due to the nature of location this application was made to. It will also undermine public safety.

I kindly request you to reject this application taking the above into consideration.

Dear sirs,

I refer to the Licensing Application at the above address.

I would like to submit my objection to the application. As a local resident, Father of kids who are passing the park daily, I see this would undermine the safety in our neighbourhood and local park. I appreciate the necessity of these facilities in every area, surely we can all agree that a recreational park is a place where children and adults alike should feel safe.

The grant of a license would result in higher crime and public nuisance due to the nature of location this application was made to. It will also undermine public safety.

I kindly request you to reject this application taking the above into consideration.

Dear sirs,

I refer to the Licensing Application at the above address.

I would like to submit my objection to the application. As a local resident, Father of kids who are passing the park daily, I see this would undermine the safety in our neighbourhood and local park. I appreciate the necessity of these facilities in every area, surely we can all agree that a recreational park is a place where children and adults alike should feel safe.

The grant of a license would result in higher crime and public nuisance due to the nature of location this application was made to. It will also undermine public safety.

I kindly request you to reject this application taking the above into consideration.
