### APPLICATION PREMISES

NAME & ADDRESS OF PREMISES	U7 Lounge Unit 7, 2-4 Orsman Road N1 5QJ
NAME OF APPLICANT	U7 Ltd

### COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The applicant has sought a new premises licence to operate the premises as a licensed bar within the locality. The current premises licence permits the sale of alcohol with a substantial table meal.

The Licensing service reviewed the existing premises licence in October 2020. The review application was based on local resident complaints and failure by the licensee to comply with the premises licence. The operators of the premises failed two test purchases of alcohol, condition 31 of the existing premises licence requires a table meal to be served with alcohol.

*“31. Intoxicating liquor shall not be sold, supplied or consumed otherwise than to persons who are taking a substantial meal from the menu and that the consumption of alcohol by such persons is ancillary to taking such meals. The supply of alcohol shall be by waiter/waitress service only.”*

Condition 31 or a similar condition has not been reproduced in the proposed conditions set out in the application.

Whilst the applicant for the licence in this instance is a limited company, it should be noted that the sole director of the said company is the same licensee named on the existing (revoked) premises licence. This information is publicly available on the Companies House website. The relevant web pages have been appended to this representation.

Given the operators track record and previous complaints from local residents, the licensing authority are concerned that the proposed application will lead to further resident complaints. This in turn could place the prevention of public nuisance licensing objective at risk of being undermined.

A redacted copy of a representation submitted by a local resident during the review application has been appended.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Further discussion with the applicant may be required, the Licensing Authority is happy to discuss the application with the applicant.

To: <kam.adams@hackney.gov.uk>  
Cc: [REDACTED]

Dear Councillor Adams,

I am writing to you regarding my concerns with the issues and anti-social behaviour of, [Unit 7, 2-6 Orsman Road, N1 5FB](#), which has applied for a licence variation. It is also subject to a licence review by the Licensing Authority on 01/10/2020.

Since obtaining a license for the premises, in December 2017, the owner has used the premises as a bar/nightclub, operating irresponsibly and with no consideration to the local community, regularly breaching the Planning regulations and Licencing agreements; opening later than the license permits; altering the space inside and outside without submitting any planning consent. Every time there is an event there are always disturbances that have resulted in the local community getting the support of the Hackney Environmental Team and the police to deal with the disturbances.

The last event on 11/12<sup>th</sup> September 2020, resulted in the police being called to come and stop the event at 1.30am. However, even after the premises had been shut the customers continued to party outside till 4am, which ended in a fight on Orsman Road and people being chased up Kingsland Road. There was an added concern for the neighbours that there was no social distancing being maintained inside or outside.

The premises and how it has been managed has had a very negative impact on the local neighbourhood the bar & nightclub being pushed onto the community has not had a positive impact.

I am a resident of Orsman Road, and have been for over 20 years and I have seen the positive impact of the changes in the community by the developments in the neighbourhood, but this Unit and how it has been mismanaged has continued to erode the positive changes and has had a very negative impact on everyone in the local community and all the local businesses. I strongly believe that renewing this license would suggest to the owner that the way in which the premises has been managed is okay and to be encouraged to continue. This would put an enormous strain on the already fractious relationship the owner has with the surrounding community and I think the residents would find it extremely hard to live with.

I am asking if you would be so kind as to share my concerns at the license review as unfortunately, I will be unable to attend due to my work commitments

(I have copied in another resident who also has similar concerns with the premises and the license review)

kind regards
