# Public Attendance

The Town Hall is not presently open to the general public, and there is limited capacity within the meeting rooms. However, the High Court has ruled that where meetings are required to be 'open to the public' or 'held in public' then members of the public are entitled to have access by way of physical attendance at the meeting. The Council will need to ensure that access by the public is in line with any Covid-19 restrictions that may be in force from time to time and also in line with public health advice.

Those members of the public who wish to observe a meeting are still encouraged to make use of the live-stream facility in the first instance. You can find the link on the agenda front sheet.

Members of the public who would ordinarily attend a meeting to ask a question, make a deputation or present a petition will be able to attend if they wish. They may also let the relevant committee support officer know that they would like the Chair of the meeting to ask the question, make the deputation or present the petition on their behalf (in line with current Constitutional arrangements).

In the case of the Planning Sub-Committee, those wishing to make representations at the meeting should attend in person where possible.

**Regardless of why a member of the public wishes to attend a meeting, they will need to advise the relevant committee support officer of their intention in advance of the meeting date. You can find contact details for the committee support officer on the agenda front page.** This is to support track and trace. The committee support officer will be able to confirm whether the proposed attendance can be accommodated with the room capacities that exist to ensure that the meeting is covid-secure.

**As there will be a maximum capacity in each meeting room, priority will be given to those who are attending to participate in a meeting rather than observe.**

Members of the public who are attending a meeting for a specific purpose, rather than general observation, are encouraged to leave the meeting at the end of the item for which they are present. This is particularly important in the case of the Planning Sub-Committee, as it may have a number of items on the agenda involving public representation.

## Before attending the meeting

The public, staff and councillors are asked to review the information below as this is important in minimising the risk for everyone.

**If you are experiencing covid symptoms, you should follow government guidance. Under no circumstances should you attend a meeting if you are experiencing covid symptoms.**

Anyone experiencing symptoms of Coronavirus is eligible to book a swab test to find out if they have the virus. You can register for a test after checking your symptoms [through the NHS website](#). If you do not have access to the internet, or have difficulty with the digital portals, you are able to call the 119 service to book a test.

If you're an essential worker and you are experiencing Coronavirus symptoms, you can apply for priority testing through GOV.UK by following the [guidance for essential workers](#). You can also get tested through this route if you have symptoms of coronavirus and live with an essential worker.

Availability of home testing in the case of people with symptoms is limited, so please use testing centres where you can.

**Even if you are not experiencing covid symptoms, you are requested to take an asymptomatic test (lateral flow test) in the 24 hours before attending the meeting.**

You can do so by visiting any lateral flow test centre; details of the rapid testing sites in Hackney can be found [here](#). Alternatively, you can obtain home testing kits from pharmacies or order them [here](#).

You must not attend a lateral flow test site if you have Coronavirus symptoms; rather you must book a test appointment at your nearest walk-through or drive-through centre.

Lateral flow tests take around 30 minutes to deliver a result, so please factor the time it will take to administer the test and then wait for the result when deciding when to take the test.

If your lateral flow test returns a positive result then you must follow Government guidance; self-isolate and make arrangements for a PCR test. Under no circumstances should you attend the meeting.

## Attending the Town Hall for meetings

To make our buildings Covid-safe, it is very important that you observe the rules and guidance on social distancing, one-way systems, hand washing, and the wearing of masks (unless you are exempt from doing so). You must follow all the signage and measures that have been put in place. They are there to keep you and others safe.

To minimise risk, we ask that Councillors arrive fifteen minutes before the meeting starts and leave the meeting room immediately after the meeting has concluded. The public will be invited into the room five minutes before the meeting starts.

Members of the public will be permitted to enter the building via the front entrance of the Town Hall no earlier than ten minutes before the meeting is scheduled to start. They will be required to sign in and have their temperature checked as they enter the building. Security will direct them to the Chamber or Committee Room as appropriate.

Seats will be allocated, and people must remain in the seat that has been allocated to them.

Refreshments will not be provided, so it is recommended that you bring a bottle of water with you.

# ADVICE TO MEMBERS ON DECLARING INTERESTS

Hackney Council's Code of Conduct applies to **all** Members of the Council, the Mayor and co-opted Members.

This note is intended to provide general guidance for Members on declaring interests. However, you may need to obtain specific advice on whether you have an interest in a particular matter. If you need advice, you can contact:

- The Director of Legal and Governance Services
- The Legal Adviser to the committee; or
- Governance Services.

If at all possible, you should try to identify any potential interest you may have before the meeting so that you and the person you ask for advice can fully consider all the circumstances before reaching a conclusion on what action you should take.

## 1. Do you have a disclosable pecuniary interest in any matter on the agenda or which is being considered at the meeting?

You will have a disclosable pecuniary interest in a matter if it:

- relates to an interest that you have already registered in Parts A and C of the Register of Pecuniary Interests of you or your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner;
- relates to an interest that should be registered in Parts A and C of the Register of Pecuniary Interests of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner, but you have not yet done so; or
- affects your well-being or financial position or that of your spouse/civil partner, or anyone living with you as if they were your spouse/civil partner.

## 2. If you have a disclosable pecuniary interest in an item on the agenda you must:

- Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you (subject to the rules regarding sensitive interests).
- You must leave the room when the item in which you have an interest is being discussed. You cannot stay in the meeting room or public gallery whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision.
- If you have, however, obtained dispensation from the Monitoring Officer or Standards Committee you may remain in the room and participate in the meeting. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a pecuniary interest.

### 3. Do you have any other non-pecuniary interest on any matter on the agenda which is being considered at the meeting?

You will have 'other non-pecuniary interest' in a matter if:

- i. It relates to an external body that you have been appointed to as a Member or in another capacity; or
- ii. It relates to an organisation or individual which you have actively engaged in supporting.

### 4. If you have other non-pecuniary interest in an item on the agenda you must:

- i. Declare the existence and nature of the interest (in relation to the relevant agenda item) as soon as it becomes apparent to you.
- ii. You may remain in the room, participate in any discussion or vote provided that contractual, financial, consent, permission or licence matters are not under consideration relating to the item in which you have an interest.
- iii. If you have an interest in a contractual, financial, consent, permission or licence matter under consideration, you must leave the room unless you have obtained a dispensation from the Monitoring Officer or Standards Committee. You cannot stay in the room or public gallery whilst discussion of the item takes place and you cannot vote on the matter. In addition, you must not seek to improperly influence the decision. Where members of the public are allowed to make representations, or to give evidence or answer questions about the matter you may, with the permission of the meeting, speak on a matter then leave the room. Once you have finished making your representation, you must leave the room whilst the matter is being discussed.
- iv. If you have been granted dispensation, in accordance with the Council's dispensation procedure you may remain in the room. If dispensation has been granted it will stipulate the extent of your involvement, such as whether you can only be present to make representations, provide evidence or whether you are able to fully participate and vote on the matter in which you have a non pecuniary interest.
