COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 2) Public safety ◆
- 3) The prevention of public nuisance ◆
- 4) The protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police submit the following representations for the premises licence variation at 8 Stoke Newington Road.

This venue is situated on a busy main road with a mix of both residential and commercial premises. The venue is also situated within the Dalston Special policy area, the boundaries of which are defined in the London Borough of Hackneys statement of licensing Policy 2018-2023. This policy area was applied with the aim of managing the growth of licensed premises. The area has seen a rapid increase in the amount of licensed premises over the past few years and the footfall has increased alongside it, resulting in increasing incidents of alcohol related crime, ASB and disorder.

The applicant is seeking an extra hour on each which if granted that would allow for the supply of alcohol Sunday – Thursday until 0100hours and on Friday and Saturdays until 0300hours. The existing hours that the venue already benefit from exceed those core hours as laid out in LP3 of the statement of licensing policy

LP10 of LBH’s Statement of Licensing policy states that any applicant will need to demonstrate that it will not add to the cumulative impact in the area. It is noted that despite being situated within the special policy area and seeking to extend hours further past the core hours the applicant has not made any reference to the policy nor have they provided any evidence or information detailing how they intend to operate without negatively adding to the cumulative impact.

The application also makes reference non standard hours on specific days but does not specify any hours for these dates. Police would ask that nonstandard hours are not granted for this licence and instead the applicant make use of temporary event notices so any events can be appropriately risk assessed.

It is of concern that should this variation for an extension of hours be granted it will undermine the licensing objectives namely crime and disorder and public nuisance

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Signed PC 1505CE ATKINS (By E-mail)

The current management has exhibited particularly poor conduct in relation to the licensable activities sought at these very late hours demonstrating reckless disregard for the licensing objectives and adding to the cumulative impact of such premises in the locality.
