- 6.4 The Annual Report of the Committee evidences the work that the Committee has undertaken and demonstrates that it has discharged its responsibilities effectively both in terms of its legal responsibilities under the LGPS Regulations and the Committee's Terms of Reference.
- 6.5 The coming year will continue to provide the Committee with an extensive work programme which includes work on the continued implementation of its investment strategy following its refresh during 2020/21 and its ambitions to reduce its exposure to fossil fuel reserves and focus on other areas of responsible investment. The Committee will consider its progress towards meeting its current carbon exposure target and the development of a new target for the future. The Committee will also continue to closely monitor the quality of membership data submitted to the Fund, with ongoing work for officers on process improvements within the Council. A number of policy reviews will also be undertaken to update current arrangements.
