Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:

Background Information, and supporting Document to accompany premises licence variation

On Tiger Bar, Wick Road, Hackney, London E9 5AF.

3rd December 2021

1. This document is an outline of the proposal for the variation to the licensed premises at Tiger Bar, Wick Road, Hackney, London E9 5AF, with background information to support the application. The premises has been trading as a licensed premises for many years and had a licence extending way back to before 2003 with “ Grandfather rights”. It has a premises licence which permits regulated entertainment, and to serve alcohol and late night refreshments, and is not in a special policy area.
2. The premises has been run as Tiger Bar successfully and safely, for over many years, by Ahmet Menkli. He is very experienced, and has successfully run other similar bars in Hackney.
3. This present variation is to slightly extend the opening hours of the premises to 04.00 am on Friday and Saturday nights and to 01.00 am on Sunday to Thursday nights, and with half an hour drink up time , so all serving of alcohol and regulated entertainment to finish half an hour before closing times. There is no increase in capacity, the premises, as a result of this variation.
4. There is also an application to remove condition 25 which restricts the use of the first floor function room to pre-booked events only . The application is to use the first floor function room to be licensed to the same hours and operating schedule as the ground floor bar.
5. There have been no complaints or issues with residents about the premises over the last four years. There have been no issues with the Police, the Licensing Department, or the Noise Team, for many years. The function room particularly has proved to be popular and with no issues; removing condition 25 will enable the premises to offer more employment to local experienced and qualified people, and act as a boost to the economy and help the hospitality trade.
6. After careful consideration the management have decided to continue with the steady improvement and a measured approach to the business, after many requests from customers to be allowed to stay for later hours and also to use the function room without pre booking, and always in a responsible manner. The management team will also carefully review the security and management policy and consider any improvements that may further reduce any possible disturbance to the minimum.
7. Informal discussions will be held with Local Residents, the Licencing officers, Police and Noise team officers to discuss these proposals, and the Premises management expect to receive a favourable initial response, with discussion about the details of any requested security improvements or other details. The premises has been successfully and safely run over many years without any issues, and in particular the CCTV system is to be completely upgraded over the next few weeks in preparation for this application. In conclusion it is considered that there will be no significant impact from this proposal given the lack of increase in capacity and relatively few customers permitted to use the premises. However any comments on the proposals of this variation will be gratefully considered.

- 4) The protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police submit the following representations for the premises licence variation at The Tiger Wick Road.

This application seeks to extend hours for the Supply of Alcohol, Live music, Recorded Music and performance of dance until 0330hours on Fridays and Saturdays and until 0030hours on Sunday –Thursday with an extra 30 minutes until closing to allow half an hours drinking up time.

The applicant is also seeking to remove condition 25 from the current licence which prohibits the use of the first floor function room save for pre-booked events.

This venue already benefits from hours that exceed the core hours as laid out in LP3 of the LBH Statement of licensing policy and this application if granted would further exceed those hours.

The venue is situated on a busy junction in that is a mix of both commercial and residential premises which many of the roads that lead away from the premises being residential in nature. The applicant has offered a number of items within their operating schedule which police would like to address. The applicant has stated that there is no application to increase the capacity of the venue. However with the removal of the condition there is likely to see an increase in the use of the function room which whilst may not increase the overall capacity it will likely see the venue used more frequently by an increased number of persons.

The applicant has also referenced good public transport. Whilst there is a bus stop opposite the venue this is serviced by only one night bus. There are two train stations within a short distance however these would see customers walking through residential areas and these only provide daytime services and will not be running at the proposed closing time. Police are therefore concerned about the dispersal from the premises should the application be granted.

Police are concerned that the granting of this variation would undermine the licensing objectives namely crime and disorder and public nuisance

Police look forward to hearing from the applicant to discuss this application further.

The above representations are supported by the following evidence and information.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

COMMENTS

I make the following relevant representations in relation to the above application for a premises licence at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance x
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

I write in relation to the application to vary the existing premises licence.

The proposed extended hours of operation are a concern given the amount of residential premises in the immediate vicinity. The premises has a prominent setting on a busy junction but it is expected that the volume of traffic and therefore ambient noise levels would drop off in the early hours of the morning.

The applicants' attention is drawn to LP3 (Core Hours) which states:

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks.

Whilst it is noted that the existing hours are already beyond those set out in LP3 (Core Hours), the application lacks detail of any potential risks that may arise and how these will be mitigated. Such risks may include:

- The impact of patrons arriving or leaving the site beyond the existing hours of 02:00
- The removal of the restriction on the 1st floor function room

The above representations are supported by the following evidence and information.

The Licensing Act 2003, guidance issued by the Home Office under s182 of the Licensing Act 2003

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

I am writing on behalf of the three Hackney Wick Councillors to express our concerns about the extended hours of opening proposed by the Tiger on Wick Road as set out below:

Application for variation of premises licence for live music, recorded music, Performance of dance, anything of similar description from 11:00 to 00:30am Sun to Thurs and from 11:00 to 03:30am Fri and Sat, to extend supply of alcohol till 00:03am Sun to Thurs and till 03:30am Fri and Sat and to remove condition 25.

We believe these hours, especially the serving of alcohol to 3.30am on Friday and Saturday, are likely to cause significant disturbance to local residents, not least as the 'performance of dance' is also included in the application. Together these proposals in effect would turn the pub into a club at the weekend and undermine our overall approach to licensing policy.

It is also important to note that there are already a large number of complaints associated with people leaving Habbots Bar at [331 Wick Road](#) where hours are not as extended. In the case of the Tiger the neighbouring community is located even closer and in greater numbers.

Yours sincerely

Councillors Nick Sharman, Chris Kennedy and Jess Webb

Tiger Pub variation of premises license - representation against

1 message

To: licensing@hackney.gov.uk

Hello Hackney licensing,

The Tiger is just a few minutes walk from my house and in a quiet, residential area. Most of the time it is a pleasant pub that only causes us problems on the occasions it is open late at night. The increased hours will change that. It will become a place of constant nuisance and disorder.

Noise - The noise generated by drunken revellers spilling out until 12.30 am all week and to 3.30am on Friday and Saturday will disturb our sleep and keep us awake until much later after they have disbursed.

Disorder and public nuisance - Already we have people urinating against the walls and this will increase with the increased amount of alcohol drunk. Then there is the vomiting, broken glass and NOS canisters that litter our streets after late nights at the Tiger. We don't want that kind of danger to our safety or potential crime in our streets everyday. Wick Mews (91 to 101 Kenworthy Road) is particularly attractive this kind of behaviour.

The lack of public transport available at this time of night means there will be taxis coming and going for several hours into the early hours in Wick Road, Kenworthy Road, Benn Street and Bushberry Road.

Crime and Public Safety - I don't want The Tiger turned into another Dolphin, closed by the police due to violence.

Yours sincerely,

Benn Street

Dear Sirs/Madam

As a resident of Bushberry road I object to the application for extended hours. This will cause even more traffic and parking issues and excessive late night noise on the residential roads adjacent to The Tiger pub predominantly affecting Bushberry and Benn street- we already have people urinating and littering in our street after closing & drunken shouting as people loiter and lean on our garden walls before heading home..

As a resident that has to wake up for work at 5am including weekends this will also impact on my sleep and affect my peaceful enjoyment of my home.

yours faithfully

Tiger E9 Variation Representation

To: Licensing <licensing@hackney.gov.uk>

Dear Hackney Licensing,

I write to object to the variation application by Tiger E9 on the grounds that it is not consistent with the licensing objectives.

Prevention of Public Nuisance

The hours requested are bound to cause a public nuisance to local residents trying to sleep. Public transport is not available in the area beyond midnight except for buses so there would be a lot of minicabs making noise as people try to get home, or try to find somewhere open even later in the night / morning.

These hours are contrary to Hackney Licensing Policy. The applicants can not show that these hours - well beyond the core hours - will not risk undermining the licensing objectives.

Prevention of crime and disorder

Tiger E9 boast that they are sister to the notorious Dolphin on Mare Street which is, as I understand it, currently closed at the request of the police following an incident of violence.

The location is away from the natural nightlife areas and will be impossible to police effectively.

Please keep me informed about the progress of this application.

With kind regards
