Motorcycle parking permits review

Summary and recommendations - Cabinet paper

January 2021

1. PURPOSE/BACKGROUND

The purpose of the project is to consult on introducing parking permits for motorcycles, bringing it in line with other vehicles which have emissions-based permits as well as introducing lockable stands in motorcycle bays.

The proposed introduction of emissions-based parking permits for motorcycles is designed to encourage people to switch to less polluting vehicles or more sustainable forms of transport. Introducing lockable stands for motorcycle bays aims to improve security for those that need to ride.

A schedule of a 12-week consultation period was set with a proposed budget of £30,366.25. However the 12-week period was extended for a further 12-weeks due to the lockdown measures put in place by the Government due to the coronavirus pandemic.

2. REPORT SCOPE

The scope of the risk analysis report is to calculate and present the cost and schedule contingencies at an appropriate level.

2.1 Project scope

- Carry out a 12-week consultation with both internal and external stakeholders with no limitations on a possible extension.
- Carry out a consultation using a budget of £30,366.25 with an allowance of +10%.

3. RISK ANALYSIS RESULTS

A number of risks were identified throughout the consultation period which took place for a total period of 24 weeks.

3.1 Risk and issue log

A risk and issue log was created which identified several risks to the project and issues which were mitigated accordingly. Please see appendix one.

A summary of the main risks identified are as follows:

Due to a national lockdown imposed by the Government because of the coronavirus pandemic, the following measures were taken:

- The consultation was extended for a further 12 week period
- Nine drop-in sessions were cancelled and virtual drop-in sessions were carried out.

This had an impact on the time taken to complete the project and cost of the project.

3.2 Cost risk analysis

An initial budget of £30,366.25 was set for the project and an actual cost of £19,029.23 was spent. However due to the extension of the consultation there was an additional cost of £9,026.60 which is still below the initial budget. Please see appendix two for the financial risk log.

3.3 Schedule risk analysis

On 16 March 2020, the Government announced a national lockdown which meant that a decision was made to extend the consultation period.

Although the consultation carried on, the Council saw the need to extend it to give everyone more time to provide their feedback whilst adjusting to the new measures imposed nationally. Details of the government announcement in relation to the COVID-19 can be found in appendix 3.

4. SUMMARY

Overall, the consultation was a success and whilst the lockdown measures posed a threat, neither it nor the other risks identified had an adverse effect on the project.

COVID-19 CHRONOLOGY

COVID-19 Chronology				
Date	Start date	End date	Government advice	Councils response
30/03/2020	16/03/2020	17/03/2020	During his first daily press briefing, the Prime Minister (PM) Boris Johnson urges everybody in the UK to work from home and avoid pubs and restaurants to give the NHS time to cope with the pandemic.	Council asked all staff members to trial working from home (WFH) for a week and log any issues identified in order to prepare for when all staff are required to WFH.
30/03/2020	18/03/2020	Until further notice (UFN)	The government announces most schools across England will be shut down from Friday until further notice.	All staff except for frontline service staff to continue WFH until further notice.
30/03/2020	20/03/2020	UFN	PM Boris Johnson orders all pubs, restaurants, gyms and other social venues across the country to close their doors for the foreseeable future.	All staff except for frontline service staff to continue WFH until further notice.
10/08/2020	23/03/2020	UFN	The UK public is told that they will only be allowed to leave their homes for limited reasons, including food shopping, exercise once per day, medical need and travelling for work when absolutely necessary. All shops selling non-essential goods are told to close, gatherings of more than two people in public are banned, events including weddings - but excluding funerals - are cancelled.	All staff except for frontline service staff to continue WFH until further notice.
10/08/2020	24/05/2020	UFN	PM Boris Johnson confirms there will be a phased reopening of England's primary schools.	All staff except for frontline service staff to continue WFH until further notice.

10/08/2020	25/05/2020	UFN	<p>PM Boris Johnson announces plans for shops across England to open in June if they can meet the coronavirus guidelines to protect shoppers and workers. Outdoor markets and car showrooms could open from 1 June and all other non-essential retailers - such as those selling clothes and books - will be allowed to open from 15 June, provided the government's five tests are met.</p>	<p>All staff except for frontline service staff to continue WFH until further notice.</p>
10/08/2020	01/06/2020	UFN	<p>Lockdown measures are eased, with school children in England in Reception, Year 1 and Year 6 returning to the classroom.</p>	<p>All staff except for frontline service staff to continue WFH until further notice.</p>
10/08/2020	15/06/2020	UFN	<p>England's retail parks, high streets and shopping centres welcome customers, while zoos and safari parks open their doors for the first time since March. Places of worship reopen for private prayer while some secondary school pupils have begun returning to their classrooms.</p>	<p>All staff except for frontline service staff to continue WFH until further notice.</p>
10/08/2020	17/07/2020	None	<p>PM Boris Johnson eases the work-from-home guidance as he sets out plans for a "significant return to normality" in England from as early as November.</p>	<p>All staff except for frontline service staff to continue WFH until further notice.</p>
