Dear Consultee,

**REVIEW OF SOUTH SHOREDITCH CONSERVATION AREA
COMMUNITY CONSULTATION**

Hackney Council has undertaken a detailed review of the existing South Shoreditch Conservation Area and is consulting on a Draft South Shoreditch Conservation Area Appraisal and Management Plan. It is also proposing several small extensions to the conservation area boundary, which are considered to be of special architectural and historic interest. You are receiving this letter as your property falls within the proposed conservation area boundary.

Before determining whether to extend the South Shoreditch Conservation Area, Hackney Council is undertaking a 28 day public consultation between **2nd and 30th June 2021** to seek the views of residents, landowners and other interested stakeholders. All responses will be carefully considered before a final decision is made.

How to find out more information and have your say?
