		<p>Reasons for the decision</p> <p>The application has been approved for the supply of alcohol for consumption off the premises, with the above additional conditions, as the Licensing sub-committee was satisfied that the licensing objectives would not be undermined.</p> <p>The sub-committee took into consideration that Environmental Enforcement had withdrawn their representations, and agreed conditions with the applicant in advance of the hearing. It was noted that apart from the Metropolitan Police no other Responsible Authorities made representations.</p> <p>The Metropolitan Police maintained their objection to the application due to concerns about street drinking, and anti-social behaviour in the area. It was noted that the applicant has a short Lease on the premises for less than 12 months, however, they have applied for a full alcohol licence. The Metropolitan Police had concerns that anyone taking over the licence after three months will not know the area, and will not have the same business model.</p>

The Licensing sub-committee was satisfied that the licensing objectives would not be undermined in the Dalston Special Policy Area (SPA).</p> <p>During the hearing the application that was put forward for consideration by the Licensing Sub-Committee was significantly changed from the application that was originally advertised and applied for. Accordingly the Applicant withdrew the sections of the application as indicated above.</p> <p>The Licensing Sub-Committee felt that if the Applicant should decide to re-apply he should take on board the representations made by the Other Persons (local residents) in advance of the hearing so that the Applicant could try to resolve and respond to the issues raised as far as possible.</p>

		Having taken the above factors into consideration the Licensing sub-committee was satisfied, when partially granting the application, that the licensing objectives would continue to be promoted in the Dalston SPA.
