Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at KOYA KO, 11-12 BROADWAY MARKET MEWS, LONDON, E8 4QJ for the following reason(s);

This premises is on a very busy pedestrianised street which is lined both sides with licensed premises. This application seeks a premises licence for the sale of alcohol on and off the premises at a Japanese Noodle Restaurant.

Broadway Market is always a very popular destination for the public to visit, both by local residents and visitors from other parts of the country. Police and the local authority regularly receive complaints from the local residents in relation to the noise, littering and ASB in the area, as groups tend to gather outside many of the venues and consume alcohol in the street and the nearby park.

During the Coronavirus COVID-19 pandemic, Broadway Market has regularly featured in the National News as large groups of people have gathered to socialise and drink on the street, causing concern for the authorities and local residents alike. This has inevitably caused vast amounts of litter to be left behind and several reported incidents of disorder, ASB and complaints from residents.

Police have contacted the applicant and proposed the following amendment to Condition 3 on the list of conditions submitted with the application;

3. Alcohol shall not be sold, supplied or consumed otherwise than to persons having a substantial meal from the menu. The supply of alcohol shall be waiter/waitress service only.

Police feel that due to the issues being experienced in this area at the moment, this condition would assist in the prevention of further ASB in the area and in turn also prevent the undermining of the licensing objective relating to the prevention of crime and disorder.

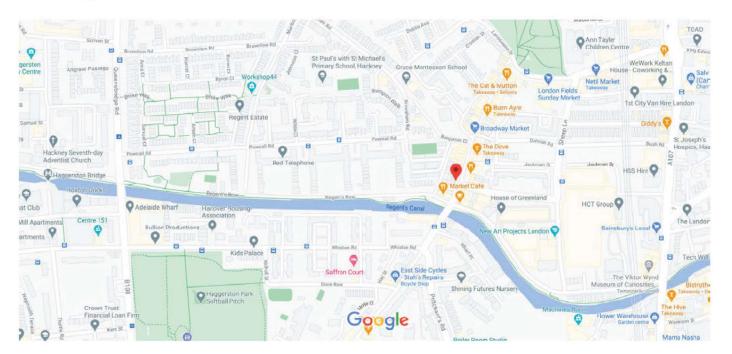

Police are expecting to hear back from the applicant soon, and have submitted these representations due to the time constraints of the application process.

Police look forward to hearing from the applicant soon.

Γhe al	bove representations are supported by the following evidence and information
	e there any actions or measures that could be taken to allay concerns or jections? If so, please explain.
