Dear David,

Thanks for taking time to talk to me last week. After talking to you and Kerrie we met and discussed tightening up operations from the previous Halloween weekend. Halloween is the busiest weekend of the year for Blondies and it is clear a bit of fatigue slipped into the operation near shift end. We had a positive conversation and I attach a letter for your perusal. Blondies are obviously stung by the criticism but are determined to show lessons were learned and have devised a plan which hopefully you would have seen big improvement the last weekend and next if you visit. I also attach a Noise Impact Survey which has additional conditions agreed with EHO regarding noise nuisance. We hope we can agree similar technocratic solutions to address Met Police reservations.

Please let me know your thoughts about our proposal.

Kind regards

Liam

Dear David,

Apologies for the tardy response but Blondies have just shared your rep with me this afternoon, I think your response may have been in spam. I am Blondies licensing agent and would be very keen for you to read our response to your representation as well as review our operation policies and comment at your earliest convenience.

Kind regards

Liam O'Hare
