1. BACKGROUND

1.1 The School Governance Constitution (England) Regulations 2012 (the Constitution Regulations) require that for each maintained school the Governing Board has one Local Authority Governor (LA Governor). LA Governors are nominated by the Local Authority and appointed by the Governing Board. The Governing Board must provide the Local Authority with eligibility criteria for a vacant LA Governor position. These must include the credentials and skills candidates should possess. The school may wish to put forward an individual to be considered by the Local Authority for nomination. The Governing Board decides first if the proposed candidate meets the specified criteria and is eligible to be an LA Governor. The Local Authority then nominates the candidate. The Governing Board then appoints the nominee at a meeting of its full Governing Board. Once appointed, LA Governors must govern in the interests of the school.
