4.	Questions from the Public CK stated there are no logged questions from the public.

5. Vaccination Programme Update

Ben Greenbury, (BG) presented a document with slides and gave an update on the vaccination uptake and the outreach work that is taking place in City and Hackney.

BG updated on the data, giving a high level overview of achievements over the last few months and high-level work. The current situation was now that 64% of the 12+ local population had received a first dose, and 58% a 2nd dose. We are at 40% on boosters.

There is still work to be done for vulnerable population priority group trends for 75yrs and over and a huge amount of work was taking place. Patients are being contacted to attend vaccination clinics, with practices calling patients over 75yrs old and 500 people had been vaccinated two weeks later. In the last two weeks 2871 local people were vaccinated and the last week increased slightly to 3400. BG flagged that the last few weeks had started to see a reduction for boosters and 3rd doses.

BG stated we continue as a programme to target the most vulnerable residents, SOAs and ward ethnicities and health inclusion groups with lowest levels of uptake.

Progress had been made over the last month in outreach targeting, with a clinic being stood up at the beginning of January with a vaccination trailer outside Liverpool street station, three clinics have been taken place with 157 people vaccinated over the three events which was very well received, there's also been an ongoing weekly provision in clinic at the Boots Liverpool street pharmacy, the uptake last week was around 30 the feedback receiving from the leads pharmacists at Boots Liverpool street is the last date is likely to be 17th February for this clinic.

There was an event for the orthodox Jewish community at Biala synagogue where 127 people were vaccinated. There were separate events for males and females.

Spring Hill clinics have been a success over the past 3 months, 50 a week vaccinated in this clinic these will be continuing through till end of March.

BG stated there are three outreach clinics taking place this week for children and young people at various schools and colleges. All schools been offered in school vaccination clinic for 12 - 17yr olds and staff between 21st February and Easter holidays. The Children and Young People (CYP) team from the council and education are working closely and to date, 13 schools had taken up the offer.

BG stated in terms of homeless and rough sleepers, outreach clinics had been held at Greenhouse practice, Charter Lane and also clinics at Church Walk had taken place for sex workers and the homeless community, with further sites being scoped for future clinics. BG stated these are being risk assessed and that the inclusion of these groups, and other groups continue to be a big priority for the programme.

Briding hotels for the Afghanistan refugees were working very closely with vaccinations partners at the local vaccinations' sites in City and Hackney and the community organisations Bangla housing and Paiwand to get the final people vaccinated. 64 residents had been booked in for vaccinations that includes the 12-15yr olds.

Springhill clinics continue in Feb and March including 12-15yr old on 13th Feb and there are 3 outreach clinics taking place in Portsoken Ward in the City on 17, 18th and 19th February in Mansell St Estate and 2 in clinics in Turkish Cypriot community one on 15th Feb and one on 18th Feb.

Children and young people are being seen in school clinics delivered by East London Foundation Trust (ELFT). Also, the programme is in the process of onboarding 3 charity organisations to support uptake for 12-15yr olds, starting work in the next week. There will be mop up clinics with the Bridging hotels for Afghanistan refugees when people become eligible for 2nd doses and boosters.

CK expressed thanks for the offer for ward members and data sessions, highlighting that Olga's kit had been very well received.

HP stated BG is doing excellent work and that the programme had been successful, however going forward it looks like activity will be going down, will there be a need to look at the model we provide?

BG stated there had been a vaccination steering group discussing this matter yesterday and that it was recognised that we are not in the heights of the peak at the moment. BG continued that the team were having a lot of involvement in the model and working with partners to assess this.

Deputy Mayor Antoinette Bramble (AB) asked a question on how to correlate data and asked whether the data reflected if someone had vaccinations somewhere else?

BG stated that when residents have their vaccinations in City and Hackney it would be recorded in local vaccinations clinics and in their GP records.

Dr Sandra Husbands (SH) stated figures are collected by vaccination sites as well despite the relatively low uptake compared to other parts of London and the country, vaccinations sites have been flat out and have been delivering vaccines to people who don't live in Hackney or registered in Hackney.

John Gieves (JG) expressed concern regarding the recent national u turn on NHS staff being compelled to be fully vaccinated from April 2022 and asked how that is impacting on people's interest in getting vaccinated. CK responded that there had been an announcement yesterday which wouldn't have impacted yet. SH commented there was a lot going on, when the Covid pass existed to access things, people were more motivated to get vaccinated due to legal requirements, however we don't know the uptake as yet. The teams continued to work on mandatory measures planned till end of March.

6.

Data Intelligence

Diana Divajeva (DD) set out the picture in City and Hackney in terms of new cases of Covid, setting out there is a huge decline, although still relatively high rates of COVID in City and Hackney. Delta incidence rate was much lower however we are not out of the woods yet but moving in the right direction. There were differences present across City and Hackney with variations in trajectory across wards, although most wards in Hackney had seen declines in rates.

DD stated that the public dashboard is available to access on the Hackney website.

DD set out that testing rates have been declining in case rates while positivity rates are low but fairly stable and hospital bed occupancy at Homerton hospital has been declining with low rates of serious COVID illnesses in hospital. The mortality rate was lower.

CK questioned vaccinations status for hospitalised and deaths asked if there was care data / statistics for this? DD responded she doesn't have that data / stats but the North East London (NEL) level was around 90% people in ITU unvaccinated.

CM questioned data for long COVID. DD responded there is a mis match on data where might have long COVID locally and vulnerable groups that received care.

Tony Wong (TW) questioned whether we have hospital data on which cohort that has COVID who are seriously ill. DD responded she doesn't have hospital data however will bring back to NEL group, looking at COVID deaths on death certificates which might be direct / indirect.

CM stated there is a high proportion still unvaccinated. Also seeing cases in maternity services, mothers unvaccinated requiring additional support in maternity services. Screening programme identifies COVID diminishing. Majority of the deaths at Homerton University Hospital was pre-vaccine. The numbers have been smaller over the last months.

7.	<p>Local Outbreak Control Plan Update</p> <p>CK briefed the LOCB that this item is more for information.</p> <p>SH raised that the LOCB itself may be able to be wrapped considering the changes in the national situation and that it may not be necessary to give this amount of time and scrutiny to this subject after March 2022.</p> <p>CK suggested an agenda item be added for the next LOCB meeting to consider the future of the meeting going forward, when more clarity should be available about wider regulations.</p> <p>AB questioned government restrictions on guidance around isolation, asking if there was local flexibility to respond to numbers of hospitalisation re: ventilation and put measures in place? SH stated that the team would respond to specific situations in the same way as to any other outbreak in terms of treatment. Non-pharmaceutical preventive measures were a much better place to advise on people what to do.</p> <p>AB thanked the Chair and SH for the measures in place, strategies and tools.</p> <p>CK asked about mask wearing recommendations in schools. SH stated there was useful constructive conversations with colleagues from the Department for Education (DfE) to discuss any concerns around outbreaks in schools.</p> <p>JG expressed that he was thinking about raising this matter in the risk register, noting that everyone tended to be assuming that the next variant is going to be milder than the Omicron virus, however this isn't guaranteed to be the case, another variant may be more serious. It will be useful to think about how we maintain readiness for that even though we are not acting on it immediately.</p> <p>SH stated thinking about that as a Health Protection Board and operational sense and multi-disciplinary partners about existing contracts how to have scalable operation intervention and what impact this will have on population and NHS pressures.</p> <p>SH noted that conversations are underway with colleagues with UK Health Security Agency (UKHSA) and Office for Health Improvement and Disparities (OHID), the two national public health bodies about what the next phase will be in terms of what structures and relationships we're going to have in the new public health infrastructure and what we do as local areas and what they are going to be doing nationally to be able to respond and scale up rapidly if necessary.</p>
8.	<p>Any Other Business and Reflections</p> <p>No further business was discussed.</p>
	<p>Next meeting: Thursday 10 March 2022</p>

North East London
Clinical Commissioning Group

Local outbreak board

C&H Covid vaccination update

10.03.2022

City and Hackney

C&H covid vaccination uptake by dose

Dose	Doses Delivered	% of eligible population vaccinated
1 st doses	192,030	64.6%
2 nd doses	175,923	59.1%
Boosters/3 rd doses	117,714	72%*

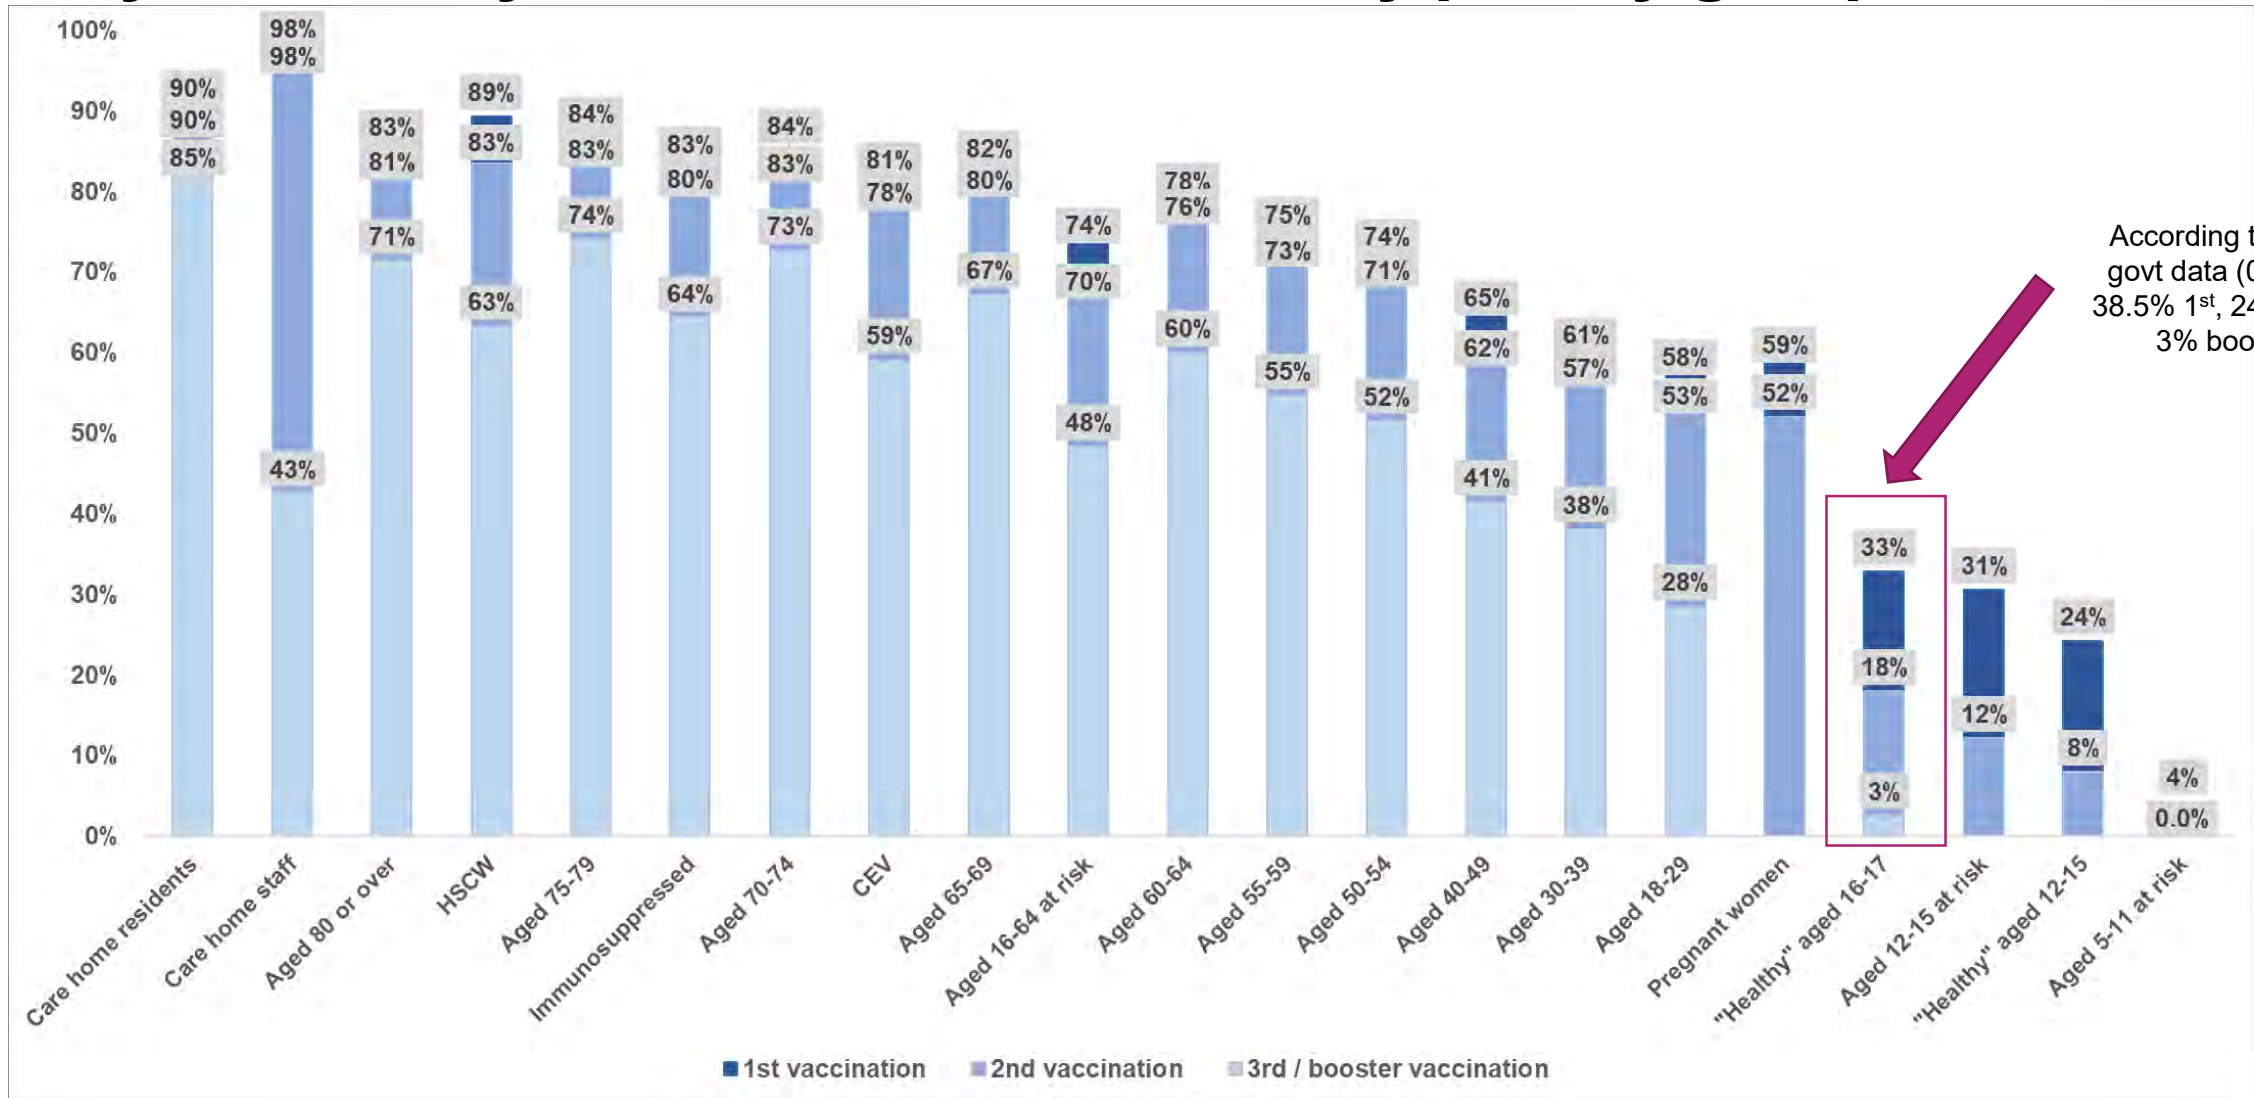

Notes:

- Denominator for 1st and 2nd doses for C&H is 297k, according to NIMs (this includes all cohorts: 12+)
- *72% uptake of booster/3rd doses by those eligible based on 2nd doses delivered. 39.6% of total 12+ population received booster/3rd dose.

Source:

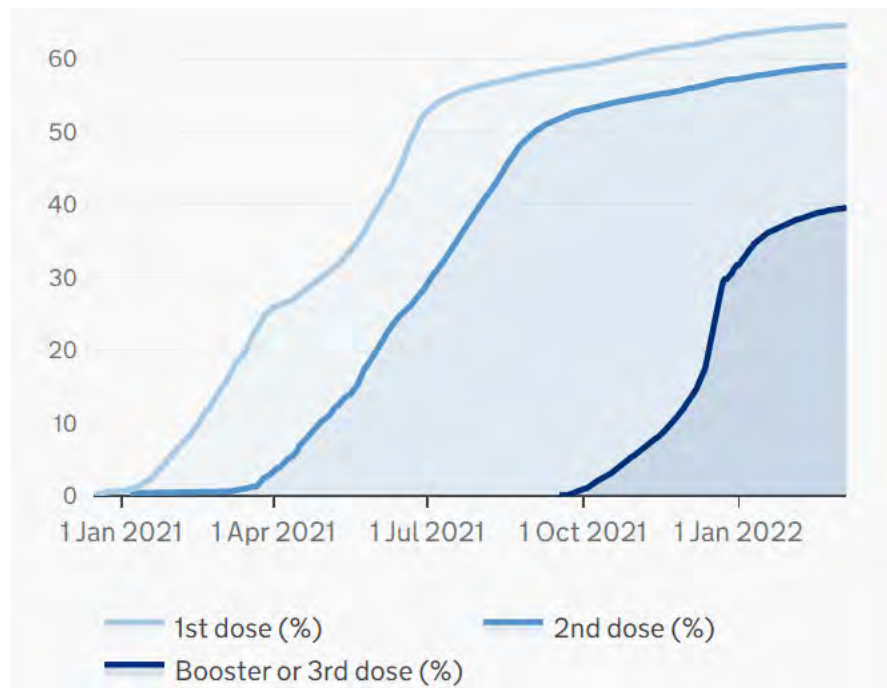

- NIMS – 08/03/2022
- [Vaccinations in Hackney and City of London | Coronavirus in the UK \(data.gov.uk\)](https://data.gov.uk/dataset/vaccinations-in-hackney-and-city-of-london)

City & Hackney COVID-19 vaccinations by priority group and dose

C&H vaccinations by week and dose (C&H residents)

In the latest week ending 5th Mar 2022, 230 residents received their first dose (-31%). 318 received their second dose (-27%). 732 received their third or booster dose (-29%).

Week ending	1 st dose	2 nd dose	Booster/3rd	Total
15th Jan	720	769	4,750	6,239
22nd Jan	612	793	2,817	4,222
29th Jan	554	768	2,343	3,665
5th Feb	424	630	1,807	2,861
12th Feb	369	573	1,561	2,503
17th Feb	310	471	1,286	2,067
26th Feb	334	433	1,026	1,793
5th Mar	230	318	732	1,280

Outreach work continues to target the most vulnerable residents and LSOAs, ethnicities and health inclusion groups with the lowest uptake

Achievements in the past month:

Outreach targeting low uptake geographies and ethnicities:

- 108 people vaccinated at Spring Hill Practice
- 42 people vaccinated in clinics supported by Halkevi and TCCA organisations
- 3 outreach clinics mobilised for Portsoken, 1 cancelled due to weather conditions. 11 vaccinated in total
- Hyperlocal approach adopted as the way forward for Q4 2021/2022 and Q1 2022/2023. Springfield and Hoxton West Wards have been identified as areas with lowest uptake to pilot this approach

Children & Young People

- **In-school c-19 vaccination clinics:** First clinic took place on 21st February in Cardinal Pole Catholic School. 14 12+ children were vaccinated. Nine further in-school clinics will take place during March
- **12-15 VCS Community Project mobilisation:** Currently mobilising project delivery for five community organisations (March-June delivery period). Blue Hut Youth & Community Club and Labernum Boat Club will hold the first 12+ clinics before the end of March to support the out of school offer. These sites have already been assured for clinics.

Health inclusion:

- Fortnightly clinics stood up for homeless and rough sleepers at Greenhouse Practice, St Sepulchre, Holiday Inn - Old Street,
- 38 residents vaccinated at the Apex London Bridging Hotels, 9, 1st dose, 10, 2nd dose and 19 Boosters
- Services that are in contact with homeless and rough sleepers are now handing out the Fast pass to vaccination clinics to encourage the most vulnerable to get vaccinated

Outreach work continues to target the most vulnerable residents and LSOAs, ethnicities and health inclusion groups with the lowest uptake

What's coming up in the month ahead?

Outreach targeting low uptake geographies and ethnicities:

- Hyper local approach plans for Springfield and Hoxton West developed which include:
 - Outreach clinics at Blue Hut Youth and Community Club, Labernum Boat Club, Turkish and Kurdish Saturday School, Grace Chapel for all nations, Springfield Club for Young People
 - Clinically Led engagement events at the Halkevi centre
 - Engagement with councillors and housing leads to support delivery of hyperlocal approach
 - Information stall at Hoxton Market to promote St Leonards, and other outreach clinic
 - Promoting hesitancy vaccination service through outreach clinics, pharmacies, GP practices
 - Call and recall team to support with booking into Outreach Clinics
 - Further scoping of GP practices for outreach clinics to support uptake among registered patients and resident within the low uptake areas

Children & Young People

- Continued delivery of in-school clinics by ELFT. Continuing engagement with schools to maximise vaccine uptake at clinics.
- Mobilisation of first outreach clinics for 12+, promoting family clinics
- Engagement events for Children, Young People and their families led by a clinician to support FAQ's and informed decision making

Health inclusion:

- Clinics booked for the 23rd and 24th March for residents due their next doses at the Bridging Hotels
- Scoping clinic with Hackney Downs PCN to vaccinate those with learning difficulties, autism and serious mental illnesses

Next steps for the NHS Covid 19 vaccination programme planning and delivery:

- i) continued access to COVID-19 vaccination;**
- ii) delivery of an autumn COVID-19 vaccination campaign if advised by JCVI; and**
- iii) development of detailed contingency plans to rapidly increase capacity, if required**

Across each, the focus must remain on increasing uptake in all communities and addressing unwarranted variation.

Planning for the year ahead will need to cover two time periods to reflect the delivery of continued access to COVID-19 vaccination throughout the spring/ summer and an autumn vaccination programme

We need to see the COVID-19 vaccination programme as part of a 2-3 year journey looking at greater opportunities for co-administration with flu and other immunisation programmes

Title of report:	Covid-19 Local Outbreak Management Plan update
Date of meeting:	10 March 2022
Lead Officer:	Dr Sandra Husbands, Director of Public Health
Author:	Kimberley Stiff, Business Support Officer
Committee(s):	Local Outbreak Control Board
Public / Non-public	Public

Executive Summary:

This report provides an update against the Local Outbreak Management Plan and an overview of activities in the following key areas:

- Testing
- Local contact tracing
- Outbreak management, including OIRR, incident management teams, outbreaks & exposures in settings
- Support for isolation, including enhanced isolation pilot
- Community engagement, including community champions
- Communications
- Finance - Test & trace and COMF budgets
- Vaccinations will be covered by a separate update

Recommendations:

The **City and Hackney Local Outbreak Control Board** is asked to **NOTE** the report

The **City Integrated Commissioning Board** is asked:

- To **NOTE** the report;

The **Hackney Integrated Commissioning Board** is asked:

- To **NOTE** the report;

Strategic Objectives this paper supports [Please check box including brief statement]:

Deliver a shift in resource and focus to prevention to improve the long term health and wellbeing of local people and address health inequalities	<input type="checkbox"/>	
Deliver proactive community based care closer to home and outside of	<input type="checkbox"/>	

institutional settings where appropriate		
Ensure we maintain financial balance as a system and achieve our financial plans		
Deliver integrated care which meets the physical, mental health and social needs of our diverse communities	<input checked="" type="checkbox"/>	Working collaboratively across the whole system, including the community and voluntary sector (and with local businesses) to respond to the local impact of the Coronavirus pandemic
Empower patients and residents	<input checked="" type="checkbox"/>	Empowering patients, residents, communities and staff with knowledge and understanding about how to reduce the risk of Covid-19, prevent/reduce the spread of infection and how to respond in the event of a possible/suspected outbreak

Specific implications for City

None

Specific implications for Hackney

None

Patient and Public Involvement and Impact:

Community, public and patient engagement has been undertaken throughout the COVID pandemic to ensure insight is gained, issues addressed and services changed to reflect identified need.

Local contact tracing: Patients are called for contact tracing purposes but also to connect them with the Welfare Line if needed. This can help support a range of issues that might make maintaining isolation difficult or impossible, especially for vulnerable or socially isolated individuals.

Information is contained in the main report

Clinical/practitioner input and engagement:

The Public Health team provides extensive support via the Covid-19 inbox (Monday to Friday), including consultant support when needed. Local contact tracing receives support 7 days a week and working groups have clinical/practitioner input.

Communications and engagement:

Communications continue to focus on meeting the objectives of the LOMP in particular, preventing and mitigating the spread of Covid-19 to save lives, communicating openly and honestly with key stakeholders, and working with the community to develop capacity to support local testing contact tracing, as well as vaccination uptake. This includes the continued reinforcement of the prevention messages 'hands, face, space' on various channels, amplifying government messages and supporting the work of the GLA and London Councils. In addition, there is ongoing work on specific communications related to key areas of work, with key stakeholders, including the public, care homes, local contact tracing teams and community champions.

Equalities implications and impact on priority groups:

Local contact tracing: Covid-19 is understood to have disproportionately frequent and severe effects on specific high risk groups, who may be the least likely to be contacted by the national NHS Test and Trace team. The local service offers an opportunity to address this inequality both directly, by contacting harder to reach individuals at higher risk, and indirectly by contributing to the national and global fight against the virus.

The Community Champions work and Covid-19 Grant Information programme are targeted at key communities and priority groups.

Safeguarding implications:

All contact tracing staff undertake mandatory safeguarding training, before being able to access the national database to make calls.

Impact on / Overlap with Existing Services:

Potential additional surges in infections may occur during winter and into 2022. As infections rates reduce services will be reviewed to see what can be stepped down or mainstreamed into existing service provision.

FINANCE update for LOCB, 10 Mar 22

The total projected spend for the Test and Trace programme is currently standing at £5.041m. The committed spend for LBH and CoL currently stands at £4.814m and £0.227m respectively. The £3.247m Test and Trace allocation is fully utilised, the remaining £1.793m spend is to be funded via the Contained Outbreak Management Fund. A detailed breakdown of the projected spend for each organisation, including details of outbreaks plans agreed to date is shown in Appendix 1 below.

Appendix 1A - Finance Summary for Hackney

Item	Expenditure Type	Description	2020/21 LBH Cost	2021/22 LBH Cost	Total Cost	Comments
1	Staffing Resources	Programme Manager - assignment commenced in July 2020)	74,656	25,238	99,894	Assumed will be in post till the end of the FY. Cost should be split 80:20 with the CoL.
2	Staffing Resources	PH Consultant - CURRENTLY VACANT (1 year fixed term contract)	30,110	36,471	66,581	80:20 allocation (Chief Officer 3) - commences on 1st July 20 to 30th June 21.
3	Pan-London Outreach Testing - ADPH London	ADPH London Pan-London Outreach Testing - (email from Tamsin 29June20)	13,755		13,755	Agreed expenditure.
4	VCS Test & Trace Programme	VCS Test and Trace Programme	482,871	246,354	729,225	£600k of Grants + £68,727 Hackney CVS + 60,474 VCH
5	IT Software	Tableau software platform for COVID dashboard	9,408	24,592	34,000	Purchased.
6	Communication Costs	Bereavement leaflet for frontline workers	1,716		1,716	
7	Community Covid Helpline - Bikur Cholim	Bikur Cholim Community Covid helpline - (3 months) 13 August to 12 November 2020.	7,000		7,000	It was agreed by the Board on 17 August with some appropriate KPIs to be developed by the service.
8	Staffing Resources	Keep London Safe Programme (Campaign Manager)	2,756		2,756	PO raised, awaiting invoice from the London Borough of Camden
9	Staffing Resources	Customers Services cost agreed for 6 months	86,975		86,975	£52k Customers Services cost agreed for 6 months (£1,968 per week)
10	Communication Costs	Covid Communication Plan	39,681	-	39,681	Covid Communication Plan - £33k agreed
11	Communication Costs	Further communications work (internal) £10k.	8,995	-	8,995	Further communications work (internal) £10k.
12	Covid Response Team (CRT)	Covid Response Team (CRT)	81,307	8,693	90,000	Start date 1st October 20-31st March 21 (Agreed on 21st Sept 20)
13	Covid Awareness - Interlink	Interlink Funding for COVID awareness work	22,500		22,500	

14	External Care provision	Electcare Health Emergency support over the weekend (this service may be provided by alternative Green Arrow from Dec 2021)	2,505	5,595	8,100	Agreed on 5th October 20 (we need to get the actuals from the service area)
15	Welfare Support to Support Self Isolation	Welfare support to support self isolation (WSSI)	119,944	56	120,000	Agreed on 5th October 20 (we need to get the actuals from the service area)
16	Covid 19 Testing (Find & Treat Service)	Covid 19 testing (Find & Treat Service)	-	5,000	5,000	With the Find and Treat Team - we are the funder of last resort if the Home Office does not pick up the funding.
17	Staffing Resources	Local Contact Tracing Proposal	-	28,752	28,752	Agreed by Health Protection Board - may not be required if staff can be recruited from the redeployee pool (2XFTE Sc6 for 6 months)

19	Staffing Resources	Tableau Data Manager post 1XPO5 for 6 mths - start date 2nd Nov 20	10,822	27,202	38,024	Agreed by Health Protection Board on 5th October 2020 (6 months forecast)
20	Community Covid Helpline - Bikur Cholim	Bikur Cholim Community Covid helpline additional grant 13 November to 31 Dec 2020	15,749		15,749	Helpline adviser's costs for 20 weeks £11,049 and Communications from August to December £4,700
21	IT Software	Coronavirus Call Handling Software	120,000		120,000	Agreed by Health protection board on 02 November 2020 (15 weeks). Here to Help
22	Staffing Resources	Administrative support (forecast is for 3XSc5) for 6 mths	15,663	38,170	53,832	Admin 1: To provide dedicated and full time support to co-ordinate and report on the lifecycle of IMT meetings Admin 2 & 3: To help with day to day tasks and work flexibly on a full time basis over the next 6 months. Excellent organisational, administrative and design skills needed.
23	Staffing Resources	Senior Public Health Specialist: Health Protection Lead 1XPO10 for 6 mths	12,035	17,595	29,631	Oversight of outbreak control plan delivery, leading operational work and proposing strategic approaches for a minimum of 6 months, 0.6 FTE from 15th Feb21. GW contract ending 21 May (TBC). New recruitment in May 2021 for a further 6 months

24	Staffing Resources	Senior Public Health Specialist 2xPO7 for 12 mths (Local Contact Tracing Post & Community Engagement Post)	30,845	104,499	135,344	Management of contracts/relationships for Covid response, lead on testing and community engagement for 12 months
25	Staffing Resources	Senior Public Health Specialist: Communications 1XPO3 for 6 mths	14,669	13,790	28,459	Strategic oversight of communications across all LOCP workstreams. This role will oversee the work of PH comms officers, ensuring a good engagement strategy is delivered for SOPs across City and Hackney for a minimum of 6 mths. La-braya buffong-richmond
26	Staffing Resources	IPC Health Protection Support	70,000	-	70,000	Technical input on infection prevention control to priority settings/partners. Agreed at HPB 1-Feb-21
27	Counselling/Training	Group Session Counselling – Covid team support	-	7,140	7,140	This was agreed at HPB on 16th Nov 20
28	Counselling/Training	Suicide in safeguarding training	-	800	800	Agreed at HPB 14 Dec 2020 split 80:20% Col
32	Staffing Resources	winter break planning, extension to Hackney Covid-19 helpline	-	1,300	1,300	Agreed at HPB 14 Dec 2020
33	Communication Costs	Local Contact Tracing Door to door letter drops	66		66	Agreed at HPB 21 Dec 2020
34	Staffing Resources	Senior Public Health Specialist 1xPO7 (Health Protection Board Lead, 18 Hrs a week)	13,323	4,785	18,108	As agreed by Sandra - 04/01/21
35	Staffing Resources	Testing operations lead 1xPO7	10,476	24,382	34,858	As agreed by Sandra - 04/01/21
37	Staffing Resources	Service Designer PO4/5, recruited by ICT, Support to Testing inc. Qmatic booking system, 6 months fixed term	7,029	24,499	31,528	As agreed by Sandra - 07/01/21 R Houba. 07/01/21, extension to 18 Mar 2022 agreed by HPB 20/6/21, R Houba
38	Contact Tracing	Training for Local Contact Tracers	7,500		7,500	Agreed at HPB 11-Jan-2021
39	Communication Costs	City and Hackney communications budget for January to March 2021	51,585	-	51,585	Agreed at HPB 11-Jan-2021
40	IT Software	CTAS form payment. This has been set up for up to 1,500 responses monthly at £55.40 pm. Anticipated for three months	-	166	166	Agreed by Sandra via email 15-Jan-2021

41	Staffing Resources	BI project to improve self-isolation and social distancing	-	22,000	22,000	Agreed by Sandra via email 25-Jan-2021
42	Staffing Resources	Senior Public Health Practitioner: (Testing Support)	-	29,554	29,554	Agreed by Sandra via email 25-Jan-2021
43	Staffing Resources	Expansion of Covid Response Team to Support Local Implementation of Enhanced Contact tracing. Funding for 2 x EHOs for 12 months respectively (PO4) at a cost of £173K comprising 85% staff costs and 15% non pay costs (with a 10% contingency).		172,718	172,718	Agreed at HPB 15-Feb-2021
44	Community Covid Helpline - Bikur Cholim	Bikur Cholim Community Covid helpline additional grant 1 January 2021 - 31 May 2021	-	22,615	22,615	Agreed at HPB 15-Feb-2021 (21 weeks @ £538.46 x 2 helpline advisors)
45	Behavioural Insights	Behavioural Insights to drive up local contact tracing success rates in City & Hackney	60	3,940	4,000	Agreed at HPB 15-Feb-2021. Split 80:20
46	Communication Costs	Additional communications funding to support vaccine take up	25,374		25,374	Agreed to fund £38k on 22nd Feb 21. Content to be approved by the Vaccination Steering Group. 80:20 allocation between LBH:CoL
47	Contact Tracing	Surge testing. To ensure routine genetic sequencing with subsample to monitor and suppress the spread of coronavirus and better understand new variants	-	40,050	40,050	Agreed at HPB 1 Mar 2021. One-off activity over 5 days (12 hour shifts). Only activated if there are cases of Variants of Concern (VOC). Should a VOC be found within Hackney and not the City, LB Hackney will fund the surge testing operation, and vice versa if a VOC is found in the City and not Hackney. Should a VOC be linked to postcodes across the City and Hackney boundaries, then the cost of surge testing will fall to both the City and LB Hackney, who then share the financial responsibility to fund all aspects of surge testing.
48	Staffing Resources	Covid Response Team (CRT)		90,000	90,000	Agreed at HPB 1 Mar 2021. Extending the current arrangement to fund three EHOs for 6 months (PO4) from the 1st April 2021 - 30th September 2021.

49	Staffing Resources	City and Hackney Public Health Intelligence Team (PHIT)	-	67,280	67,280	Agreed at HPB 8 Mar 2021. 80:20 split. In the absence of Sandra and Chris the paper will be tabled at Covid-19 Operational Working Group on Thursday instead for approval
50	Staffing Resources	Single point of access (SPOA) and Navigation Networks	-	99,044	99,044	Agreed at HPB 8 Mar 2021.
51	Staffing Resources	Local Contact Tracing (LCT) 6 month contract extension	-	153,168	153,168	Agreed at HPB 29 Mar 2021. There is an element for Clty but this is yet to be determined. April-Sept 2021
53	Communication Costs	Coronavirus communications from April to June 2021		55,000	55,000	Agreed at HPB 13 May 2021. Covers period Apr-Jun21. Budget requested £65k however there is a £10k leftover from previous budet (item 39?)
54	Vaccine Equalities	Community-led approach to increasing COVID-19 vaccine uptake / addressing vaccines inequalities	-	43,828	43,828	Agreed at HPB 25th May 2021 (either funded from T&T or COMF)
55	Prevention and Promotion Project	Prevention and Promotion Fund for Better Mental Health 2021/22	-	149,317	149,317	Agreed at HPB 8th June 2021; Additional £4,142 agreed by Sandra on 27th September 21 via email.
56	Staffing Resources	Community Champions/Covid-19 Information Grants Communications Officer funding. The costs for a 1 FTE PO3 Communications Officer, for 6 months (July-December 2021)	-	22,740	22,740	Agreed at HPB 8th June 2021, James Kaigg
58	Communication costs	Additional comms funding		16,000	16,000	Agreed at HPB 22 Jun 2021
59	Staffing Resources	1 FTE PO3 Communications Officer, for 6 months (July-December 2021)		26,262	26,262	Agreed at HPB 22 Jun 2021
60	Staffing Resources	Senior Public Health Specialist: Health Protection Lead 1XPO10 for 6 mths		39,076	39,076	New recruitment following GW contract end in May21 for a further 6 months Angela Birch
61	Staffing Resources	Strategic Consultation & Engagement lead (PO5)		31,527	31,527	Agreed at HPB 22 Jun 2021 50% of the salary costs for a Strategic Consultation & Engagement lead (PO5), to lead the delivery of consultation & engagement activity related to the Covid-19 pandemic; within the Communications, Culture and Engagement directorate

62	Staffing Resources	4 x PO2 Community Support Managers		163,706	163,706	Agreed at HPB 22 Jun 2021 4 x PO2 Community Support Managers to replace the staffing provider (IF Crew) site managers currently in place for 9 months
63	Staffing Resources	LCT Community Support Manager (PO4-37) LCT Community Support Practitioner (Scale2-04) + overtime		55,417	55,417	Agreed a HPB 6 July 2021, revised and Agreed at HPB 28th September 2021.
64	Staffing Resources	Various non-staffing costs inc Motor vehicle hire, parking fees, public transport, ICT devices inc. mobile phone and wifi dongle, training, BPSS checks and recruitment costs and 16.4k contingency		29,688	29,688	Agreed a HPB 6 July 2021, revised and Agreed at HPB 28th September 2021.
65	Staffing Resources	Service designer PO5 contract extension (6 months) to support critical public health workstreams		29,000	29,000	Agreed at HPB 20 July. R Houba
66	Developing Here To Help Project	Developing Here To Help to continue to support Hackney residents		91,000	91,000	Agreed at HPB 20 July
67		Unallocated/ miscodings. cannot reverse as relate to old year (includes 1750 jrnl that needs processed).	4,200		4,200	
68	Staffing Resources	Adults Internal Communications Officer	2,475	51,567	54,042	Agreed between Sandra Husbands and Denise D'Souza in January 2021 by email
69	Prevention and Promotion Project	Prevention and Promotion Project		470,000	470,000	Agreed at HPB 28th September, https://docs.google.com/document/d/1a5vcAsc95QPGWGI1y1MzzVjaGUUIZHiACjRBb84aQ2s/edit?usp=sharing
71	Vaccine Deployment	Project Manager supporting Vaccinations		46,176	46,176	Agreed by Sandra/Denise, N Dadwal
72	Vaccine Deployment	Project Manager PO6 supporting Vaccinations (1 Year), Performance Analyst PO2 6months and engagement activity £5K		63,337	63,337	Agreed at HPB 28th September, N Dadwal extension
73	Vaccine Deployment	London Vaccine Advertising Campaign		2,500	2,500	Agreed by Sandra on 29th June via email

74	Staffing Resources	Let's Chat Covid engagement event: "Joyclen £35ph x 20hrs =£700 (Work carried out leading up to the event and management of the event day) Support Staff £15 x 10hrs = 150 (to support with the overall engagement of attendees and operational) Young people lead Incentives- £50 x 6 = £300 "		1,150	1,150	Agreed by Sandra authorisation email, 21 Sept 2021
75	Contact Tracing	Hackney Local Contact Tracing (LCT) - 6-month service extension for Oct 2021 - Mar 2022		176,229	176,229	Agreed at HPB on 12/10/21
76	Staffing Resources	Mind City, Hackney and Waltham Forest (Mind CHWF) Reflective Practice for Wellbeing sessions - funding request			-	Agreed at HPB on 12/10/21

78	Staffing Resources	PO4 - Operation Support Manager		29,554	29,554	Agreed at HPB on 12/10/21
79	Staffing Resources	1 FTE PO3 Communications Officer, continuation for 3 months (January - March)		13,136	13,136	Agreed at HPB on 26/10/21
80	Staffing Resources	Development of the City and Hackney Public Health Community Champions Programme		58,670	58,670	Agreed at HPB on 26/10/21. Volunteer sector Hackney
81	Staffing Resources	Funding from PH towards Civil Protection P Service Admin staff cost		13,000	13,000	Agreed in principal by Sandra Husbands, to be taken to Covid Ops. and HPB for official sign-off
82	Staffing Resources	Hackney Local Contact Tracing - Capacity and resourcing contingency plan for Oct 2021 to end Mar 2022		112,716	112,716	Agreed at HPB on 07/12/21
84	Staffing Resources	Cost of retainer for Covid-19 self-isolation accommodation		4,145	4,145	Agreed at HPB on 07/12/21

85	Staffing Resources	Funding Ongoing COVID LTS/MTU (Hackney Marshes) & Bus Depot		63,412	63,412	Agreed at HPB on 21/12/21
86	Staffing Resources	Funding the Health Protection Team Outreach Vehicles		88,575	88,575	Agreed at HPB on 21/12/21
87	Staffing Resources	Covid-19 Communications		33,613	33,613	Agreed at HPB on 21/12/21
			£1,426,150	£3,387,777	£4,813,927	

Appendix 1B - Finance Summary for City of London Corporation

Item	Expenditure Type	Description	20/21 CoL Cost	2021/22 CoL Cost	Total Cost	Comments
1	Staffing Resources	Programme Manager - assignment commenced in July 2020)	18,664	6,310	24,974	Assumed will be in post till the end of the FY. Cost should be split 80:20 with the CoL.
2	Staffing Resources	PH Consultant - CURRENTLY VACANT (1 year fixed term contract)	7,403	9,118	16,520	80:20 allocation (Chief Officer 3) - commences on 1st July 20 to 30th June 21.
28	Counselling/Training	Suicide in safeguarding training	-	200	200	Agreed at HPB 14 Dec 2020 split 80:20% Col
29	Communication Costs	City Matters for Covid 19 Wrap Around	16,000		16,000	First wraparound (Nov 20, Dec 20)
30	Communication Costs	City Matters for Covid 19 Second Wrap Around	16,000		16,000	This was agreed at HPB on 07th Dec 20 (Jan 21, Feb 21)
36	Communication Costs	City Matters for Covid 19 third Wrap Around	8,000	8,000	16,000	Agreed at HPB 11-Jan-2021 (Mar 21, Apr 21)
45	Behavioural Insights	Behavioural Insights to drive up local contact tracing success rates in City & Hackney	-	1,000	1,000	Agreed at HPB 15-Feb-2021. Split 80:20
46	Communication Costs	Additional communications funding to support vaccine take up	-		-	Agreed to fund £38k on 22nd Feb 21. Content to be approved by the Vaccination Steering Group. 80:20 allocation between LBH:CoL

47	Contact Tracing	Surge testing. To ensure routine genetic sequencing with subsample to monitor and suppress the spread of coronavirus and better understand new variants		10,012	10,012	Agreed at HPB 1 Mar 2021. One-off activity over 5 days (12 hour shifts). Only activated if there are cases of Variants of Concern (VOC). Should a VOC be found within Hackney and not the City, LB Hackney will fund the surge testing operation, and vice versa if a VOC is found in the City and not Hackney. Should a VOC be linked to postcodes across the City and Hackney boundaries, then the cost of surge testing will fall to both the City and LB Hackney, who then share the financial responsibility to fund all aspects of surge testing.
49	Staffing Resources	City and Hackney Public Health Intelligence Team (PHIT)		16,820	16,820	Agreed at HPB 8 Mar 2021. 80:20 split. In the absence of Sandra and Chris the paper will be tabled at Covid-19 Operational Working Group on Thursday instead for approval
52	Communication Costs	City Matters for Covid 19 fourth Wrap Around		16,000	16,000	Agreed at HPB 22-Mar-2021 (May 21, Jun 21)
55	Prevention and Promotion Project	Prevention and Promotion Fund for Better Mental Health 2021/22		9,531	9,531	Agreed at HPB 8th June 2021; Additional £4,142 agreed by Sandra on 27th September 21 via email.
56	Staffing Resources	Community Champions/Covid-19 Information Grants Communications Officer funding. The costs for a 1 FTE PO3 Communications Officer, for 6 months (July-December 2021)		5,685	5,685	Agreed at HPB 8th June 2021, James Kaigg
57	Communication Costs	Continuation of City Matters wraparounds		16,000	16,000	Agreed at HPB 8th June 2021
69	Prevention and Promotion Project	Prevention and Promotion Project		30,000	30,000	Agreed at HPB 28th September, https://docs.google.com/document/d/1a5vcAsc95QPGWG1y1MzzVjaGUUiZHiACjRBb84aQ2s/edit?usp=sharing
70	Communication Costs	Continuation of City Matters wraparounds		16,000	16,000	Agreed at HPB 28th September 2021
83	Communication Costs	Continuation of City Matters wraparounds		16,000	16,000	Agreed at HPB 18th January 2022
Total:			£66,066	£160,676	£226,742	

COVID-19 Local Outbreak Management Plan – Update to Local Outbreak Control Board

10 March 2022

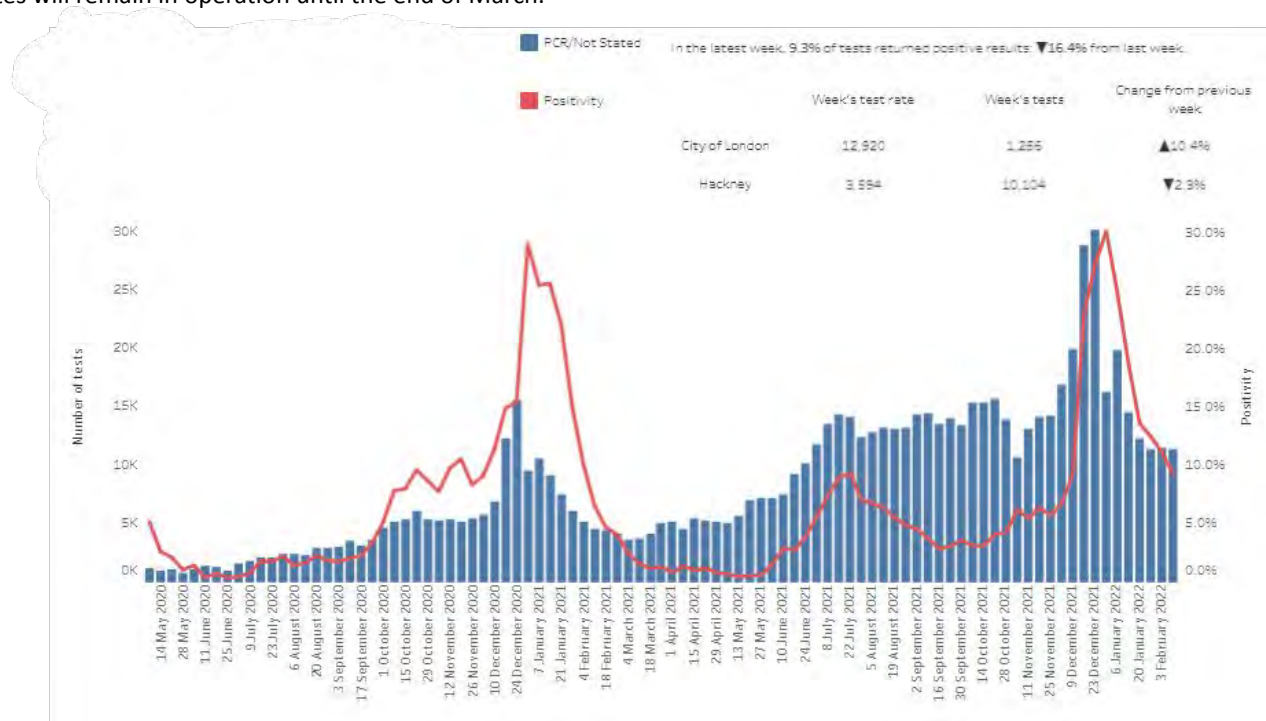

Summary

This report provides an update against the Local Outbreak Management Plan and an overview of activities in following key areas:

- Testing
- Local contact tracing
- Outbreak management, including Outbreak Identification and Rapid Response (OIRR), incident management teams, outbreaks & exposures in settings
- Support for self-isolation
- Community engagement, including community champions
- Communications
- Finance - Test & trace and Contain Outbreak Management Fund (COMF) budgets
- Vaccinations will be updated separately

Testing: Symptomatic (PCR) Testing

- There continues to be a decrease in demand for PCR testing in Hackney as we continue to see a downward trend in case numbers (as depicted by the graph below, with the red line being the positive rate of PCR tests, and the blue bar showing the number of PCR tests returned). We continue to also similar trends in the City, although, there was a slight increase in PCR testing rates in the latest week (5.6%), despite the decrease in case numbers.
- We are continuing to operate 5 PCR testing sites throughout Hackney, and have 1 operating in the City of London. All PCR tests sites will remain in operation until the end of March.

Testing: Asymptomatic (LFT or rapid) testing

- There have been four policy changes as of 24 February, that will have an impact on testing:
 - As of 21 February, the Government has removed the guidance for staff and students in most education and childcare settings to undertake twice weekly asymptomatic testing.
 - As of 24 February, the Government:
 - Removed the legal requirement to self-isolate following a positive test. Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days and then continue to follow the guidance until they have received 2 negative test results on consecutive days.
 - No longer asks fully vaccinated close contacts and those aged under 18 to test daily for 7 days, and removed the legal requirement for close contacts who are not fully vaccinated to self-isolate.
 - Put an end routine contact tracing. Contacts are no longer be required to self-isolate or advised to take daily tests.
- On 21 February, it was also announced that free, universal, symptomatic and asymptomatic testing for the general public in England will end on 1 April, which has had an impact on demand. Shortly after this announcement was made, tests were "unavailable for delivery". According to the UK Health Security Agency, the number of rapid tests available each day has been capped to "manage demand".
- DHSC has scaled back the amount of delivery stock of LFD test kits they are providing to local authorities, which has, again, negatively impacted our outreach commitments. Small allocations have been reserved to ensure residents have access to tests in both the City of London and Hackney.
- In an effort to ensure access to testing, we continue to offer assisted tests through the MTUs that are placed around the borough in different outreach locations. Outreach teams continue to promote messaging around the importance of testing.

Testing over time:

Hackney & City residents and rate of tests returning a positive result

- Light blue = no. of PCR tests returned (*week ending 10 February 16,752*)
- Dark blue = no. of LFT tests returned (*week ending 10 February 11,360*)
- Red line = positive rate of tests for LFT and PCRs combined (*week ending 10 February 8%, a 10.9% decrease from the previous week*)

In the latest week, 8.0% of tests returned positive results: ▼10.9% from last week.

	Week's test rate	Week's tests	Change from previous week
City of London	25,234	2,453	▲6.0%
Hackney	9,127	25,559	▼8.9%

Local contact tracing (LCT)

National and local contact tracing - ended on 23 Feb 2022

- Per recent Covid-19 policy changes - 'Anyone who tests positive for Covid-19 from 24 Feb will not be contacted to collect information about their close contacts and these close contacts will no longer be traced'
- The 5 full timer call agents have been absorbed back into Customer Service resource pool as planned. Some are / will be 'on retainer' for Public Health initiatives - supporting OIRR, vaccination outreach programme
- LA call agent access to National Test & Trace Web-tool (CTAS) is limited to read only for public health contact tracing
- There is no plan to stand up Local Contact tracing for wider population in case of future surges
 - Contact tracing is an imperfect tool to contain massive Covid 19 transmission, especially when there is limited enforcement of self isolation compliance

Local contact tracing (LCT) - UKHSA LA Trace Performance

Comparing to baseline, there is a 2-fold increase in self completing trace questionnaire percentage (London average 67%) reflecting changes in case demographics over a 6-month period.

City and Hackney Trace performance data for 19 Jan to 16 Feb 2022 (5 weeks data)

		CITY OF LONDON [^]			HACKNEY			LONDON
		Latest	16 Dec - 12 Jan	Baseline 2 Sep - 6 Oct	Latest	16 Dec - 12 Jan	Baseline 2 Sep - 6 Oct	Average
Total number of cases passed to local weekly		17	38	5	300	433	141	381
Overall completion rate (National & local)		87% ▲	80%	76%	84% ▲	73%	82%	86% ▲
% completed locally		37% ▼	42%	11%	40% ▼	51%	33%	62% ▲
% completed within 24 hours		21% ▼	27%	33%	7% ▼	12%	11%	45% ▲
Median hours case completion (in the reporting periods)	- Lower	46 ▼	32	43	49 ■	51	48	41 ▲
	- Higher	71 ■	72	57	54 ▲	71	58	55 ▲

Comparing to last reporting period ▲ Improvement ▼ Seeking improvement ■ No major change

[^] Results fluctuate significantly from one week to the next due to low number of cases for City of London

Outbreak identification and rapid response 'OIRR'

- 'Living with Covid' plan: 'LA will continue to manage local outbreaks of COVID-19 in high risk settings as they do with other infectious diseases', working with UKSHA
- Continued efforts to work with UK HSA Health Protection Team on vulnerable settings with support from City of London and Hackney EHO, and some retainer call agent resource (as standby resources for any desktop investigation and contact tracing) in case of new severe variants or major outbreaks
 - Homeless and asylum seekers accommodations, bridging hotels
 - Supported living accommodations and hospices
 - Critical infrastructure sectors
- iCERT hasn't resumed as at 1 Mar (planned version 4 go-live date) as its existing data feed from National Test and Trace Web-tool (CTAS) had stopped
- Alternative local Covid 19 surveillance data is to be explored

Interactive common exposures report tool (iCERT) Hackney
OFFICIAL - SENSITIVE

Exposure updates for Hackney

- There are new common exposures since the last report
- There are new possible co-exposures since the last report

Selection made. Only available options will appear. For example, if there are no common exposures in the last 30 days for a local authority, it will not need to be a filter.

How is a situation defined?
A situation can range from an exposure to an outbreak. The definitions of each situation type are summarized below:

- **Cluster** - where a number of cases have a possible but as yet unconfirmed epidemiological link.
- **Outbreak** - where a number of cases have a highly probable or confirmed epidemiological link.
- **Exposure** - where a person or a number of people have been exposed to a potentially harmful chemical or biological agent in a house of residence.
- **Hotspot** - where there is a local situation that requires monitoring and ongoing action.

Support for self-isolation

Isolation support continues to be available and provided mostly in response to inbound calls to the Here to Help Helpline. This is expected to continue to end of March 2022, as long as free testing is available. However, with the end to legal self-isolation requirements, a significant drop is expected from 24 February onwards.

Food support during self-isolation:

- January 2022: 185 referrals of which 109 Kosher referrals, supporting 833 people in households
- February 2022 (till 22 Feb): 35 referrals, supporting 105 people in households

→ Marked drop in food referrals between January and February, much like in 2021.

Care Packages (to households)

- January 2022: 24 referrals, 51 delivered
- February 2022 (till 22 feb): 15 referrals, 28 delivered

Care packages and food support will continue through the Community Partnership Network

Community engagement: The Community Champions and COVID-19 Information Grants Programme

Department for Levelling Up Housing and Communities Community Vaccine Champions programme

- A delivery plan has been developed which outlines how we will use the Community Vaccine Champions funding to increase outreach, engagement and communication with residents disproportionately impacted by COVID-19 vaccine inequity as well as to develop solutions which address practical barriers to accessing vaccines.
- As part of this programme, small grants of up to £3k will be available to over 30 VCS organisations hosting Community Champions, to enable them to continue to participate in the Community Champion network, share information about Covid-19 with the communities they support and feedback local insight (including about vaccine barriers and hesitations) to help inform our ongoing local delivery plans. In addition, 6-12 larger grants of up to £10k in value, with a focus on 'hyper local' place based activity aimed at increasing vaccine uptake in priority areas, will also be available.
- Feedback provided during our recent co-design session with VCS partners has emphasised the need to incorporate communication and engagement about the vaccine as part of broader, non-COVID-19 related, activities.
- Although this work will focus primarily on increasing vaccine rates in priority communities/areas, it will also contribute towards the longer term objectives around developing trust and lasting partnerships with the VCS and the communities they serve.
- We aim to launch the grant in the next 1-2 weeks and grant activity will take place for six months from April - September 2022.

Community engagement: The Community Champions and COVID-19 Information Grants Programme

Community Champions Programme

- Hackney's Health and Wellbeing Strategy has been discussed at the most recent Community Champion Forum and Community Champion Peer Support Session. Community Champions have been given the opportunity to feed into the consultation on the draft strategy and discuss the priorities and suggested actions which have been outlined. We will continue to provide opportunities for Community Champions to contribute to the development and implementation of Hackney's Health and Wellbeing Strategy.
- Community Champion peer support sessions have been popular and well received due to the informal nature of the sessions and opportunities for collaborating with peers from a range of different organisations. Volunteer Centre Hackney now plans to host these hour long sessions on a fortnightly basis.

Communications

- We continue to provide updates on COVID-19 information and guidance with Community Champions via the newsletter, What's App Broadcast and monthly forums. We have also been sharing information and resources on wider health and wellbeing topics including mental health and healthy weight.
- The Community Champions Communications Officer post, which was due to end in March 2022, has been extended by nine months and will continue to provide important communications and engagement support to the programme.

Communications: City of London

Targeted communications: News Releases

1. [City Corporation](#) responds to lifting of COVID-19 legal restrictions
2. Pop-up vaccination centre visits [east of the City](#)
3. Covid pop-up [vaccination centre](#) returns to Liverpool Street Station

Finance Update:

- The total projected spend for the Test and Trace Programme currently stands at **£5.041m**, which is being funded via both the Test & Trace and COMF grants received from DHSC
- The committed spend for LBH and CoL currently stands at **£4.814m** and **£0.227m** respectively
- The Test and Trace grant allocation is being fully utilised, funding **£3.247m** of the spend
- The Contain Outbreak Management Fund is funding the additional **£1.793m** of spend
- The COMF is funding further spend on Health protection, communications, engagement insights and research, supporting local communities and Health improvements.
- A further detailed breakdown of the projected spend for each organization, including details of outbreaks plans agreed to date is included in appendix 3 - [LOCP update for LOCB March 10 - Finance](#)
