

<p>Health in Hackney Scrutiny Commission</p> <p>29th June 2022</p> <p>Responses to draft Quality Accounts – FOR NOTING ONLY</p>	<p>Item No</p> <p>8</p>
--	--------------------------------

OUTLINE

In June each year the Commission is asked to submit a response to the draft *Quality Account* which local NHS Trusts must submit to NHS England/ NHS Improvement covering the previous financial year. The reports follow a nationally mandated template.

If there are outstanding issues we invite senior officers to discuss these at the Commission and they provide a response to the issues we have raised.

Please find attached the response to Homerton Healthcare's Quality Account 2021/22.

The response to St Joseph's Hospice's Quality Account will be tabled. Please note that as St Joseph's is not an NHS Trust but provides services to the NHS it not formally required to submit a report but does so as part of its own Quality Assurance process. Its deadline is later.

ACTION

The Commission is requested to note the Quality Account letters.
