COMMENTS

I make the following relevant representations in relation to the above application to vary the Premises Licence at the above address.

- 1) the prevention of crime and disorder ◆
- 2) public safety
- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at 305 MARE STREET, LONDON, E8 1EJ for the following reason(s);

This premises is located along a busy main road in Hackney Central. It is close to numerous other late night venues, some of which serve food.

This application seeks authorisation for Late Night Refreshment from 2300-0300hrs from Sunday – Thursday and from 2300-0400hrs on Friday and Saturday.

As previously stated the location of the venue is an already area already saturated with late night venues, many of which already serve food late into the night. The result of such a concentration is an increase in Anti-Social Behaviour from the groups that inevitably gather in and around there including shouting, littering and low level disorder. Another establishment open until similar hours would only add to this and have a negative impact on the local residents. Therefore at this time police will NOT agree to the proposed hours.

Police also have some additional questions:

Please can you clarify the number of people you can seat inside the venue?
Preferably can you please provide a plan of the layout of the premises.

Can you please clarify the food you will be selling? From the pictures of the front of the shop you sell chicken, burgers and kebabs, but in the application form you have stated that you provide the option of a healthy meal. Can you please let me know what these options are?

Can you please provide me with more information about the CCTV system you have, including how many cameras and where these are located?

Police have included a list of conditions to be considered by the applicant. These conditions will be attached to the licence should this application be granted and will ensure the promotion of the licensing objectives.

Police look forward to hearing from the applicant soon to discuss a way forward for this application and would like to arrange a site visit to gather further information about the operation of the business.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.
