COMMENTS

I make the following relevant representations in relation to the above application to the TEN at the above address.

- 1) the prevention of crime and disorder ◆
- 2) public safety ◆
- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm □

Representations (which include comments and/or objections) in relation to:

Police object to the granting of this TEN for the 28th August 2022 on the grounds of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm for the following reason(s):

Police need to be satisfied that the licensing objectives will not be undermined. We require sight of the security plan and the event management plan, details of how and where the alcohol will be sold, details of the personal licence of the person who will be supervising the alcohol sales, details of how the Premises User will be monitoring the maximum number of people who can occupy the space at 499 given there are three separate entries to the square. We would expect that EP will require a noise management plan and we would like sight of the permission given by the local authority to use this space for the day.

The above representations are supported by the following evidence and information.

Police National Computer (PNC) data, Criminal Intelligence Reports, personal knowledge

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.
