Dear Sirs

Hackney Wick Woodland Public Space Protection Order

TfL Legal is instructed by Transport for London (TfL).

In a recent exchange of emails between TfL's Mark Adams and your Marcelleno Moving and Steve Davison, you mentioned that the Hackney Wick Woodland Public Space Protection Order (PSPO) will expire in June 2022 and that you are considering renewing the PSPO and potentially extending the area covered.

You asked whether TfL would be agreeable to its land beneath the A12 flyover, Eastway, London E9 being included within that new PSPO.

We can confirm that TfL has no objection to that proposal.

Yours faithfully
