Hello Sanaria

The Environmental Protection Team would like to object to the application. The applicant has not demonstrated how they will enhance the Public Nuisance Objective of the Licensing Act 2003.

The Environmental Protection team received complaints from residents on 7/10/2021 & on 19/10/2021 at 12am regarding loud music and loud conversations from customers smoking outside.

The applicant is advised to contact EP team with proposals on how they intend to keep the noise down

I hope to hear from the applicant soon

I believe they run their events well and with care for the neighbourhood. I have never needed to complain, Events are finished on a timely basis and guests leave quickly and orderly. Having witnessed the care they take into the event space and the indoor nature of the space being indoors, it prevents any type of public nuisance as the people are responsible and respectful of the environment.

Dear Licensing,

I live in E5 and work at The Fisheries coworking space. I would like to support them in their application for a premises licence and can vouch for the fact that they run their events professionally and with care and consideration for local residents.

Their events are finished on a timely basis and guests leave quickly and there are no reasons for concern regarding safety around the space. It is also apparent that any issues regarding nuisance or possible disorder are well mitigated by the employment of security at such events.

Best Wishes,

Dear LB Hackney Licensing,

Re: Premise Licensing Application:  
The Fisheries Workspace, [1 Mentmore Terrace, Hackney, E8 3PN](#)

I wish to support the above Premises license Application. I am a local resident on London Fields Ward and have both used and attended Events at the Fisheries since it opened.

At all times I have witnessed due diligence and mindfulness of any impact on the residents, for those who live above this building and for those in adjacent buildings at all times.

I have found the standard of management of attendees/clients at and leaving the Fisheries building, especially after an Event ensuring it finishes on time and dispersal is quick and in an orderly manner, avoiding any Antisocial behaviour or nuisance for residents.

This in my observation has been achieved by adequately managed and well trained staffed and demonstrates already their commitment to meet the licensing objectives:

- prevention of public nuisance
- prevention of crime and disorder
- Public safety

As The Chair of London Fields Ward Safer Neighbourhood Panel (LF SNP), we were approached by the Applicant -who are a business member of the panel- to ask for any concerns that the ward panel members or local SNT may have, along with any guidance and advise that the Panel could give to ensure good local relations and avoid any negative impact on the local area and residents and families.

On following up with Panel members and London Fields SNT I can confirm that no complaints or concerns have been raised to date about the Fisheries since opening.

We feel the hours applied for will not impact negatively on the local vicinity if The Applicant keeps to the standards, they have already demonstrated to avoid public nuisance, noise, ASB, crime and Disorder.

We were pleased to see that the Applicant is not applying for 'Off Sales', as this will not add to the negative impact on London Fields as has been seen with the granting of many Off sales to other businesses in the area, which has exacerbated the problems by adding additional crime and disorder, ASB, and further diminish the quality of life for residents and Families, not to mention the addition cost of management and clean-up to the Council.

We welcome the Applicants commitment to continue to engage with LF SNP and work to resolve any concerns residents raise before they become an issue.

We wish them well in this new venture.

Yours faithfully,
