3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
 4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

 6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
 7. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.

9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.

12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- **Ac current Immigration Status Document** containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A(2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of an EEA state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the EEA family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the EEA national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hello. I do not have contact details for the resident at kingsland road so i hope you can forward this email on to them.

I am writing in response to your representations made to the premises license at the above address. In regards to the resident at Kingsland road, there seems to be some confusion in regards to what we sell. Please let them know that we do not sell alcohol and we do not intend on selling alcohol ever or facilitating it. We have a strict no alcohol policy on our premises at all times of the day. Further more, we have installed a full facial recognition cctv system to combat anti social behaviour and we are trained in using it and have provided the police with help in the past whenever they have needed so.

When applying for this license we were primarily taking into consideration the prevention of crime and disorder, public safety, prevention of nuisance for the surrounding residents and the protection of children from harm. We therefore offer forward additional licensing objectives that can be a part of our license to satisfy your concerns.

1. CCTV shall be maintained to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Hackney Council.

2. CCTV cameras shall be maintained in good working order that cover the entrance of the premises and further cameras all around the internal area shall be kept in good working order.

3. The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulders image of every person entering or leaving the premises. (which they currently are and do)

4. A member of staff trained in the use of the CCTV system shall be available at the premises at all times that the premises are open to the public.

5 An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Hackney Council or the Police, which will record the following: (a) all crimes reported to the venue (b) all ejections of patrons (c) any complaints received (d) any faults in the CCTV system (e) any visit by a relevant authority or emergency service

6 The premises shall be staffed by a minimum of 2 persons after 21:00 hours until the close of business.

7 A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

8 No children under the age of 16 allowed on the premises after 11:00pm.

9 Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated and a copy of such records will be available for inspection by the Police and authorised officer of Hackney Council.

10 The licensee shall ensure all public areas within 5 metres of the premises are cleared of litter arising from the premises daily.

11. clear and unobstructed view into the premises shall be maintained at all times.

12. suitable intruder alarm complete with panic button shall be maintained. This has been fitted already and is linked to a security office provided by a private company called verisure.

13. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

14. All deliveries shall take place during the normal working day (i.e. 09:00 to 18:00 daily).

15. Delivery drivers shall conduct the delivery in a manner that will not cause a noise disturbance to the occupiers of any residential properties surrounding the delivery address. This includes the avoidance of slamming doors, playing loud music, shouting, over-revving engines and sounding horns to signal their arrival. The driver shall turn the engine off immediately upon arrival at the delivery address and will park considerately without causing any obstruction to the highway.

I hope this satisfies the concerns of the resident . We do care about the residents around and we will ensure not to cause any further difficulty to them.

Thank you

I understand you are concerned that the timing of collection is more than the normal amount. I therefore propose the following;

Monday, Tuesday, Wednesday, Thursday and Sunday; the store will operate for collection orders until 01:00am. And from 01:00 to 03:45, the store will only offer delivery services through verified delivery partners like Uber and through our own couriers who will operate in a quiet and safe manner as to not disturb anybody. We will be closed for all walk-in and collection customers after 01:00am. The shutter will also be partly down to deter any walk-ins and to show we are closed to walk-ins. This is in line with the surrounding area and will meet the licensing objectives above, I hope this can satisfy your concerns.

On Friday and Saturday, the store will operate for collection and delivery up until 03:45am. This is requested because there is much activity on the road from other bars, clubs and food shops open until these times and even later. So it will be in line with the surrounding area. With the licensing objectives set out above, I hope this can satisfy your concerns. Should we face any issues from being open the extra few hours on these days, we will address it accordingly.

In regards to the delivery drivers, there is, right outside the shop, multiple bays for delivery drivers to stop safely. These bays are used for delivery drivers that frequently visit Creams restaurant as well. Delivery drivers, whether our own or from verified delivery partners like Uber, do operate in a safe and quiet manner and I have never seen them disturb local residents. Furthermore, there are no flats directly above any of the shops on our parade.

In regards to when the premises was found operating after 11pm on 16th September, I had not yet received notice that was sent out after the 10th of September visit and therefore was not able to act. I have acted on this immediately thereafter and even now we close at the appropriate times as any visit will show evidence of. In regards to the visit on October 23rd, I addressed this with the staff and they were waiting for Uber delivery drivers to collect an order from the store. Sometimes when Uber has high demand, they can keep reassigning drivers and delaying us. We therefore have to keep someone in the premises until the order is collected otherwise we lose the money on this order because it has already been prepared. That particular order was prepared and ordered well in advance of the closing order time of 10.45pm. Regardless, this has not been an issue thereafter and we completely abide by all conditions given to us and we are not open for any orders after 10.45pm every day of the week. I hope our 5-star health and safety rating for a prolonged period of time shows our commitment to effective management of the business and how seriously I take management of it.

I hope this can satisfy your concerns and that we do take the conditions of the licensing seriously.

Thank you

I am writing in response to the representation made by the police authority regarding the premises license at the above address. I would like to confirm that we do not intend on selling alcohol, we do not facilitate the sale of alcohol, and we do not allow alcohol on the premises at any times.

When applying for this license we were primarily taking into consideration the prevention of crime and disorder, public safety, prevention of nuisance for the surrounding residents and the protection of children from harm. We therefore offer forward additional licensing objectives that can be a part of our license to satisfy your concerns.

In regards to points 1,2,3 4 and 5, we have a contract with ajs waste facilities who provide us logo bags for recycling, general waste etc. we put the correct waste into the correct bags and they collect it in the morning every day. Our staff also do brush the immediate area outside the shop and any rubbish or cigarette ends, as mentioned in point 5, are disposed of appropriately by our staff on our time. The local road sweeper never has to clean anything outside our shop and you can ask him also. We have a great relationship with him as we take care of our surrounding area outside the property.

Point 6- i will ensure the waste agreement is on display on the window. Currently it is in an accessible folder with all of our certificates, but as of right now i will put it on the window immediately.

We do not find people to be smoking outside our premises as mainly we see them smoking outside the bars pubs and clubs that are open on kingsland road a few hundred metres away from us. We find that people are very clean outside our premises. In the past, we have had other businesses who have on one off occasions left their rubbish out side of our premises and it has been confused with ours. But it has been removed the following day and this was more than a year ago and again a one off occurrence. we do not have any rubbish building up outside our premises any more.

If you ever need to see our cctv cameras to see our waste build up or how we dispose of it, please do come and visit we will show footage on demand.

I hope this can satisfy your concerns and that we do take the conditions of the licensing seriously. We are always happy to help the police for any investigations and we have actively helped the police in different ways when they have visited us and needed any help from us.

Thank you

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at 550 Kingsland Road, E8 4AH for the following reason(s);

The premises is located on a major road in the middle of the Dalston SPA. The Council's Licensing Policy under LP10 requires that the applicant demonstrates that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. Should the applicant be able to demonstrate that the premises will not add to the cumulative impact then core hours should be considered. Police do not believe that the applicant has adequately demonstrated that the venue will not have a cumulative impact on the area, or detailed sufficient measures to mitigate any such impact.

The hours requested by the applicant are far outside those given in LP3 as core hours as it requests licensable activity until 0400hrs throughout the week.

Police are aware that there have been occasions when the Council's Licensing enforcement team have found the venue to be operating without a licence.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

None

NAME OF APPLICANT	Zaid Anwar

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The premises is located in the Dalston Special Policy Area (Dalston SPA), the Dalston SPA has been designated as such due to the impact of the number of premises within the area and their impact on the licensing objectives as well as the local amenity.

“LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council’s policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- *quality and track record of the management;*
- *good character of the applicant; and*
- *extent of any variation sought*

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.”

The applicant is seeking a licence to operate until 04:00 every day for the purpose of late night refreshment. The hours sought are far in excess of the ‘Core Hours’ set out in the Hackney Council Licensing Policy LP3. The Licensing Authority are concerned that operating the premises with the hours sought may lead to the Licensing Objectives being undermined, in particular the Prevention of Public Nuisance licensing objective.

The applicant has not offered any conditions and/or management plans that relate to the use of delivery drivers that frequent the premises. How would the operator manage this given the late opening hours sought.

The Licensing Authority also has some concerns about the management of the premises, this is due to the fact that the premises has previously been found operating without any licence. The premises were found operating at approximately 02:06 on 10th September 2022, Officers carried out a test purchase to confirm trading and advised the staff regarding the requirement for a premises licence to operate at that time.

The premises were then found operating again at 23:32 on 16th September 2022. The staff were again advised about the requirement to hold a premises licence to provide late night refreshment, the visits were followed up with a warning letter to the operator.

At 00:25 on the 23rd October 2022, the premises was again found operating without the authorisation required for late night refreshment. A formal letter was again sent to the operator of the premises.

Whilst the Licensing Authority welcomes the application in an attempt to regularise the operation of the premises, we still hold concerns about the ability of the operator/management to comply with any licence, as outlined above, the operator has previously failed to operate the site in accordance with the Licensing Act 2003.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

The applicant should consider the matters outlined above and propose a robust set of conditions and mitigations to promote the Licensing Objectives.
The applicant should consider if they are prepared to reduce the hours sought.
Further discussion with the applicant may be required, the Licensing Authority are prepared to discuss the application with the applicant.

ENVIRONMENTAL LICENCE CONDITIONS IN RESPECT OF

550 Kingsland Road, London E8 4AH

1. The Licensee shall ensure that all relevant staff are fully trained and made aware of the legal requirement of businesses to comply with their responsibility as regards the disposal of waste produced from the business premises. The procedure for handling and preparing for disposal of the waste shall be in writing and displayed in a prominent place where it can be referred to at all times by staff.
2. The Licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The Licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not use any plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.
3. The Licensee's premises are situated in an area within which refuse may only be left on the public highway at certain times (time bands). If the Licensee's waste carrier cannot or does not comply by collecting the refuse within an hour after the close of any time band imposed by the waste authority, the Licensee must remove the refuse from the public highway and/or keep it within the premises until such time as his/her waste carrier arrives to collect the refuse.
4. The Licensee shall instruct members of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.
5. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacle being carefully placed so as not to cause an obstruction or trip.
6. The current trade waste agreement/duty of care waste transfer document shall be conspicuously displayed and maintained in the window of the premises where it can be conveniently seen and read by persons standing in 550 Kingsland Road, E8.

This should remain unobstructed at all times and should clearly identify:-

- the name of the registered waste carrier
- the date of commencement of trade waste contract
- the date of expiry of trade waste contract
- the days and times of collection
- the type of waste including the European Waste Code

The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have found evidence of the illegal disposal of waste from businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Regarding a proposed late-night licence application [until 4:00am, 7 days a week] for [550 Kingsland Road](#).

As a resident and owner at [REDACTED] [Kingsland Road](#), this is of some interest and possible concern. The premises I understand this to be is the small pizza bar, but is there any more information available about the intentions of this premises?

I'm not against late-night licensing in theory, however, there are concerns that this small premises will attract [very] late-night drinkers into what is also a residential area – where is it proposed the alcohol/refreshments purchased here will be consumed? On the street? Is this to be converted into a late-night bar? Or will it be purely a takeaway scenario – buy a beer with your pizza kind of thing?

We have already been subjected to anti-social behaviour, literally on our doorstep, including harassment, urination, theft and vomiting, thus my concerns about alcohol being served in such close proximity for such protracted hours, 7 days a week, here are valid.

Any additional information you can provide and updates on the progress of this application would be appreciated.
