- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

COMMENTS

I make the following relevant representations in relation to the above application for a Premises Licence at the above address.

- 3) the prevention of public nuisance ◆
- 4) the protection of children from harm □

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence for The Dalston Lounge, 13 Bradbury Street, N16 8JN for the following reason(s);

The venue is situated on a side road off of Kingsland High Road, running parallel to Gillett Square, in the middle of the Dalston Special Policy Area. As per the Councils Licensing policy, venues in the SPA need to demonstrate that how they will not add to the cumulative impact currently being experienced in the area. Should the applicant be able to demonstrate they will not add to the cumulative impact then core hours will apply. Core hours are given in LP3 of the councils Licensing Policy.

Prior to submission of the application the venue had been operating without the necessary authorisation. Police were called to a burglary at the venue where money from tills and a quantity of alcohol were taken, with the applicant listed as the victim. Furthermore on 31st July police were called to the venue by a member of the public to loud music and people having a party at the venue. Police attended and were told that it was a private party, however upon police attendance the 'party' finished. Additionally LBH Licensing enforcement officers found the venue to be operating without a licence on 2 occasions, with other events being advertised on social media.

Going back only a year, in 2021 the venue was not being run as a restaurant/ café, and was instrumental in being used in the supply of drugs. A s.23 MDA warrant was executed at the venue, with a male found to be staying inside the venue in control of a quantity of drugs. He was arrested for PWITS. Other intelligence reports link the venue to the continued supply of drugs by a local gang. The owner of the premises at the time took very little action in relation to assisting with removing these individuals from the venue. Police therefore have reservation about how in control of the premises the applicant is. If there is a lease in place, who is it being leased from? How long is the lease? And so on.

The area itself has a high level of ASB, and police do not want another venue opening that would potentially add to this.

Police would like more information about the operation, a look round the venue and discussions around conditions and hours.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Visit to the premises, discussions around hours and conditions.

APPLICATION PREMISES

NAME & ADDRESS OF PREMISES	The Dalston Lounge 13 Bradbury Street Hackney London N16 8JN
NAME OF APPLICANT	Joshua Shakes Drayton

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The premises is located in the Dalston Special Policy Area (Dalston SPA), the Dalston SPA has been designated as such due to the impact of the number of premises within the area and their impact on the licensing objectives as well as the local amenity.

“LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council’s policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- *quality and track record of the management;*
- *good character of the applicant; and*
- *extent of any variation sought*

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.”

The applicant is seeking hours which are beyond the Core Hours LP3, outlined in the current statement of Licensing Policy.

The Licensing Authority notes the applicant is prepared to accept an ancillary to food condition in relation to alcohol sales and limit the premises to seated table service.

The applicant should specify the maximum capacity of the premises and the maximum number of smokers outside the premises beyond 22:00.

Whilst reference has been made to the management of deliveries/takeaways, no detailed measures have been outlined and/or draft management plan provided. Given the locality, how does the operator intend to manage the potential nuisance created by idling vehicles.

The presence of additional persons, deliveries and the supply of alcohol on and off the premises has the potential to undermine the Prevention of Public Nuisance licensing objective. The risk being somewhat heightened due the premises location in the Dalston SPA.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

The applicant should consider the matters outlined above and propose a robust set of conditions and mitigations to promote the Licensing Objectives.

The applicant should consider if they are prepared to reduce the hours sought to within the Core Hours Policy LP3.

Further discussion with the applicant may be required, the Licensing Authority are prepared to discuss the application with the applicant.

The Licensee shall ensure that all relevant staff are fully trained and made aware of the legal requirement of businesses to comply with their responsibility as regards the disposal of waste produced from the business premises. The procedure for handling and preparing for disposal of the waste shall be in writing and displayed in a prominent place where it can be referred to at all times by staff.
2. The Licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The Licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not use any plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.
3. In order to minimise the amount of time any waste remains on the public highway in readiness for collection, the Licensee will ensure the timeframe within which it may expect its waste carrier to collect is adhered to.
- 4 The Licensee shall instruct members of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.
5. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacles being carefully placed so as not to cause an obstruction or trip.
6. The current trade waste agreement/duty of care waste transfer document shall be conspicuously displayed and maintained in the window of the premises where it can be conveniently seen and read by persons standing in the Dalston Lounge. This should remain unobstructed at all times and should clearly identify:-
 - the name of the registered waste carrier
 - the date of commencement of trade waste contract
 - the date of expiry of trade waste contract
 - the days and times of collection
 - the type of waste including the European Waste Code

The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have found evidence of the illegal disposal of waste from businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.
