The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have found evidence of the illegal disposal of waste from businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

**Police make the following representations in relation to the application for a Premises Licence at Hoxton Chicken and Pizza, 94 Hoxton Street, N1 6LP for the following reason(s);**

**The premises is a small takeaway located on Hoxton Street at the junction with Falkirk Street. The venue has a history of operating without a licence and has previously had a licence application refused by the Licensing Sub-Committee however hasn't come to the attention of the Police Licensing since last year.**

**Hoxton Street is a mixed use road with many retail and hospitality outlets, coupled with a large amount of residential properties. Police have concerns about the venue having a licence until 0200hrs because of these residential properties.**

**The applicant states there will be increased staff at the venue during late night trading – police would like to know how many staff they plan on having on site.**

**Are the venue undertaking deliveries as well as takeaway orders? If so how are these to be managed? Police have concerns about engines idling/ revving on the street, coupled with delivery drivers potentially making noise whilst they wait for deliveries.**

**Should a licence be granted at the venue police would ask that the conditions as listed below are added.**

### COMMENTS

I make the following relevant representations in relation to the above application at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance **x**
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The proposed hours of activity could hinder dispersal from the area encouraging patrons from nearby premises to loiter. This could then lead to a negative impact on the promotion of the licensing objectives, in particular, the prevention of crime and disorder and the prevention of public nuisance.

The applicants' attention is drawn to the following extract from the Council's Statement of Licensing Policy.

**LP3 Core Hours**

Hours for licensable activity will generally be authorised, subject to demonstrating LP 1 and LP2, as follows:

- Monday to Thursday 08:00 to 23:00
- Friday and Saturday 08:00 to 00:00
- Sunday 10:00 to 22:30

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, guidance issued by the Home Office under s182 of the Licensing Act 2003

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Further discussion with the applicant in order to address the policy matter above. Detail on any measures to prevent nuisance from third party food delivery would also be useful.

Maybe this can be dismissed as ancient history but I vividly recall 16 year-old Agnes Sina-Inakoju shot and killed at Chicken and Pizza in 2011. And the 12 year-old boy stabbed at Chicken and Pizza in 2015. These days, this site seems to be heavily frequented mostly by the students from the College around the corner. I pass it many times during the day but never late at night. I therefore have no real knowledge of its clientele at that time and perhaps it is unfair to hold the history of the site against it but please please examine very carefully whether this outlet really needs to be open until midnight Monday-Thursday and until 2 AM Friday -Saturday as requested under this license application.

I object to this application on all four grounds of the Licensing objectives:

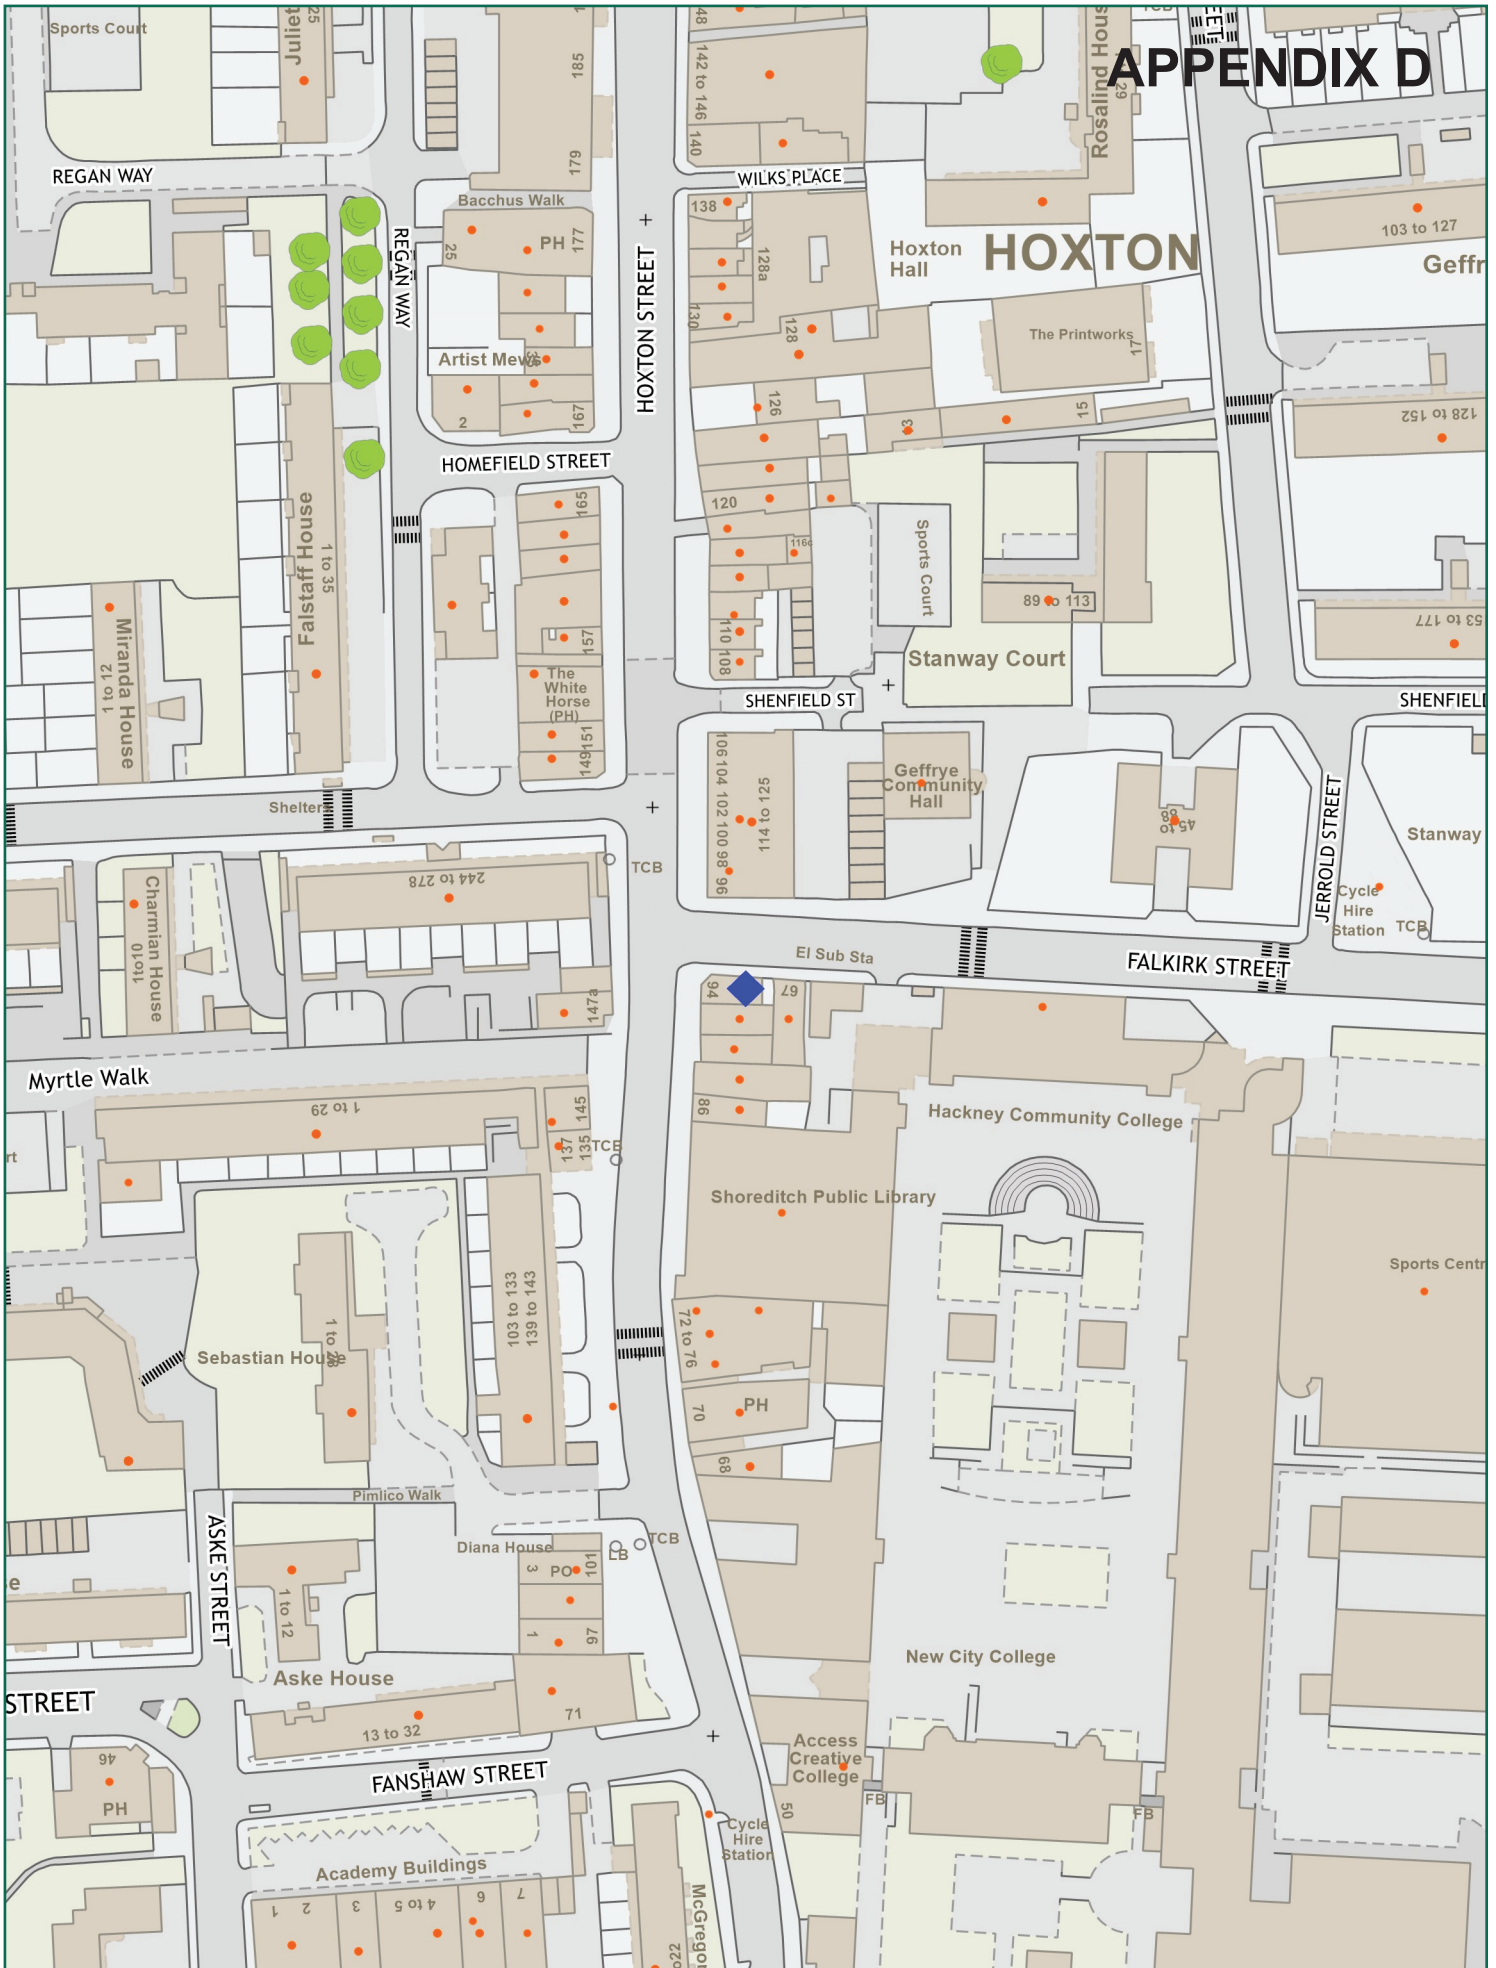

- the prevention of crime and disorder
- the prevention of public nuisance
- public safety
- the protection of children from harm.

Please do not make my contact details known to the applicant.

Thank you,
