This should remain unobstructed at all times and should clearly identify:-

 - the date of commencement of trade waste contract
 - the date of expiry of trade waste contract
 - the days and times of collection
 - the type of waste including the European Waste Code

The above representations are supported by the following evidence and information.

We have received complaints in the past regarding littering and build-up of waste in the area. There have been instances in the past where Enforcement Officers have found evidence of the illegal disposal of waste from businesses in this area. Experience has also shown that there is the probability that there will be cigarette litter outside these premises due to the smoking ban.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at Hart (Hilton) Hotel Lounge for Guests and Friends, 6a Ravey Street, EC2A 4QW for the following reason(s);

The premises name is that it is a Hotel Lounge for Guest and Friends, however throughout the operating schedule and the application there is no mention whether these are the only people that will be allowed entry to the venue. From the address given it does not appear to be connected to the hotel therefore police would like to know how the venue plans to operate.

Will members of the public be allowed access to the lounge? If not how will entry be monitored?

A visit to the premises would assist police with the above concerns.

There is mention of a dispersal policy in the operating schedule. Could police please be provided with a copy?

The plan and description of the venue quote figures of a minimum of 90 people seated and a maximum of 30 people standing – would the applicant be happy to have a condition based on these figures?

The venue is situated in the Shoreditch SPA, however there is no mention in the application or operating schedule of this, or how the venue will not add to the cumulative impact on the area. As per LP10 of the Councils Licensing Policy, if the applicant can demonstrate this, then core hours would apply. Core Hours are given in LP3 of the Licensing Policy. This application requests hours that are outside these and yet again there have been no measures in place to assist in mitigating the potential impact of them.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Visit to the premises, reduction in hours, conditions to assist in mitigating any impact.

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The premises is located in the Shoreditch Special Policy Area (Shoreditch SPA), the Shoreditch SPA has been designated as such due to the impact of the number of premises within the area and their impact on the licensing objectives as well as the local amenity.

“LP10 Special Policy Areas – Dalston and Shoreditch

It is the Council’s policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied.

It should also be noted that the;

- *quality and track record of the management;*
- *good character of the applicant; and*
- *extent of any variation sought*

May not be in itself sufficient.

It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply.”

It should be noted that the premises related to this application are already licensed albeit via a different address. The size of the site has enabled the applicant to submit the application with a different address; however, the Plan submitted and the Plan attached to the existing licence are virtually identical. The Licensing sub-committee decision for the existing licence has been appended to this representation.

The Licensing Authority notes that if the applicant is seeking to operate until 02:30 within the Shoreditch SPA, there is potential that the Prevention of Public Nuisance Licensing objective may be undermined.

The Licensing Authority also notes that the applicant has offered a last entry condition at midnight.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, Statement of Licensing Policy 2016 and Guidance issued by the Home Office.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

- From 20:00 the sale of alcohol shall be ancillary to a substantial table meal.
- From 22:00 the maximum number of persons allowed on the premises at any one time shall not exceed 136 persons (excluding staff)

Reasons for the decision

The application for a premises licence has been approved, because members of the Licensing sub-committee were satisfied that the licensing objectives would not be undermined within the Shoreditch Special Policy Area (Shoreditch SPA).

The sub-committee took into account that the Responsible Authorities (Environmental Enforcement and Environmental Protection) agreed conditions with the applicant and withdrew their objections in advance of the hearing. The Metropolitan Police Service also agreed conditions and reduced hours with the applicant and subsequently withdrew their objections in advance of the hearing. It was noted that there were no objections raised by local residents.

The sub-committee took into consideration the representations made by the Licensing Authority, and their concerns about the impact on the Shoreditch SPA which suffered from public nuisance and the cumulative impact in the area. However, the Licensing Authority was happy with the reduced hours. It was noted that the Police had concerns about another premises in the Shoreditch SPA.

The sub-committee also took into consideration that the premises is located in the Shoreditch SPA and therefore it is subject to policy LP10.

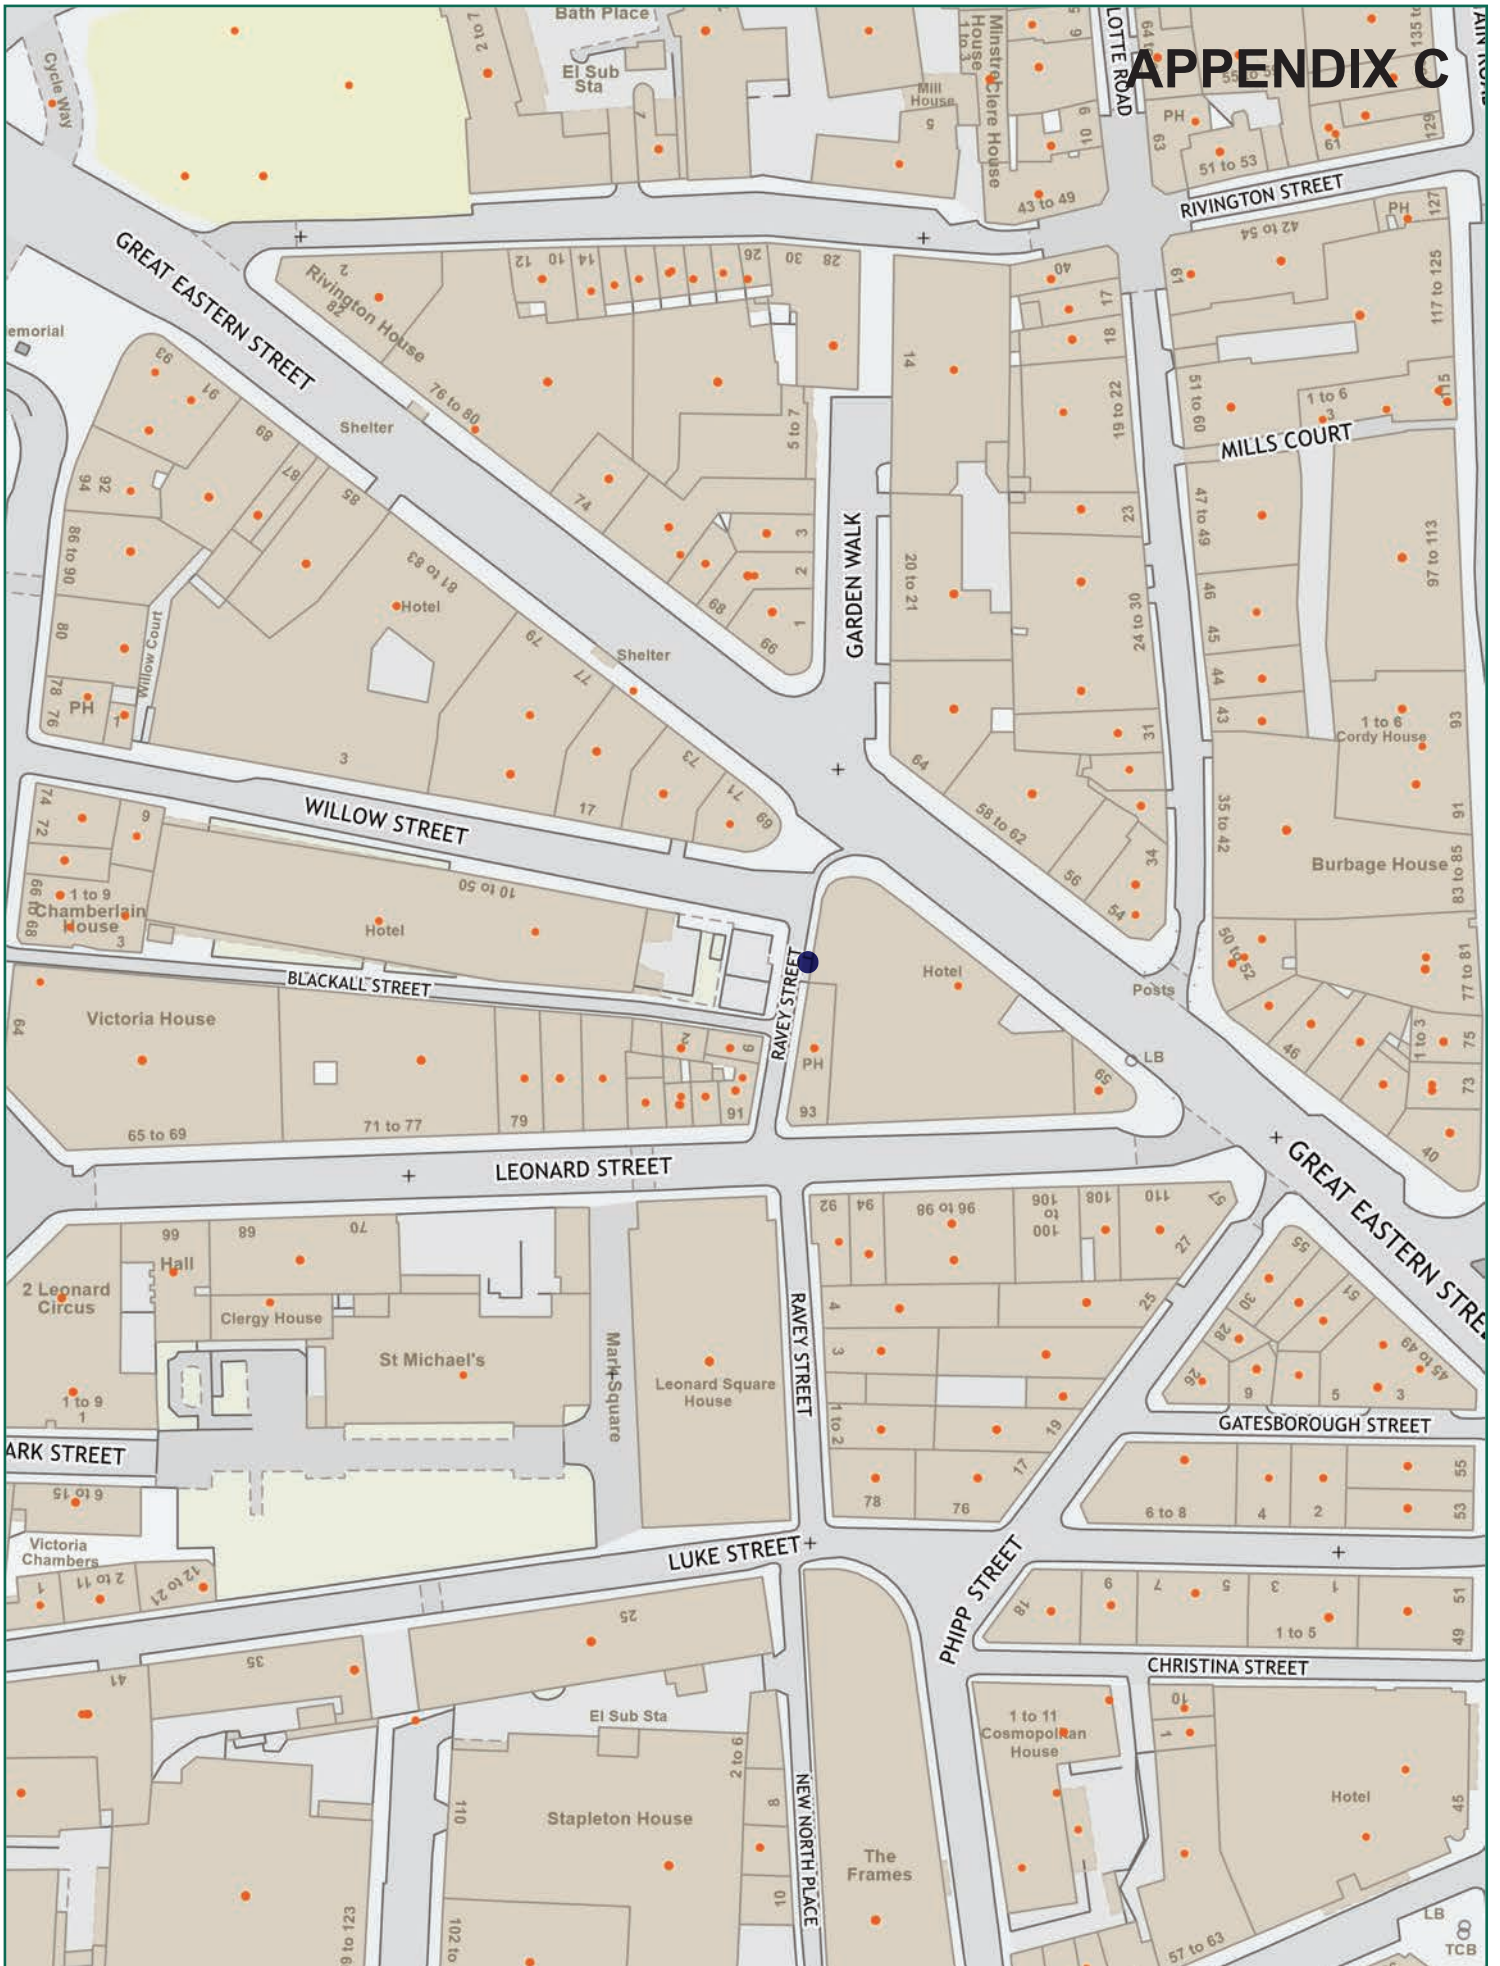

The sub-committee heard submissions from the applicant's representative that the applicant is aware of the nature and location of the premises because they had worked in the hotel as a manager for sometime, and they intended to operate the premises responsibly and within core hours.

The sub-committee took into consideration that the premises is on the edge of Shoreditch SPA, however, the impact will be minimal and it may improve the area. The sub-committee took into account that the premises are separate from the hotel. It was noted that all licensable activities carried out after 20:00 will be ancillary to the use of the restaurant for fine dining.

The sub-committee after hearing from the applicant, the applicant's representative, and the Licensing Authority were satisfied that the premises would not add to the cumulative impact in the area, and would not threaten the licensing objectives in the Shoreditch SPA. The sub-committee took into consideration the nature of the business, and that it will operate under core hours in accordance with Policy LP3. The sub-committee noted it was a food led premises and that the alcohol will be served ancillary to a substantial meal. The sub-committee also took into consideration the conditions agreed with the Responsible Authorities that would help overcome any negative impact in the Shoreditch SPA.

Having taken all of the above factors into consideration, the sub-committee were satisfied that by granting this premises licence, the licensing objectives would continue to be promoted within the Shoreditch SPA.
