Dear Karla and Peter

It was good to meet you both this morning.

I attach an amended operating schedule. This is in effect the revised application. So if the licence is granted, we are agreeing to the hours and conditions set out.

1. I have amended the alcohol hours as discussed
2. I have removed the request for late night refreshment (hot drink or food after 11pm)
3. I have left the opening time at 0800 but this is just to allow some flexibility if Yuki decides to offer coffee etc in the morning.

We have not applied for regulated entertainment. The only music would be background music which is most unlikely to cause any disturbance.

If you are now satisfied with the application, I should be grateful if you will email Sanaria with confirmation. If all of the residents withdraw it may be possible to have the licence granted under delegated authority and the hearing cancelled.
