15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **full** birth or adoption certificate issued in the UK which includes the name(s) of at least one of the holder's parents or adoptive parents, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of an EEA state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the EEA family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the EEA national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

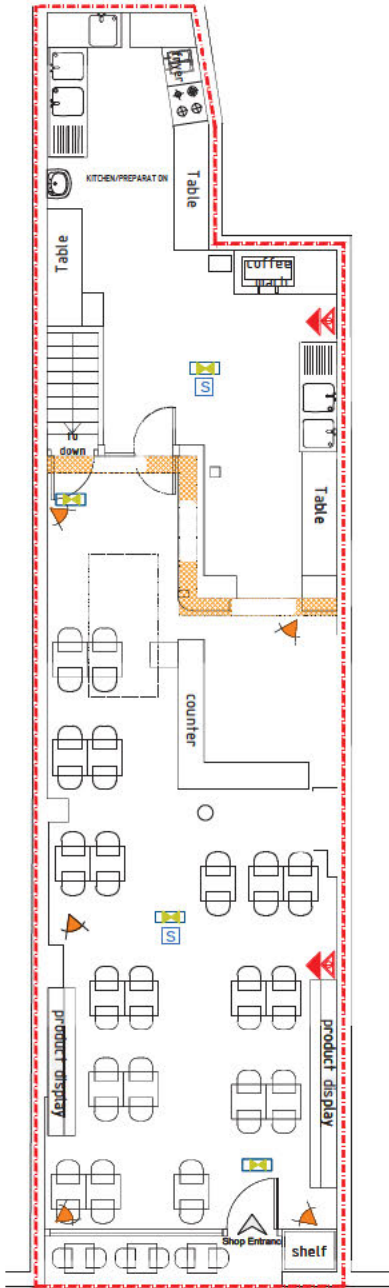

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

COMMENTS

I make the following relevant representations in relation to the above application for a Premises Licence at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

Police make the following representations in relation to the application for a Premises Licence at German Doner, 127 Kingsland High Street, E8 2PB for the following reason(s);

The venue is in the Dalston Special Policy Area, and as LP10 of the Council Licensing Policy states, the applicant will need to demonstrate that the proposed activity and operation will not add to the cumulative impact that is currently being experienced in the area. The application does not acknowledge its location in the SPA, and does not directly address what measures will be taken to mitigate any impact.

There is a current licence at the premises that allows both the supply of alcohol and the provision of Late Night Refreshment until 2340hrs Sunday – Thursday, and 0040hrs Friday and Saturday. These hours are already in excess of the Core Hours mentioned in LP3 of the policy. Police do acknowledge that this new application does not require the sale of alcohol and is purely for Late night refreshment, however the hours are still far in excess of the policy. Later hours may be considered if robust measures are put in place, however there are no robust measures offered at this time.

Police would like to know what they intend to do with the current licence at the premises should a new one be granted. Police would ask that the unwanted licence is surrendered.

Police have met with the applicant and his representative during which discussions concerning the inside and the basement toilets were discussed. The inside seating will now not be used after 2300hrs and the basement will not be utilised at all.

The proposed conditions also limit smokers outside after 2300hrs to 4. How will this be managed?

Police also note the Non-Standard hours which are again, far outside the Core Hours and carry no additional measure either. Police request that these are removed, and should additional hours be required then TENs can be utilised.

Additional conditions from the police will follow.

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Reduction in hours, measures to mitigate impact on local area, answers to queries raised.

Dear Licensing,

The premises below as made a similar application quite recently which was rejected.

There are a number of kebab shops in the immediate vicinity and they are all a nuisance and more of the same would make things even worse.

Drunken customers hanging around outside being raucous and blocking the pavement; with passing trade also there are cars with sound systems parking on the double red lines and blocking the bus stop; reckless staff dumping rubbish after closing and making noise as they leave.

This kebab shop is directly opposite this premises and there would be a lot of inebriated shouting across the street as groups fail to disperse in the early hours from recklessly licensed premises with entertainment.

This kebab shop is situated directly adjacent to a bus stop so people hanging around outside would block the pavement or strung along a kebab alley.

One of the most difficult nuisances is additional litter and more of the noisy, costly, machine-led street cleaning in the early hours of the morning.

The locality is poorly served by LBH especially at the hours that have been applied for. With no licensing enforcement team or any other responsible authority pro-active at these hours the licensing objectives are consistently undermined by unsupervised premises and this application if not refused would add to the cumulative impact of nuisance and crime from similar premises and others in the immediate vicinity.

Regards,

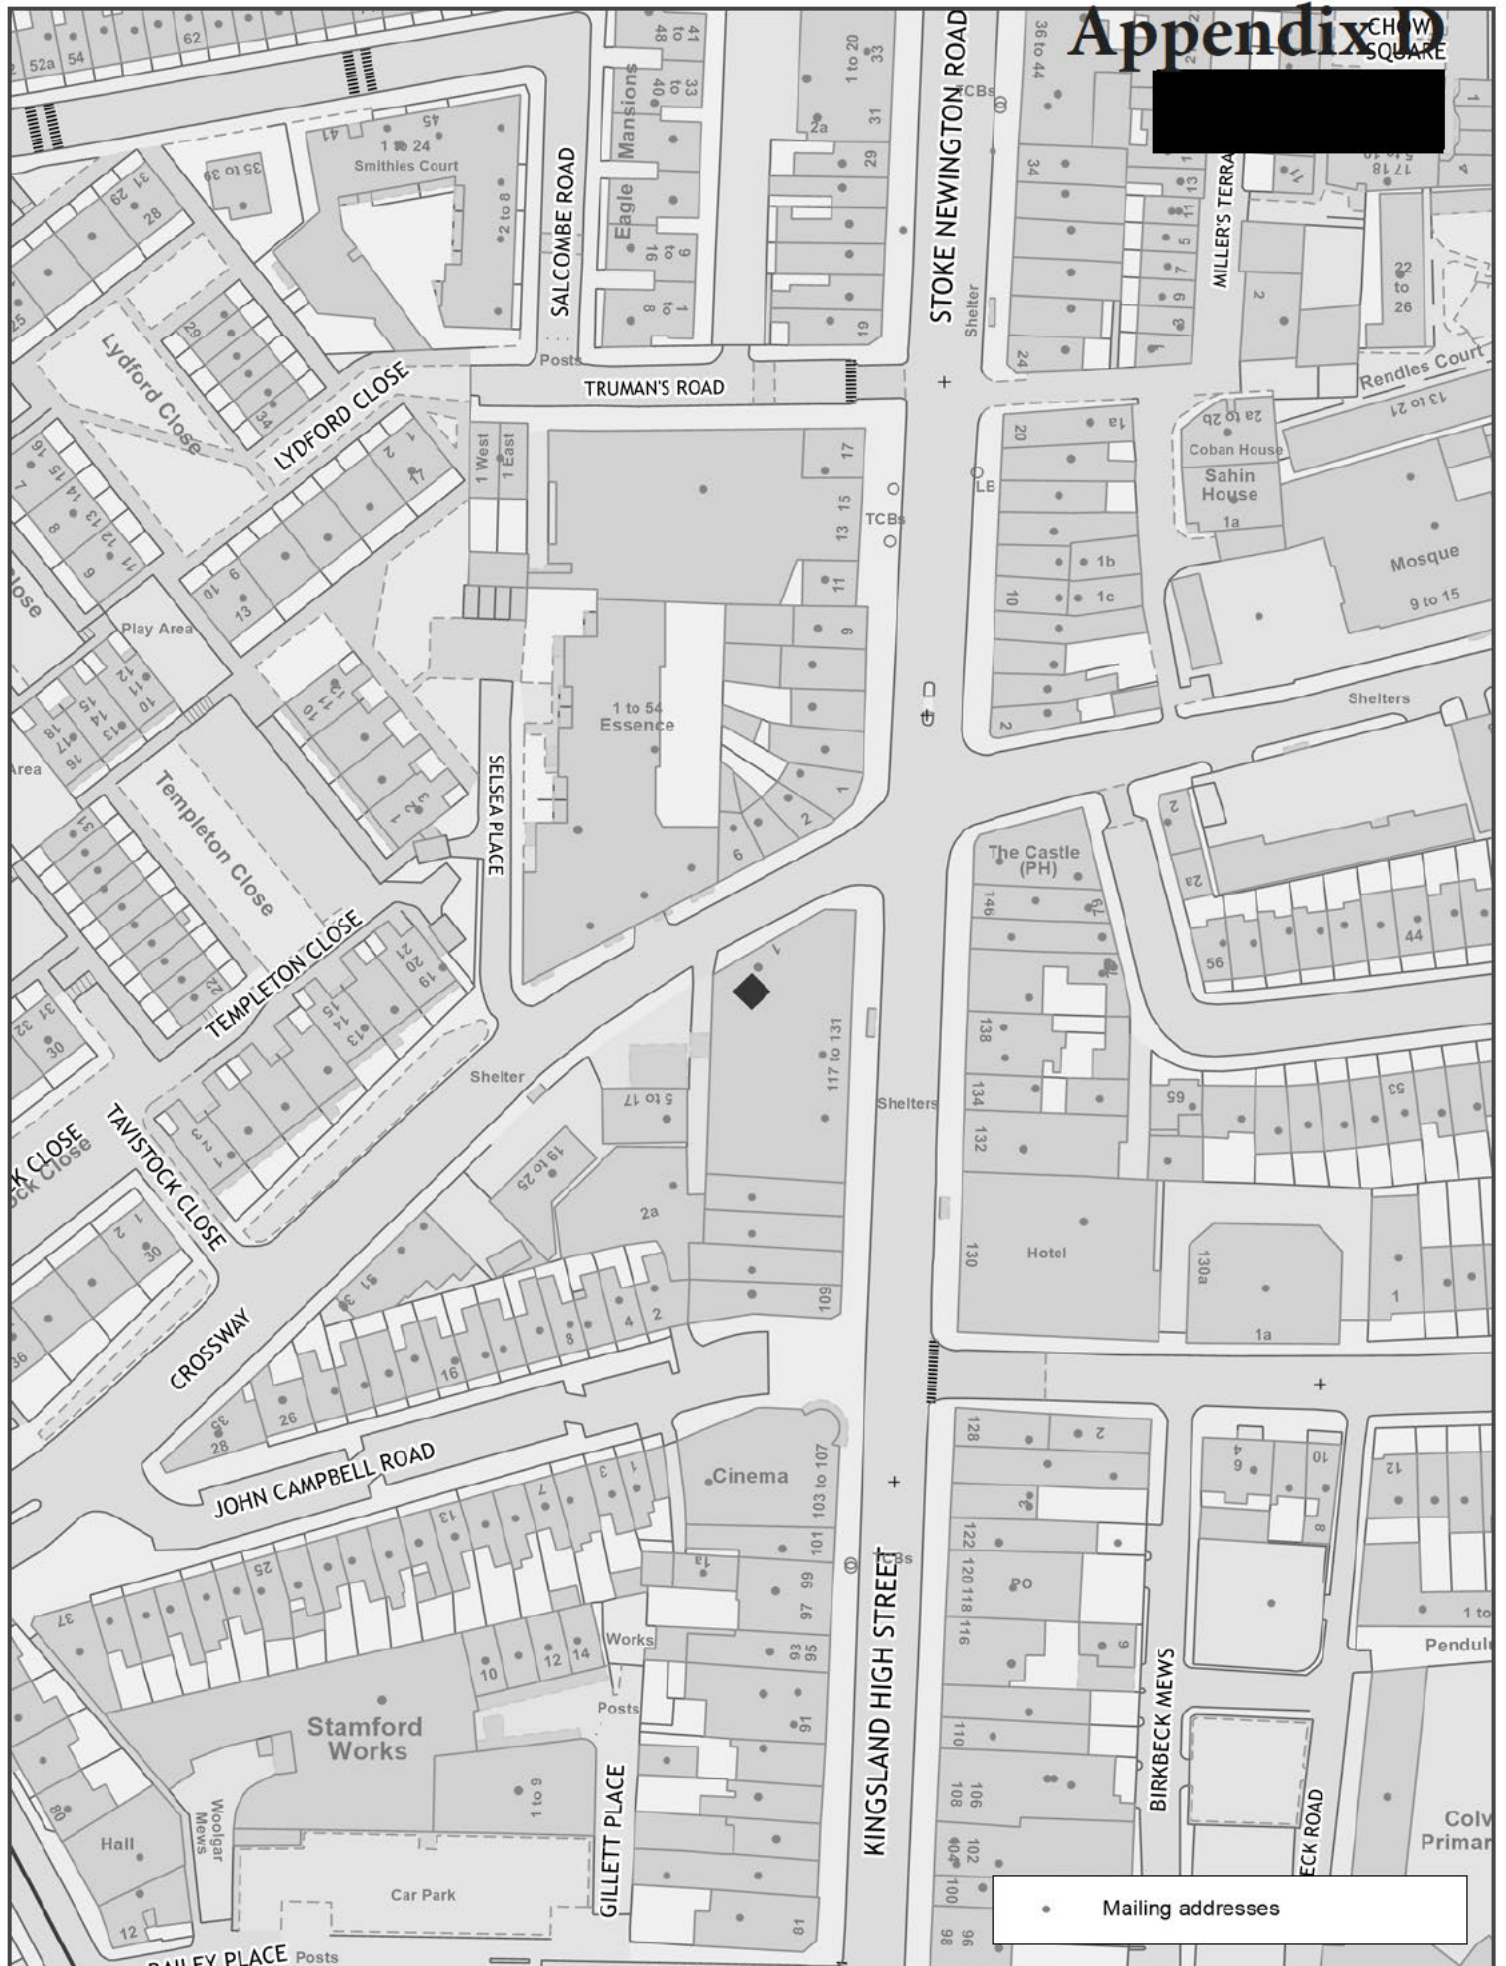

German Doner
