**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

The proposed annual one-day event is to be staged by the Premises Licence Holder (Krankbrother Ltd) who have extensive experience in staging similar events.

The Premises Licence Holder will provide an Event Management Team consisting of competent staff who will liaise with the licensing authority, residents, and other stakeholders in advance of the event and will manage the live event operation with priority given to the promotion of the licensing objectives.

Specifically, this team will include personnel with responsibility for event safety, security, audience medical/welfare arrangements, site cleaning and noise control.

Details of the event arrangements, particularly in relation to the promotion of the licensing objectives will be documented in an Event Safety Management Plan which will be provided in advance to the Licensing Authority for circulation amongst relevant stakeholders for review and comment.

Members of the Event Management Team will engage in advance of the event with responsible authorities and other stakeholders as requested and will be available throughout the event as required.

The event will take place with a fenced perimeter to control access and manage event capacity. Where residents require access to premises this will be facilitated via agreement with the Premises Licence Holder. Access will be controlled via ticketing and accreditation and managed by SIA licensed security staff at entry and egress points.

Event Management staff and team members will be connected via handheld two-way radios to assist effective communications across the site.

**b) The prevention of crime and disorder**

The Premises Licence Holder will take proactive and reactive measures to prevent crime and disorder, including, but not limited to;

Publicising in advance entry restrictions, crime reduction messages and advice on event security, medical and welfare arrangements.

Engaging in advance of the event with responsible authorities including Metropolitan Police Service on crime and disorder prevention matters.

Directing their security provider to deploy staff to operate and enforce entry procedures under the direction of the Premises Licence Holder including;

- restrictions on items that may be brought into the event,
- conducting bag and other proportionate and legitimate searches as a condition of entry to the date,
- exercising the right to refuse entry to any unauthorised/disorderly person.

Ensuring that bars staff have been fully briefed on the Challenge 25 policy in operation, are familiar with on reasons for refusal of service and understand how to seek assistance from bars management/security staff.

Ensuring that signage advising customers of the Challenge 25 policy is in operation is prominently displayed at each bar.

Ensuring that no supply of alcohol shall take place at any bar unless a personal licence holder is present in a supervisory capacity.

### **c) Public safety**

The Premises Licence Holder will take proactive measures to promote public safety, including, but not limited to;

Employment of an Event Safety Officer to oversee build, event and de-rig.

Provision of free drinking water supplies

Access to an appropriate number of toilets for public and workers throughout the event.

Protection of audience & staff from noise via volume control, exposure management and provision of ear plugs

Installation of a front of stage barrier to assist in crowd management.

Adoption of food hygiene standards and catering safety arrangements by food vendors

Provision of competent persons to install and operate generators and temporary power supplies.

Provision of competent persons to install and operate event infrastructure including temporary structures and sound equipment.

Monitoring of crowd movement and dynamics by competent persons with authority to take corrective measures if required.

Provision of fire precautions including the adequate numbers of emergency exits, appropriate levels of fire-fighting equipment and access for emergency vehicles including fire appliances

Production and dissemination of emergency arrangements including the provision of show stop procedures, evacuation plans and other contingency measures.

Provision of an on-site Medical/Welfare Team with trained and experienced staff available to care for ill, intoxicated, or vulnerable persons until they are ready to leave safely.

### **d) The prevention of public nuisance**

The Premises Licence Holder will take proactive and reactive measures to prevent public nuisance, including, but not limited to;

Providing pre-event information to local businesses and residents including details of the event and contact information for the Event Management Team.

Engaging with local businesses and residents on maintaining access to premises and mitigating any potential disruption.

Providing an event 'hotline' so local businesses and residents may contact the Event Management Team during the event.

Providing sound engineers to monitor sound levels on and off site, and take corrective action as required.

Providing on site waste bins and litter pickers. Arranging for post event cleaning of the event site and surrounding areas.

Directing security staff to ensure customers do not leave the event with food/drinks and use the litter bins provided.

Advising customers to leave the event and surrounding area quickly and quietly, whilst behaving respectfully.

Not undertaking any flyposting or post-event leafletting in connection with the event.

#### e) The protection of children from harm

The event is advertised for over 18's, and is programmed to appeal to an audience of 25+ year olds.

The event is contained within a fenced perimeter with access through a security staff controlled entry point.

ID checks will place on entry, and at bars as required. Persons without satisfactory identification will be refused entry or service of alcohol. **15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- A **full** birth or adoption certificate issued in the UK which includes the name(s) of at least one of the holder's parents or adoptive parents, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on

an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of an EEA state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the EEA family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the EEA national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

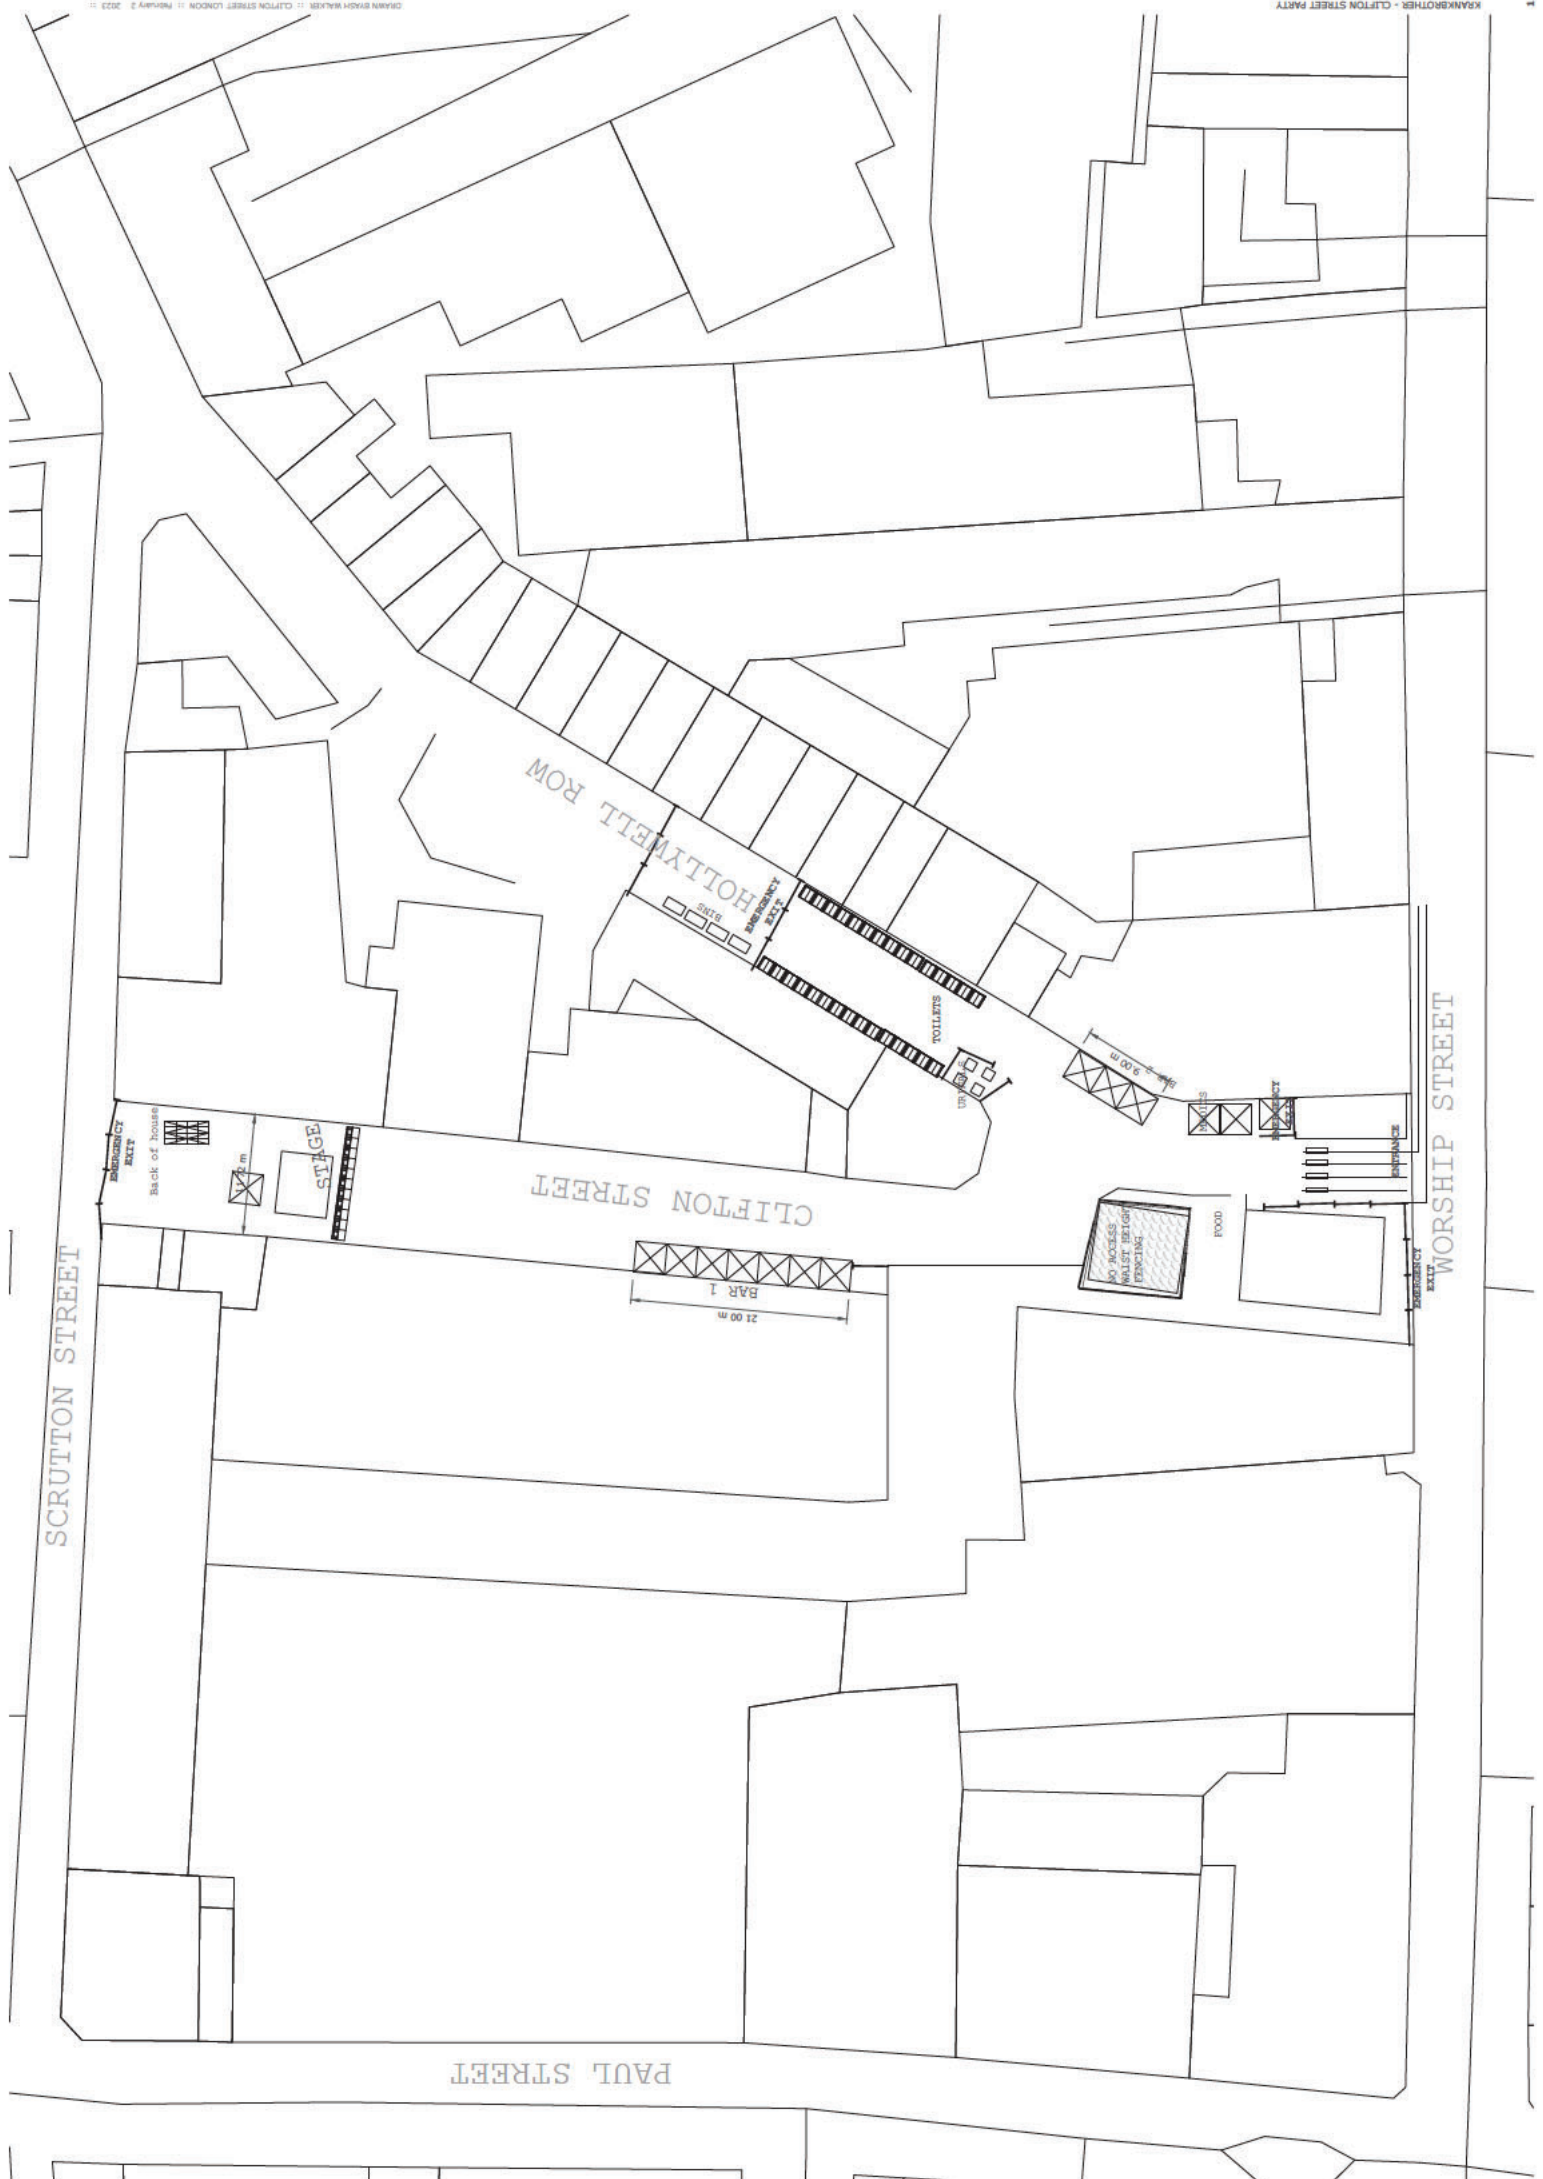

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which,

along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

To: [licensing@hackney.gov.uk](mailto:licensing@hackney.gov.uk) <[Licensing@hackney.gov.uk](mailto:licensing@hackney.gov.uk)>

Dear Sir/Madam,

I am writing as a consequence of the Application for a Premises Licence to be granted under the Licensing Act 2003 (above) made by Krankbrother Limited; that notice states that Krankbrother Limited wish to change their current licence to incorporate **two** events per year (as opposed to one) "... **relevant in the activities categorisation performance of dance, recorded music and supply of alcohol**".

The "premises" in question and the details are described as:

***Clifton Street between Worship Street and Scrutton Street and Holywell Row between Scrutton Street and Worship Street. The premises is a temporary one day event space for 2000 persons and would be created by fence lines that encompass the public highway of both these sections of Clifton and Holywell Row as per the attached site plan. Event infrastructure within the site perimeter would include a stage, sound system, bars, toilets, entrance gates and first aid post.***

I am instructed by a number of local freeholders, tenants and occupiers who have been adversely affected by the Krankbrother Limited events to date, and who occupy premises in Christopher Street, Clifton Street and Dysart Street.

Please therefore note:

- I am instructed to **object** to the application by Krankbrother Limited to vary their current licence to host events on Clifton Street.

- In relation to the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm), my clients have been prepared to tolerate to date the obvious breaches of those objectives in relation to just **one** event a year, which has caused considerable public order issues (because of crowds and apparent substance abuse), safety issues (because of crowds) and public nuisance (because of noise and closure of public highways); however, the doubling of those problems gives rise to an intolerable adverse impact in relation to those objectives.
- The premises occupied by my clients need access on a 24/7 basis. During previous events there have been very real difficulties in gaining access to their own premises, and obvious breaches of the four licensing objectives.
- If the variation is granted, then "splitting" the location to dilute the adverse consequences is the "*least worst*" way for these events to take place; however, the best way forward – bearing in mind the four licensing objectives – is to **refuse the application**.

Please therefore treat this as a formal objection to the variation of the terms of the licence.

*I would be grateful if you could acknowledge this objection, and inform me of the progress / outcome of the application; if it is referred to Committee in due course I would like to register to speak.*

Regards,

RE: Krankbrother Ltd Application to Vary a Premises Licence at Clifton Street, Hackney, EC2A 4AX ("Applicant")  
I am writing to formally object to the application made by KRANKBROTHER LTD. to amend their current license to hold events on Clifton Street. Notice attached.

I am the Managing Director of , located at  [Dysart street EC2A 2BX](#) and  located at  [Clifton Street EC2A 2BS](#). I am aware that the closure of the streets is currently permitted once a year and causes significant disruption to my business, we currently have to close the business during the event. However, to have to close our business for 2 days is totally unacceptable, we are an operating hospitality business operating Monday to Saturday 52 weeks of the year. Krankbrother Ltd request to close the Dysart and Clifton Street locations will result in severe losses to our business and we will take legal action to protect our rate paying business. We require full access to our business all day on a Saturday.

We kindly ask you to reject the application based on the severe negative and damaging effect it will have on our business

Thank you
