4. **Background**

Anti-fraud work is an important part of Hackney's control environment and helps to ensure the proper administration of financial affairs. The risk of fraud is present in many of the activities that the Council undertakes. It is essential that officers are aware of the possible consequences of fraud and the financial implications for services so that an informed decision can be made about the controls in place to mitigate the threat.

It is also vital that Members understand the potential for fraud when holding services to account and when making corporate level decisions.

The report includes accounts of tangible financial outcomes from fraud investigation work carried out in 2022/23 which is summarised in the table below:

Investigation area	Estimated saving arising from enquiries
Tenancy Fraud	£3,344,200
No Recourse to Public Funds	£1,513,446
Other enquiries	£20,000
Blue Badge	£30,090
Total	£4,907,736

This report forms part of the evidence supporting the Council's Annual Governance Statement. In line with Financial Procedure Rules (FPR 4.6), this report is presented to the Audit Committee as part of the requirement to report work undertaken by the Audit & Anti-Fraud Division.

4.1 Policy Context

All investigation work is undertaken in compliance with relevant legislation and Council policy, including the Anti-Fraud and Corruption Policy, Member and Officer Codes of Conduct, RIPA Policy, Anti-Money Laundering Policy and Whistleblowing Policy.

4.2 Equality Impact Assessment

For the purposes of this report an Equality Impact Assessment is not applicable, although all investigation work is carried out in compliance with the Council's Equality policies.

4.5 Risk Assessment

Anti-fraud work is subject to risk assessment to ensure that the most significant threats are adequately addressed, and emerging concerns are tackled. The risk of fraud is likely to be greatest where money or other assets are allocated in the course of operational activities, and these should be

considered as part of the risk assessment process and recorded on relevant risk registers where appropriate.

5. Comments of the Group Director of Finance and Corporate Resources.

- 5.1. There are no financial implications arising from this report as the costs of providing the investigation service are included within the Council's base budget.
- 5.2. An effective investigation service is important to help ensure that public funds are used appropriately, to enable sanctions where suitable, and to deter fraudsters from targeting the Council.

6. Comments of the Director of Legal, Democratic and Electoral Services

- 6.1. The Accounts and Audit Regulations 2015 place obligations on the Council to ensure that its financial management is adequate and effective and that it has a sound system of internal control which includes arrangements for management of risk. An adequate system of internal audit is inherent. This report demonstrates how the Council is fulfilling its obligations in this regard.
- 6.2. The Audit Committee is asked to note the report on the Audit Investigation Service's work during 2022/23. There are no immediate legal implications arising from the report.
