### Notes for Guidance

**This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.**

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
  - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
  - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.

Representations (which include comments and/or objections) in relation to:

**Police make the following representations in relation to the application for a Premises Licence at The Doner Store, 468 Kingsland Road, E8 4AE for the following reason(s);**

**The venue is in the Dalston SPA and is asking for an increase in hours without any further conditions or mitigations in place to manage any impact these later hours may have.**

**It is also noted in the Councils Statement of Licensing Policy under LP10 that the track record of the venue should be taken into account. Police are aware that Licensing enforcement have previously found them operating after their licensable hours. When trying to demonstrate that they are responsible operators there needs to be a track record of operating within their current restrictions.**

**Police would like a discussion around how they intend to operate deliveries in these later hours and how waiting drivers will be managed.**

The above representations are supported by the following evidence and information.

Personal knowledge of the local area and issues in the area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

**COMMENTS**

I make the following relevant representations in relation to the above application at the above address.

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance **x**
- 4) the protection of children from harm

Representations (which include comments and/or objections) in relation to:

I write to make a representation in response to this application. The premises is located within the Dalston Special Policy area which is an area identified as suffering from the negative cumulative impact as a result of the high concentration of licensed premises in the immediate area. The following policy applies:

**LP10 Special Policy Areas – Dalston and Shoreditch**

It is the Council's policy that where a relevant representation is made to any application within the area of the Dalston SPA or Shoreditch SPA, the applicant will need to demonstrate that the proposed activity and the operation of the premises will not add to the cumulative impact that is currently being experienced in these areas. This policy is to be strictly applied. It should also be noted that the;

- quality and track record of the management;
- good character of the applicant; and
- extent of any variation sought

May not be in itself sufficient. It should be noted that if an applicant can demonstrate that they will not add to the cumulative impact in their operating schedule and at any hearing, then the Core Hours Policy within LP3 will apply

I am concerned that the additional hours being sought would add to the negative cumulative impact already being experienced in the area. The applicant does not appear to address this in the application. The proposal could therefore have a negative impact on the promotion of the licensing objectives, most notably, the prevention of public nuisance.

The above representations are supported by the following evidence and information.

The Licensing Act 2003, guidance issued by the Home Office under s182 of the Licensing Act 2003

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Discussion in relation to the matters highlighted above. The applicant is invited to make additional submissions in rebuttal to LP10 as stated above.
