

Living in Hackney Work Programme Shortlist 2023/24

Remit Areas	Item	Notes about item
Housing Policy	Cabinet Question Time: Accountability of HAs and PRS	To look at the relationships between Hackney Council, housing associations and the private rented sector and how they work together to ensure effective accountability and protection for private renters and housing association tenants.
Housing Services / Housing Policy	Meeting the Council's Net Zero Target: Retrofitting	To look at the Council's work to meet its net zero carbon target in relation to the retrofit of housing stock in the borough.
Public Realm	Parks & Green Spaces Strategy	To look at the Council's progress against the key commitments of the Parks & Green Spaces Strategy 2021-31, and how it will work alongside with the newly adopted Green Infrastructure Strategy and Local Nature Recovery Plan.
Housing Services	Housing Repairs	To look at the progress made against the improvement actions put in place by the Council to improve housing repairs performance and customer care.
Housing Services	Housing Services Resident Engagement Strategy	To look at progress made against the strategic priorities identified in the Housing Services Resident Engagement Strategy since it was adopted by Cabinet in December 2022.
Community Safety	Anti-Social Behaviour	To look at the Council and its partners' approach to tackling anti-social behaviour, and ensuring multi-agency responses and support in order to prevent, reduce and enforce against anti-social behaviour.

Remit Areas	Item	Notes about item
Arts & Culture	Arts & Culture Funding	To look at how arts and cultural provision is funded in Hackney, and how individuals, groups and organisations are supported to make use of local, regional and national funding opportunities.
Public Realm	Levelling Up Fund: Hackney Central	To look at the options being considered for town centre improvements for Hackney Central following £19 million funding from Levelling Up Fund (relates to public realm, environment, planning, arts & culture, community safety as well as topics within SEG remit).
Housing Services	Community Halls Review	To review the Council's approach to the long-term viability and future use of community halls in the borough, and address the challenges faced by local organisations and groups in securing adequate spaces from which deliver community and/statutory services.
Housing Policy	Intermediate Housing Panel: Interim Findings	To review the interim findings of the independent Intermediate Housing Panel, being commissioned by the Council to look into the delivery of intermediate homes (affordable home ownership and intermediate rent).
Community Safety	Hackney Prevent	To look at Hackney Prevent's progress against its key priorities and objectives (with key consideration given to the Channel process), and explore potential ramifications of Home Office funding ending in 2024/25 (though responsibility to implement duty locally remains) on future work.
