

<b>Living in Hackney Scrutiny Commission</b> <b>18th September 2023</b> <b>Item 6 – Policing of Drug Use: Findings &amp; Response</b>	Item No <b>6</b>
---	---------------------

### **Outline**

On 23rd January 2023 the Living in Hackney Scrutiny Commission held a discussion on the policing of drug use in Hackney. This enabled members to further understand the local partnership approach to the policing of drug use, and the arrangements in place to ensure effective partnership working and accountability.

Following the meeting, the Commission brought together its findings and sent a letter to the Community Safety Partnership and Mayor’s Office for Police & Crime (MOPAC) seeking assurances in several key areas.

The response from the Community Safety Partnership and MOPAC to the letter was received on 19th September 2023.

### **Report(s)**

The following documents are included for information:

- Item 6a. Letter to Community Safety Partnership & MOPAC in response to work around policing of drug use
- Item 6b. Response from Community Safety Partnership & MOPAC to findings on policing of drug use

### **Action**

Members are asked to note the agreed letter and response to the findings of the scrutiny session on the policing of drug use held on 23rd January 2023.
