

The background features a series of overlapping, wavy, horizontal bands. The colors transition from a deep red on the left, through orange and yellow, to a vibrant purple on the right. The waves have a soft, glowing appearance, creating a sense of movement and depth.

Malasangre

Presentation

History

The operator currently has three cocktail bars in Buenos Aires, Argentina (Malasangre Vermubar, Malaria Tintobar and Malparido Tonic bar)

They have won several awards, especially focused on Vermouth based cocktails

Planning to open bars outside of Argentina, with the first one proposed in London at The Stage
