We ordered 8 cocktails and EVERY drinks were amazing. The chicken lollipop was one of the best chicken I had in London. Very friendly staff and nice atmosphere. Really recommended if you happen to walk by or look for a place for cocktails

Service super friendly and attentive from the moment you enter the bar. Atmosphere is something different from other places in London, beautiful simplistic decor. Cocktails 10/10 all delicious, mocktails were amazing! This is a beautiful addition to London bar scene.

Nice drinks and playlist. Personal favorites gonna be Sango, Prohibition, and whisky sour. Bartenders can be talkative or quite, really depends. Third time here!!!
