

## **Children & Young People Scrutiny Commission**

December 18th 2023

Item 4 - Children's Social Care Annual Report 2022/23 Item No

## <u>Outline</u>

The Children's Social Care Annual Report is a standing item on the Commission's work programme. This enables the Commission to have oversight of activity across all children's social care services. This report is taken alongside the budget monitoring report so that members can assure that budgetary and policy commitments are aligned.
