

<b>Health in Hackney Scrutiny Commission</b> 10th January 2024 <b>Cabinet Member Question Time – Cllr Kennedy</b>	Item No <b>7</b>
---	---------------------

### **PURPOSE OF ITEM**

It is customary for each Cabinet Member to attend one Cabinet Member Question Time Session each year with their relevant Scrutiny Commission. The purpose is to allow Members to ask questions on areas separate from a review or other key work programme items being considered during that year.

### **OUTLINE**

To make these sessions more manageable they are usually confined to three agreed topic areas. Cllr Kennedy has been asked to answer questions on these 3 areas:

- 1.) How is the Neighbourhoods Programme working for Hackney, what have been its successes and what are its challenges?**
- 2) Is the City and Hackney Place Based System working well for Hackney residents and has 'Place' been central enough in the governance of NEL ICB since its inception?**
- 3) What could Hackney Council in particular do to help enact the 5 Missions in the recent Cancer Research UK Manifesto**

Attending for this item will be:

**Cllr Christopher Kennedy**, Cabinet Member for Health, Adult Social Care, Voluntary Sector and Culture

### **ACTION**

Members are requested to give consideration to the discussion.
