**To whom this may concern,**

I would like to pledge my full support for Rolling Stock's application for a 4am license.

I live opposite the front doors of Rolling Stock and in three years I have no noise complaints at all. I would like to add that having a security team in the area until later in the morning would certainly go a long way to helping the area feel safer.

At closing-time I never see lots of patrons all over the street. The crowd dispersal is done quickly and efficiently.

One last thing; I go for a walk early every morning and I must say there is never any litter, empty glasses or bottles left on the street. Very impressed!

I hope you will consider my remarks,

Dear Licensing Committee,

I am writing this letter in support of Rolling Stock's application for a 4am licence. I live just across the road from the from entrance and I have never had any noise issues.

I work in the area and Rolling Stock is a big attraction. It is managed safely and securely.

I think it would benefit the area having security around later.

Warm regards,

RE; Endorsement for Rolling Stocks 4 am Venue License

To whom it may concern:

I am writing to express my support for the extension of the licensing hours for Rolling Stocks to 4 am. As a resident of Cottons Gardens and the closest neighbour to this establishment, I have witnessed first-hand the positive impact that Rolling Stock has had on our community.

I want to emphasize the crucial role played by the on-site security team in fostering a sense of safety within our community. The security staff at Rolling Stock has not only made me feel secure but has also significantly reduced the occurrence of adverse behaviour by intimidating individuals who used to gather on the street late at night. Prior to the presence of the security team, I often had to navigate past illegally parked cars blaring loud music, with crowds of people drinking on the street to reach my front door. As a disabled female living alone, this situation was immensely intimidating and unsettling.

The positive impact of the security staff in curbing such activities cannot be overstated. Their vigilant presence has transformed the late-night atmosphere, creating a safer environment for residents like myself. Granting Rolling Stock a license extension to operate until 4 am would not only allow the venue to continue this positive trajectory but would also contribute significantly to the overall well-being of our neighbourhood.

Furthermore, I have been living here for almost 4 years in that time I have not ever encountered any noise disturbances from the venue, even though both of my bedrooms overlook it.

In conclusion, I support Rolling Stocks' application for a 4 am license and believe that this decision will further strengthen the positive relationship between the venue and the local community.

Thank you for considering my input on this matter.

Sincerely,

█

To Whom It May Concern.

This is to express my support to Rolling Stock's 4am licence application. I live in the vicinity of the bar and have never been disturbed by the late night activity, should it be the music or patrons leaving at any point of the day or night. They are friendly and respectful of the neighbourhood and it is a nice spot to have around. I therefore do not see any objection to this application.

To whom it may concern

---

Letter of support.

I am writing to confirm that I have no objection to Rolling Stock's application for a 4am licence.

Rolling stock is a well established and managed business that has been operating until 3am without being a problem for many years.

Having the venue's security team around has rather been a reassuring presence and kept the surroundings safe and quiet.

I therefore want to express my support to this application.

Best wishes

  
(neighbour)

To Whom It May Concern,

I am writing to support the application for a 4am Licence placed by Rolling Stock. I can confirm that the business does not cause any disruptions to the area. Their security team is very professional, I came to appreciate this presence, preserving our peace and quiet when Shoreditch gets lively. I can confirm that the venue operating at night does not affect the area.

Yours sincerely,

To whom it may concern,

I would like to show my full support to Rolling Stock for the venue's application for a license extension of hours until 4am. I think the night time activity is under control in our area, and Rolling Stock being open late does not occasion any problems. Despite Shoreditch being such a buzzing area of London, I am pleased to say that I can sleep at night, feel safe and find the neighbourhood both peaceful and lively thanks to having places like Rolling Stock and a few more bars and clubs around us. I am fully supportive of this application for I think it doesn't affect the area while being beneficial to a local business.

Yours sincerely,
