8. **Officer Observations**

- 8.1. If the Sub-Committee is minded to approve the application, the following amended conditions should be applied the licence:

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Hackney Police Licensing Team. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available upon the request of Police or authorised officer throughout the preceding 31 day period.

2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. On a yearly basis all staff shall be given refresher training on the legislation relating to sales of alcohol to underage persons, drunken persons and how to deal with people incapacitated by drink or drugs. Such training shall include first aid and any welfare training such as WAVE (or as amended). Records of the training to be kept at the venue and made available to police or authorised officers immediately upon request. Any new staff will be trained on appointment.

4. The sale of alcohol for consumption off the premises shall be in sealed containers until 23:00 only.

6. An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police, which will record the following: a. all crimes reported to the venue; b. all ejections of patrons; c. any complaints received concerning crime and disorder; d. any incidents of disorder; e. all seizures of drugs or offensive weapons; f. any faults in the CCTV system or searching equipment or scanning equipment; g. any refusal of the sale of alcohol; and h. any visit by a relevant authority or emergency service.

7. A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.

8. No deliveries to the premises shall take place between 23.00 and 08.00 on the following day.

9. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before the scheduled collection times.

10. The Licensee shall ensure that all relevant staff are fully trained and made aware of the legal requirement of businesses to comply with their responsibility as regards the disposal of waste produced from the business premises. The procedure for handling and preparing for disposal of the waste shall be in writing where it can be referred to at all times by staff.

11. The Licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The Licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not use any plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.

12. In order to minimise the amount of time any waste remains on the public highway in readiness for collection, the Licensee will ensure the timeframe within which it may

expect its waste carrier to collect is adhered to.

13. The Licensee shall instruct members of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.

14. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacle being carefully placed so as not to cause an obstruction or trip.

9. Reasons for Officer Observations

9.1. The above amended conditions (1 - 15) have been proposed by the applicant.

10. Legal Comments

10.1. The Council has a duty as a Licensing Authority under the Licensing Act 2003 to carry out its functions with a view to promoting the following 4 licensing objectives;

- The Prevention of Crime and Disorder
- Public Safety
- Prevention of Public Nuisance
- The Protection of Children from Harm

10.2. It should be noted that each of the licensing objectives have equal importance and are the only grounds upon which a relevant representation can be made and for which an application can be refused or terms and conditions attached to a licence.

11. Human Rights Act 1998 Implications

11.1. There are implications to;

- **Article 6** – Right to a fair hearing
- **Article 14** – Not to discriminate
- Balancing: **Article 1**- Peaceful enjoyment of their possession (i.e. a licence is defined as being a possession) with **Article 8** – Right of Privacy (i.e. respect private & family life) to achieve a proportionate decision having regard to the protection of an individuals rights

against the interests of the community at large.

12. **Members Decision Making**

12.1. **Option 1**

That the application be refused

12.2. **Option 2**

That the application be approved, together with any conditions or restrictions which Members consider necessary for the promotion of the Licensing objectives.

13. **Conclusion**

13.1. That Members decide on the application under the Licensing Act 2003.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.

 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.  - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.

 7. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
 8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
 9. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 10.  11. Please list here steps you will take to promote all four licensing objectives together.
 12. The application form must be signed.

Dear Mr Jack Spiegler and Mr Oskar Wojciech Kliaszewski,

Please accept the following statement as a representation against the above application to vary a premises licence.

Environmental Protection as a responsible authority have been asked to consult on the above application on the grounds of the licensing objective the prevention of public nuisance.

The application seeks under Parts A,B and C to vary the premises licence as follows;

PART A

*Amend operating schedule of licence conditions in accordance with the list of conditions appended to the application.
 The changes included adding 15 new model licence conditions to the licence and amending/replacing existing licence conditions 8, 9 and 10.*

PART B

Amending the terminal hour for the sale of alcohol to the London Borough of Hackney's Core Hours (midnight) on Fridays and Saturdays and midnight on Thursdays.

PART C

In association with PART B above, adding provision for Recorded Music until midnight on Thursdays, Fridays and Saturdays only.

Home Bar Shoreditch is a small cocktail bar located on the ground floor of a 3 storey terrace, adjoining both [91 Leonard Street](#) and [6 Ravey Street](#) which both have residential units on it

I have interrogated the Council's noise database in respect of the above premises for the 12 months preceding 19th January 2024,

our records confirm that there have not been any noise complaints registered against this premises.

PART A

*Amend operating schedule of licence conditions in accordance with the list of conditions appended to the application.
 The changes included adding 15 new model licence conditions to the licence and amending/replacing existing licence conditions 8, 9 and 10.
Request: Amend existing condition 8 of Annex 2 of the Premises Licence as follows:
 No drinks are to be taken outside the premises after 21:00hrs.*

Response: Amending condition 8 to allow an undisclosed number of patrons to conduct vertical drinking and socialise (raised/loud voices, shouting and laughter) outdoors in close proximity will undermine the licensing objective, the prevention of public nuisance due to excessive patrons' noise especially during the warmer summers when residents' windows are opened.

Request: Amend existing condition 9 of Annex 2 of the Premises Licence as follows:

*A sound limiting device shall be maintained to control all regulated entertainment generated in the premises so as to ensure noise nuisance is not caused in any residential premises.
 The device shall be approved by and set to the Council's satisfaction and thereafter maintained for the duration of its use.
 No additional noise generating equipment associated with regulated entertainment shall be used on the premises without being routed through a sound limiting device.*

Response: Environmental Protection is in agreement in principle with this amendment, but will suggest the following wording in bold.

**A sound limiting device within the premises shall be installed to control all regulated entertainment generated in the premises so as to ensure noise nuisance is not caused in any unassociated residential premises.
 The device shall be approved by and set to the Council's satisfaction and thereafter maintained for the duration of its use.
 No additional noise generating equipment associated with regulated entertainment shall be used on the premises without being routed through the sound limiting device.**

Request: Replace existing condition 10 of Annex 2 of the Premises Licence with the following:

All external windows and doors of the premises shall be kept closed from 21:00hrs except for the immediate access and egress of patrons and staff.

Response: Environmental Protection would recommend that this condition is not amended as it provides effective noise attenuation by containing noise generated on the premises. Should this condition be amended so that the windows and doors are opened to 21:00hrs, Environmental Protection shall recommend the following suggested condition;

Amplified sound (Live music or prerecorded music) on the premises shall be played at such a level so as not to cause nuisance to any un-associated noise sensitive premises

This will inevitably result in the set maximum music noise level in the venue being significantly reduced.

PART B

Amending the terminal hour for the sale of alcohol to the London Borough of Hackney's Core Hours (midnight) on Fridays and Saturdays and midnight on Thursdays.

Response: There is no objection/representation made by Environmental Protection on Part B

PART C

In association with PART B above, adding provision for Recorded Music until midnight on Thursdays, Fridays and Saturdays only.

Response: There is no objection/representation made by Environmental Protection on Part C

As Council Officers are not able to impose conditions without going through the formal hearing process,

I have forwarded this email to our Entertainment Licensing Team as a formal representation against this application.

I shall be prepared to withdraw this representation once I receive confirmation by email that you are in agreement with the amendment and advice mentioned above.

COMMENTS

I make the following relevant representations in relation to the above application.

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance **x**
- the protection of children from harm

Representations (which include comments and/or objections) in relation to:

The Licensing Authority has considered the application and submits the following comments.

The applicant is seeking to extend the hours for licensable activity by 1 hour on the following days, Thursdays, Fridays and Saturdays. Whilst the proposed extension for Friday and Saturday falls within LP3 Core Hours, the extension sought on Thursday goes beyond the current licensing policy.

LP3 Core Hours

Hours for licensable activity will generally be authorised, subject to demonstrating LP1 and LP2, as follows:

- *Monday to Thursday 08:00 to 23:00*
- *Friday and Saturday 08:00 to 00:00*
- *Sunday 10:00 to 22:30*

Hours may be more restrictive dependent on the character of the area and if the individual circumstances require it.

Later hours may be considered where the applicant has identified any risk that may undermine the promotion of the licensing objectives and has put in place robust measures to mitigate those risks.

It should be noted that this policy does not apply to those who are making an application within a special policy area (see section 3) unless they have been able to demonstrate that the proposed activity or operation of the premises will not add to the cumulative impact that is already being experienced.

It should also be noted that where a premises is not in possession of planning permission for the proposed activity and/or hours may be further restricted during weekdays and not permitted at all at weekends.

Condition 4 of the proposed conditions attached to the application states the following;

"4. The sale of alcohol for consumption off the premises shall be in sealed containers until 23:00 only."

The Licensing Authority would like further clarification on this condition, is the applicant suggesting that off sales of alcohol will cease at 23:00? If so, for clarity the Licensing Authority would suggest the following amendment.

- The sale of alcohol for consumption off the premises shall be in sealed containers only.
- Off Sales of alcohol shall cease at 23:00

The Licensing Authority would ask the applicant to consider the inclusion of the following condition(s)

- After 21:00 a maximum of 4 smokers will be permitted to smoke outside the premises.

The premises is located in an area known to suffer from issues created by the cumulative impact of licensed premises in the area. Additionally, the premises is in very close proximity to residential homes. The combination of the factors mentioned above may result in the Prevention of Public Nuisance licensing objective being undermined.

Whilst an extension of licensable activity by 1 hour may appear modest on the surface, given the locality and the premises proximity to other licensed premises and local residents, the Licensing Authority would ask the applicant to consider if what has been submitted in the application is robust enough to promote the licensing objectives.

The above representations are supported by the following evidence and information.

Statement of Licensing Policy 2023, Experience and knowledge of the local area.

Are there any actions or measures that could be taken to allay concerns or objections? If so, please explain.

Further discussion may be required, the Licensing Authority are happy to speak with the applicant.

- Would they be prepared to reduce the hours for the operation to the Core Hours LP3?
- Further clarification is required on some of the proposed conditions
- The applicant should consider if there are any additional mitigations they can put in place to minimise any potential nuisance to local residents.

Subject: Home bar

Dear Sir/ madam

I strongly object to the variation applied for to home bar
Ravey street
EC2A

We get enough problems with noise emanating from there
There window and property backs on to a well , which is where our bedrooms are
We have often complained to them
They have insisted that they had a licence until 12.00
This obviously now is a lie
Already there is a problem from Griffin public house , finish time 12.00 am
And now these people requesting the same time !!!
As 85+ year olds we already suffer drastically with licences issued to local property, until stupid
hours , no consideration by authorities to our need for a peaceful life
We have been here since 1970
And we are have our quality of life eradicated, as disabled people we suffer from parking
issues
But more importantly we often fear for our safety when coming home at 10 pm from the
overcrowded people drinking in Ravey street , often the road is blocked , they play music until
12.00 and because the bar is directly below our bedroom we hear the noise of music and loud
shouting from the bar .
We mentioned to them , only reason we don't report is we understand small business have to
survive, but now this insult, we will not allow

Under no circumstances is this variation to be allowed

Kindly let me know when it come to committee
Yours sincerely

26K

Dear Councillors,

I am writing to object in the strongest possible manner to the proposal to extend the license at Home, 5a Ravey Street, Hackney, London, EC2A 4QW.

SPA context:

This location is right next to the Griffin Pub & three blind mice, which are all located in a part of Leonard/Ravey street and no more than a few hundred yards from Book Club on Leonard Street. Residents, supported by our ward councillors, have submitted evidence numerous times over the years to confirm the huge negative impact these licensed premises have had in this quiet area of Shoreditch. Councillor Plouviez was previously aware of submitted examples, and Councillor Sellman committed to Feryal and residents that the SPA boundary would be reassessed due to the fast-developing nature of our streets. This was never progressed to my knowledge, but must immediately be brought back to front of mind.

In addition to the large/established venues - there has recently been the expansion of tacky, cheap booze venues and even "restaurant" are now contributing to all day drunkenness, due to the "bottomless brunch" trend.

Local services including Environmental noise team; local police; the "out of hours" incident reporting website are already unable to prevent the negative impacts on residents, and neighbouring properties.

Licensing context:

The license application to extend the supply of alcohol and play music until 00:00, Thursdays, Fridays and Saturdays is absolutely incredulous !!!!! Home bar is located directly [REDACTED] the bedroom window of [REDACTED] Leonard street and only one storey further below to the bedroom of the two bedroom resident flat of [REDACTED] Leonard street. The back window disperses noise onto the back of numerous residential properties on Leonard and Willow Street. What on earth is Oskar thinking, these properties are at breaking point already with noise, disruption, drunken harassment, to extend this further into the night shows a total lack of human appreciation! This request must be rejected on the grounds of the high risk of adding to existing cumulative negative impact including:

- Public health and safety: drinkers exiting the venue until the early hours of the morning staggering into the road and urinating and or generally defacing private property all across Leonard & Ravey Street.
- Public nuisance: littering, noise nuisance from drivers parking under residential windows, at all hours; loud music (from car stereos, and outdoor drinking venues); drunk and shouty groups, including young girls vomiting on private property at 3-4pm (not just 3-4am) as is currently the case!
- Crime and disorder: pre-loading, and drug taking in the street, before going to clubs; dangerous driving; and violent behaviour.

In addition, existing venues in this exact part of Shoreditch already have licensing conditions which this would challenge or exacerbate the issue of their already poor compliance to.

Dipesh Confectioners – next door to 85 Leonard Street (Passione Vino) has a license for off-sales only, which requires them to close earlier than 22:30 to comply with.

The Griffin has a condition that no people should be outside drinking on the Leonard Street pavement, on the same side of the road as Passione Vino right from 91 to 75 Leonard Street and must close strictly at 11.30pm.

This section of Leonard street, next to Ravey Street and adjoining Great Eastern street is the most saturated part of the Shoreditch area, outside of SPA. It would be totally nonsensical and unbearable for local residents to allow an extension to a license to attract and empty further inebriated customers onto this part of Shoreditch. It will have a dramatic cumulative impact that cannot be ignored.

"Future Shoreditch" context:

We are in an area that is strategically planned to undergo intensive COMMERCIAL development and provide economic growth for the Borough and London. Several sites, in the Conservation Area, are already highlighted for demolition and newbuild office construction. Very few sites are as closely surrounded by residential properties as in Leonard Street.

Many developers and businesses in this area are driven by profit, profit which comes from Alcohol sales.

The real cost- the impact on the Local community, residents, and public resources - is unsustainably high.

Granting further licensing and negligently allowing venues to attract and empty further customers onto this saturated part of Leonard Street would be catastrophic in destroying trust in the council to effectively manage the area and licensed premises.

Please ensure that this Licence application is rejected.

Yours sincerely
