

Children & Young People Scrutiny Commission 11th March 2024 Item 5 - Pupil Attainment - Attainment Gap	Item No 5
---	---------------------

Outline

The Commission maintains oversight of pupil attainment in Hackney and is therefore a standing item within the work programme of the Commission. The attainment of children is presented at three stages for review: Early Years Foundation Stage (EYFS), Key Stage 2 (KS2) and Key Stage 4 (KS4).

A range of demographic analysis is provided within the report to allow comparative assessment of pupil performance. Noting the variations in attainment achieved by different cohorts of pupils, the Commission has requested further information on efforts to address the attainment gap.

Report

Annual Update of EYFSP, KS2 and KS4 outcomes in Hackney 2021/22

Attending

- Paul Senior, Director of Education & Inclusion
- Jason Marantz, Assistant Director, School Standards & Improvement
