**Please identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking.**

At Annex 2, to remove conditions 26 & 36 which duplicate condition 16 & condition 39 which duplicates condition 13. Add the numbers 25 to condition 13 so that it reads Challenge 25.

Please tick as appropriate

- I have enclosed the premises licence
- I have enclosed the relevant part of the premises licence

If you have not ticked one of these boxes, please fill in reasons for not including the licence or part of it below

Reasons why I have not enclosed the premises licence or relevant part of premises licence.

**M** Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)**

We shall continue to operate our business in a responsible manner at all times, actively promote the Licensing Objectives and prevent any increase in negative cumulative impact in the vicinity and wider Shoreditch SPA.

SPA Statement.

The Applicant fully understands that Balls is located within the Shoreditch SPA & what that means, of the issues arising and the conditions required to address the issues.

The Applicant wishes to add the Roof Terrace to the Premises Licence. It is intended that the Roof Terrace shall only be used as a consumption area by customers until 19.00. There shall be no bar and no loudspeakers on the Roof Terrace and no music shall be played in the area. Customers would have to go to the existing ground floor bar to buy their drinks. Additional conditions have been proposed re the Roof Terrace to prevent public nuisance.

The Applicant is not applying to increase the physical capacity for the sale of alcohol by adding a bar to the Roof Terrace or by providing alcohol to customers by staff service.

A modest increase in permitted and opening hours is requested for Friday & Saturday, Sundays before Bank Holidays & New Years Eve which the Applicant considers will be fully addressed by the remaining existing conditions..

Apart from removing two duplicated conditions and adding the new ones re the Roof Terrace if it is added to the premises licence, all other existing conditions will remain in force.

Balls will remain essentially as it is now, a place for fun entertainment with a bar. It will not become a nightclub or a destination bar.

The Applicant is firmly of the opinion that the Licensing Objectives will continue to be fully promoted and that there will be no increase in negative cumulative impact in the SPA. The Applicant considers that the variation can safely be approved as an exception to the SPA Policy.

**b) The prevention of crime and disorder**

All other existing conditions to remain in force.

**c) Public safety**

All other existing conditions to remain in force.

**d) The prevention of public nuisance**

To add the following conditions if the roof terrace is permitted to be added to the premises licence.

- 1) The roof terrace shall be open to the public from 10.00 to 19.00 daily. It shall close and customers shall be asked to go inside the building at 19.00.
- 2) A maximum of 40 customers shall be permitted on the roof at any time.
- 3) No regulated entertainment or musical entertainment shall take place on the roof terrace at any time. No loudspeakers shall be placed on the roof terrace at any time.
- 4) No bar shall be placed on the roof terrace at any time.

All other existing conditions to remain in force.

**e) The protection of children from harm**

All other existing conditions to remain in force.

Dear Sir or Madam,

Please accept the following statement as a representation against the above application for a variation to the premises licence.

Environmental Protection as a responsible authority have been asked to consult on the above application on the grounds of the licensing objective the prevention of public nuisance.

Your application seeks a variation to premises licence PREM/2021/0044 as follows;

- 1) *To introduce the use of the roof terrace for no more than 40 customers between 10am to 7pm from Monday to Sunday.  
There will be no regulated entertainment or music taking place and no loud speakers or bar area being present on the roof terrace.*
- 2) *On Friday, Saturday, the Sunday before Bank Holidays and New Year's Eve,  
to extend the permitted hours for all licensable activities until 02.00 the following day and the closing time until 02.30 the following day.  
The extension in permitted and opening hours shall not apply to the roof terrace or basement.*

I have interrogated the Council noise database for the 12 month preceding 29th January 24 and our record confirms that no noise complaints have been registered against the above premises.

**1) Use of the roof terrace**

An Environmental Protection officer visited the above premises on 26th January and undertook an objective noise measurement on the roof terrace from 18:35 - 18:50hrs.

The nearest noise sensitive receptors are located approximately 5m from the proposed roof terrace

The environmental noise climate consisted of constant road traffic and nearby mechanical plant noise.

Calculating the sound pressure level for the maximum of 40 patrons on the roof terrace (20 people talking at 65dB at 1m plus 20 people listening) and accounting for the noise attenuation, the noise level from 40 patrons will be 10dB above the background sound level when measured at the nearest noise sensitive premises.

This figure of +10dB above the background noise level is a good indication that there will be a significant adverse impact at the nearest noise sensitive premises.

The applicant is reminded that it is their responsibility to ensure that all the relevant planning permissions are in place before using the roof terrace area.

**2) Extension of the permitted hours.**

Environmental Protection makes no representation and has no objection to this request.

**Environmental Protection is satisfied that the use of the roof terrace for a maximum of 40 patrons between the hours of 10am to 7pm,****will cause significant noise disturbance to the neighbouring noise sensitive premises and in turn undermine the licensing objective the prevention of public nuisance.**
