M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The premises was previously operating as a nightclub for a number of years, firstly as The Nest and latterly under the name Storm. Whilst being operated as Storm the premises had a number of issues due to mismanagement and the style and concept of the venue. This attracted an undesirable demographic which was at odds with the atmosphere of the area in general. The previous licence, which included a 300 capacity and 4am licence on weekends was rescinded at committee hearing in 2021 following opposition from police and local residents.

We are submitting a new application that will promote the licensing objectives by offering a robust and appropriate operating schedule which retains the requirement for restricted capacity, CCTV and door staff. We have been in dialogue with the local residents who were previously affected, as well as the local councillor's and police and we have taken on their feedback as reflected in our operating schedule.

Set up in 2014 with established concepts in Bethnal Green, Shoreditch and Spitalfields, The Umbrella Project has a reputation for operating some of London's most respectable and well loved cocktail bars. They have been looking for a location with similar demographics which would attract a style of customer looking for not only quality of drinks and service but products that have been locally sourced and support local London based businesses. The idea was strengthened during the pandemic with customers being more aware of what they were buying and provenance of their purchases.

A London Living Wage employer, The Umbrella Project also boasts a first class training and development programme, with emphasis on developing staff from the ground up meaning that staff retention is extremely high. We will also commit to the Hackney nights platform.

The general running of day to day operations will involve a high staff versus customer ratio, which will be needed to support the service and quality of drinks standards. As well as door security on weekend and a door host to control flow and safe being of the patrons.

The venue itself will be predominantly table service with seating for up to 120 person. There will be an element of casual standing space dotted around. For the concept will involve a daily changing cocktail menu designed and prepped by our in house cocktail development team based in our drinks lab in Shoreditch, The Umbrella Workshop. The menu will be predominantly using independent and small producer spirits including non-alcoholic, and low-alcoholic options as well as interesting home made fermentations, vinegars, shrubs and cordials.

Entertainment, programmed by Umbrella Radio, the music and entrainment arm of The Umbrella Project, will be in the form of piano based artists playing a variety of different styles as well as later on DJs creating a unique atmosphere similar to Discount Suit Company and The Sun Tavern.

We have a proposed 20 year lease (licence dependent) as a result of which we will be making a significant investment in the venues interior, furnishings and the staff training and development. The venue will be sound proofed so as not to impact any local residents or businesses and adequately ventilated.

After consulting the local residents we believe this licence application allays a lot of their fears, and their concern are addressed with our suggested conditions within the application which have reduced the operating hours, reduced the capacity, supplied seating for the majority of patrons and committed to no external promoters being allowed to host at the venue, as well as food being available during operational hours in the form of cheeseboards etc.

b) The prevention of crime and disorder

1. The premises shall maintain a CCTV system that covers public areas for patrons, entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 30 days with date and time stamping. Recordings shall be made available immediately upon the request of the Police or authorised officer.
2. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police or an authorised officer of Hackney Borough Council recent data or footage with the minimum of delay when requested.
3. An incident log shall be kept at the premises, and made available immediately to an authorised officer of the Hackney Borough Council or the Police, which will record the following: a. all crimes reported to the venue b. any complaints received c. any incidents of disorder d. any faults in the CCTV system e. any refusal of the sale of alcohol f. any visit by a relevant authority or emergency service
4. All instances of crime or disorder to be reported by the designated premises supervisor or responsible member of staff to some agreed police contact point, as agreed with the Police.
5. There shall be prominent signage requesting customers to leave the premises quietly and respect local residents.
6. All staff will be given refresher training every twelve months on the legislation relating to the sales of alcohol to underage persons and drunken persons. Written records of this training shall be kept on the premises and produced to police or other authorised officers upon request.
7. The premises shall adhere to Hackney Police Weapons and Drugs Policies and any updates thereof. .
8. After 22:30 hours there shall be no more than 5 patrons at any one time coming from inside to outside the venue to smoke in the designated smoking area.
9. Table food will be readily available for patrons whenever alcohol is supplied for consumption on the premises.
10. There will be seating for the majority of patrons for on - sales.
11. The Licensee shall provide a safe receptacle for cigarette ends to be placed outside for the use of customers, such receptacle being carefully placed so as not to cause an obstruction or trip.
12. Reasonable steps shall be taken to stop patrons from congregating outside the premises or from causing noise and nuisance to residents living in the vicinity of the premises.

13. All patrons or staff waiting for a cab or other form of transport will be encouraged to wait within the premises.

14. No external promoters allowed to host music nights at the venue.

15. A maximum capacity of 150 patrons, not including staff.

16. A minimum of one SIA guard to be on the door every Friday and Saturday between 9pm and close.

c) Public safety

We understand our obligations under existing legislation and take our responsibilities seriously.

d) The prevention of public nuisance

1. Clear signage is to be displayed prominently and maintained at all the exits of the premises requiring patrons to leave and enter the premises quietly out of respect for local residents.
2. Refuse, including bottles, is to be taken and placed into receptacles outside the premises at times which will minimise the disturbance to nearby premises.
3. The Licensee shall ensure that all staff are fully trained and made aware of the legal requirement of businesses to comply with their responsibility as regards the disposal of waste produced from the business premises. The procedure for handling and preparing for disposal of the waste shall be in writing and displayed in a prominently place where it can be referred to at all times by staff.
4. The licensee shall ensure that any contract for general and recyclable waste disposal shall be appropriate in size to the amount of waste produced by the business. The licensee shall maintain an adequate supply of waste receptacles provided by his registered waste carrier (refuse sacks or commercial waste bins) in order to ensure all refuse emanating from the business is always presented for collection by his waste carrier and shall not place any waste on the public highway in plain black or unidentifiable refuse sacks or any other unidentifiable or unmarked waste receptacles.
5. The licensee shall instruct a member of staff to make regular checks of the area immediately outside the premises and remove any litter, bottles and glasses emanating from the premises. A final check should be made at close of business.

e) The protection of children from harm

1. Where the sale or supply of alcohol is taking place employees of the premises must request sight of evidence of the age of any person appearing to be under 25 years of age (Challenge 25). Such evidence may include a driving licence or passport.
2. Persons under the age of 18 shall not be permitted in the bar area of the premises when it is open for the sale of alcohol.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified) or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within his application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on a licensable activity.

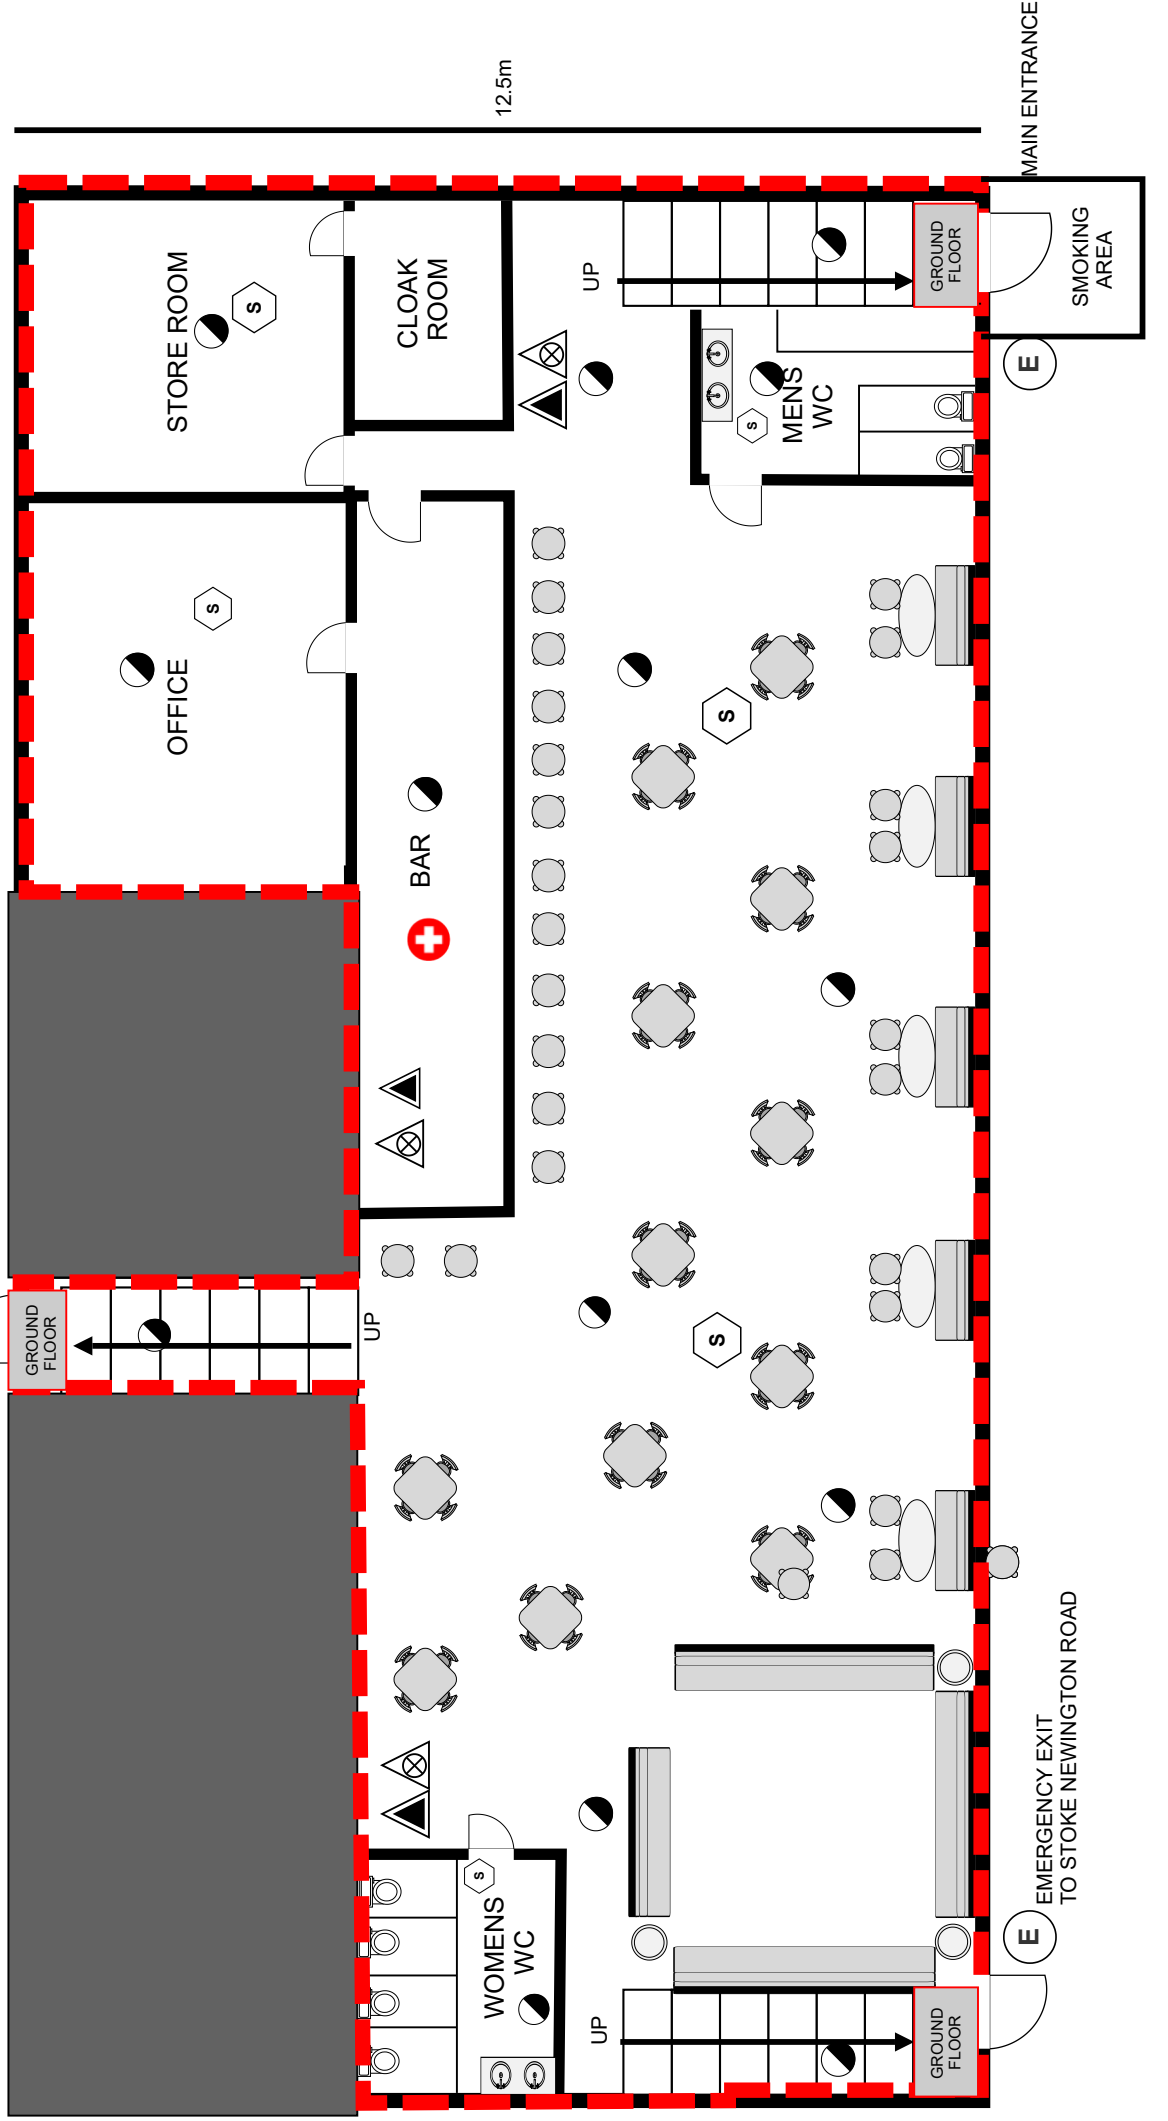

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sanaria,

Having had a look at this application I have some observations:

- The plan appears to show the site on level although I know it is basement with the access and emergency escape on the ground floor.
- The hours exceed those set out in LP3 (Core Hours). This is notable given the close proximity to residential premises including above the site and directly opposite.
- The site had operated recently in a manner which led to the revocation of the premises licence. This was the outcome of an application to review received from the Police.
- Local residents were severely impacted in a negative way by the previous operation. I suggested that the applicant contact the local residents and also the ward councillors in advance of submitting the application to address any concerns they may have.

I haven't the application but I suspect that 'plays' are not going to be the primary use proposal. What could 'The Umbrella Project Ltd' be doing at these excessive hours with these entertainments?

I recall this premises operating with similar hours being a serious nuisance especially on a Thursday night.

Please note conditions for premises that hold entertainment licences that include 'except immediate ingress and egress' are not acceptable and considered reckless.

If not refused the application would cause nuisance, crime and add to the cumulative impact of other such premises in the locality adding to the considerable existing nuisance of premises operating beyond core hours in the Dalston Special Policy area.

Good morning

I'm emailing in support of the premises licence application for [36-44 Stoke Newington Road](#). I live at [Barrett's Grove, N16](#) [REDACTED]

Tom Gibson is a responsible operator who is very aware of our concerns for that particular spot and knows how affected residents on Barrett's Grove were with the previous licence.

He has met with me (and my husband) on several occasions but also met with many of our neighbours and addressed and taken our concerns on board. I think we're all pretty happy with the licence application he has put forward. Tom's plan for 36-44 Stoke Newington Road will add something a little more sophisticated to our community, something that is currently lacking.

Give me a call if you have any questions: [REDACTED]

Kind regards

Dear Licensing Team,

I'd like to voice my full support for a licensing application from Tom Gibson for the premise at [36-44 Stoke Newington Road](#).

Tom Gibson is well known to me as both a parent and businessman who actively engages with the local community (I'm a resident of the nearby Barrett's Grove) and I have every confidence in his abilities to run the establishment in a totally responsible manner.

Having been made aware of his proposal I anticipate it could potentially elevate our neighbourhood, which would be extremely welcome following the problems with that venue of the last few years.

Kind regards,
